During recent weeks the country has been flooded with copies of "Common Sense," a four page semi-monthly published in Union, N. J., which uses an anti-communist approach to spread virulent anti-Semitic and anti-liberal propaganda.

A sudden, mysterious prosperity has transformed it abruptly from an obscure and struggling tabloid into the most widely circulated mouthpiece of racial and religious hatred in the East and very likely in the entire nation.

"Common Sense" has no connection with any other past or present publication of the same name.—Ed.

name—Ed. which McGinley represents as a native hate-mongers by blaming the Communist and Jewish conspiracy against the U.S. and its great and good friends, the Arabs. McGinley founded his sheet about three years ago under the name of "The American People's Party." He is a native hate-monger by training. The Communism was one of the mainstays of his sheet, and a world-wide Jewish "plot" and conjuring up the shadowy menace of an "invisible government" was another. Continued on Page 16

McGinley's sheet, which he calls "The Nation's Anti-Communist Newspaper", had only about 7,000 paid subscribers during the year ending last October, according to McGinley's sworn statement.

But somewhere McKinley has found the funds to print and circulate huge quantities of the last two issues of "Common Sense" — so many that as late as Nov. 30 he was still mailing out free copies of the Oct. 31 issue.

McKinley himself would not say how many he has mailed, but it is estimated that 300,000 copies of the Oct. 3 issue and perhaps 500,000 of the Oct. 31 issue went out to influential persons and organizations.

ment" (run of course by Jews) which dominates the present American government.

"Common Sense" defended the American deserter to Hitler, Robert H. Best, who is now serving a life sentence for treason, and published some of Best's almost incoherent outpourings.

It has promoted fear and hatred of Negroes by charging a Communist plot to create a "Black republic" in the South and by violent attacks upon the FEPC, which it labeled as another Jewish-Communist scheme.

Fought Admission of DPs

It has been assiduous in promoting sympathy for Germany. It has fought the admission of displaced persons, particularly the surviving Jews of Europe.

In addition to Best, its contributors have included:

—Merwin K. Hart, apologist for Gen. Franco who has recently become increasingly bold in his attacks upon Jews.

—Rep. William Lemke of North Dakota, who ran for President in 1936 as the candidate of the Union party with the support of Father Coughlin and Gerald L. K. Smith.

—Hallam K. Richardson, counsel for pro-Arab propagandists, and Joe Williams the pro-Nazi rabble rouser.

—Samuel B. Pettengill a leader of Frank E. Gannett's reactionary Committee for Constitutional Government.

—Rev. Edward Lodge Curran of Brooklyn, once Father Coughlin's representative in the east.

Soon after McGinley established himself as a publisher, he formed an organization called the Loyal American Group to promote his paper. This organization has held numerous meetings in New Jersey at which the sponsors have offered for sale some of the most poisonous hate literature published here. The meetings have also been used to solicit funds for food and clothing for Germans.

Concentrates on Zionism

After "Common Sense" abandoned its other anti-Semitic approaches for a concentrated attack upon Zionism as a Jewish-Communist plot, McGinley devoted every line of the Oct. 3 and the Oct. 31 issues to this theme.

"Zionism Threatens Nation's Security," screamed the huge black headline of the Oct. 3 issue. The headline on Oct. 31 said "Communist and Zionist hyphenated Americans corrupting loyalty of important U.S.A. groups, endangering Nation's security and world peace."

This sudden policy change

may be explained by statements made in The Post Home News by persons in position to know that Benjamin H. Freedman, the well-heeled pro-Arab propagandist, took an active interest in publication of these two issues.

Freedman is the founder of the League for Peace and Justice in Palestine who spent money lavishly in 1946 for a series of full-page advertisements in newspapers here supporting Arab claims to all of Palestine. He was subsequently revealed by his own testimony as a close associate and co-worker of Arab League propagandists and lobbyists and as a fervent admirer of Hitler's collaborator, the "Grand Mufti" of Jerusalem.

Tomorrow: Freedman's interest in "Common Sense."

Freedman, Mufti's Admirer, Named Backer of New Jersey Hate Sheet

By IRVING KIEBERMAN and MALCOLM LOGAN

Several months ago Conde McGinley, owner and publisher of the semi-monthly, "Common Sense," began outgrowing the office in Union, N. J., where he puts out his anti-Semitic and anti-liberal publication.

For almost three years he had occupied a one-story building at 2001 Pleasant Parkway. Then he took over the two adjoining one-story offices at 2003 and 2005 and had passage ways cut through to make the three buildings into a single office.

During the interim period, according to Mrs. Ruth Douglas, the Union Postmistress, there was a tremendous increase in the number of copies of "Common Sense" sent through the mails. Mrs. Douglas described his present postoffice business as "terrific."

Since early this year, McGinley has had second-class mailing privileges which he uses for sending "Common Sense" to his subscribers. These, according to McGinley's sworn declaration statement in the issue of Oct. 17, averaged 7,000 during the preceding year.

But this class of mailings constitutes only a fraction of McGinley's present postal business.

Hundreds of thousands of copies have been sent free to influential persons and organizations in all parts of the country on a postal meter permit at third-class rates, which are higher than second-class.

From the Atlantic to the Pacific coast, free copies of the Oct. 3 and Oct. 31 issues, both devoted entirely to violent attacks upon Zionism and upon Jews, have been received by members of Congress, United Nations delegates, parent-teacher organizations, Kiwanis and Rotary clubs, American Legion poets, college librarians, newspapers, radio stations and business organizations.

It is estimated that McGinley may have mailed out as many as

FOR NEARLY THREE years, the semi-monthly "Common Sense" struggled along in a one-story building at 2001 Pleasant Parkway, Union, N. J. More recently, the publication took over the two adjoining one-story offices at 2003 and 2005 with passageways to make the three buildings into one single office.

Freedman Named Hate Sheet Backer

100,000 copies of the Oct. 3 issue and that his present circulation, nearly all of it unpaid, may be close to half a million.

Taking an average of 400,000 free copies, the cost of this flood of propaganda would run into thousands of dollars for each issue. Printing costs for 400,000 copies of the four-page paper would be about \$1,200, exclusive of delivery costs, and at one-cent a copy the mailing would be \$4,000.

This indicated that McGinley had found new financial support far exceeding any he had received in his previous three-year experience as an obscure purveyor of racial and religious hatred.

The first hint concerning the source of this backing came when persons on the mailing list of Benjamin H. Freedman, anti-Zionist propagandist, began receiving copies of "Common Sense" through the mail.

Upheld Arab Claims

Freedman founded the League for Peace with Justice in Palestine in 1946 and bought several full-page advertisements in New York newspapers attacking Zionism and upholding the Arab claims to all of Palestine.

In testimony in a libel trial before Magistrate Bushel last May 3, he admitted sending a letter to an agent of the Arab League in which he said he was giving "fullest cooperation" to Hitler's friend, the infamous

"Grand Mufti" of Jerusalem.

In an attempt to learn whether Freedman had financed the enormous expansion in the circulation of "Common Sense," a Post Home News reporter went to McGinley's office in Union on Nov. 24.

The glass doors and all the windows of the three adjoining buildings were covered by shades, venetian blinds and cardboard screens so that no one passing by could see inside. All the doors were locked.

The reporter knocked at the door of 2001 Pleasant Parkway and was admitted by a girl. Four other girls were pasting mailing labels on stacks of the issue of the Oct. 31 issue, the headline of which accused "Communist and Zionist hyphenated-Americans" of endangering the nation's security and world peace.

Enter McGinley

McGinley, a stocky, gray-haired man of 58 with a ruddy complexion and sharp blue eyes, entered in a moment. When the

reporter identified himself, McGinley said, "I know, what the Post is. You people are out to hurt us, and I know what kind of a story you're after."

When he was asked if Freedman was associated with him, he replied, "This paper has been operating for three years before I ever heard of Ben Freedman."

To further questions, he said, "I'm not answering any questions about the people who are working with me." He then showed the reporter out.

A telephone call to Frederic Nelson Phillips, Inc., of 305 E. 45th St., which set the type for Freedman's full-page advertisements of the League for Peace with Justice in Palestine, was more productive.

Phillips, asked if he was printing "Common Sense," replied that he had done some typesetting for the paper—"just little odds and ends." He was doing this work, he added, for Freedman.

Walter Sykes, assistant man-

ager of the New York City plant, of the Western Newspaper Union, 304 E. 45th St., said that his firm had printed the Oct. 31 issue of McGinley's sheet. The type had been set elsewhere, he said, but his firm had put it into forms, made mats and printed the paper from the mats at its Pittsburgh plant.

"It was a job we did for Mr. Freedman," he said.

Jack Lowry, manager of this company's Pittsburgh plant, told the reporter in a long-distance telephone conversation that the Oct. 31 issue was printed for "Freedman and McGinley and others in that group."

Asked how many copies he had printed, he replied, "Even if I knew offhand, I wouldn't tell you because that is confidential information. Why don't you talk to Freedman? He'll be able to tell you how many copies we printed for him."

Tomorrow: Freedman's back-

35 E. 45th St. with 300
of the issue. Max Swank,
shipping clerk there, said the
Freedman had him make them
up into two packages and send
them on a TWA plane to Paris
El Khouri, Hotel Continental, Rue
Rivoli, Paris.

El Khouri is the Syrian dele-
gate to the U.N., the representa-
tive of the Arab bloc on the
Security Council, and the elder
statesman of the Arab League.
This venture of Freedman's
indicates that he has found Mc-
Ginley's hate sheet a handy wea-
pon in his bitter fight against
recognition of Israel, now that
Freedman's own League for
Peace and Justice in Palestine
has been discredited because of
its founder's close connections
with Arab League representa-
tives.

Prior to his connection with
Freedman, McGinley had a long
record of publication of anti-Sem-
itic pro-fascist material.

Of Oklahoma, McGin-
ley in a Union war plant
during World War II. When he
was there on Aug. 24,
he began publishing a small
sheet, "Think Weekly," which
later became "Common Sense."
In it he consistently used an anti-
Communist approach to preach
racial and religious hatred.

When it was known as "Think
Weekly," the executive committee
of the American Legion, Dept. of
Illinois, had this to say about it:
"This publication pretends to
have as its principal purpose the
combatting of Communism. How-
ever, a careful reading of its is-
sues and the lists of its contribu-
tors gives abundant evidence that
it is not so much interested in
the legitimate fight against Com-
munism in America, but is
grinding an axe for Fascism in-
stead of democracy."

Almost every topic dealt with
in the columns of "Common
Sense" is used as a weapon
against racial and religious mi-
norities.

Last Mar. 31, it published an
article called "The FEPC Men-
ace," a reprint of a newsletter by
Merwin K. Hart, the pro-Franco
head of the National Economic
Council, Inc., containing open ap-
peals to the prejudices of Negro
haters.

In 1935, Hart wrote the Com-
munist Party published a pamph-
let.

By IRVING LIEBERMAN AND MALCOLM LOGAN.

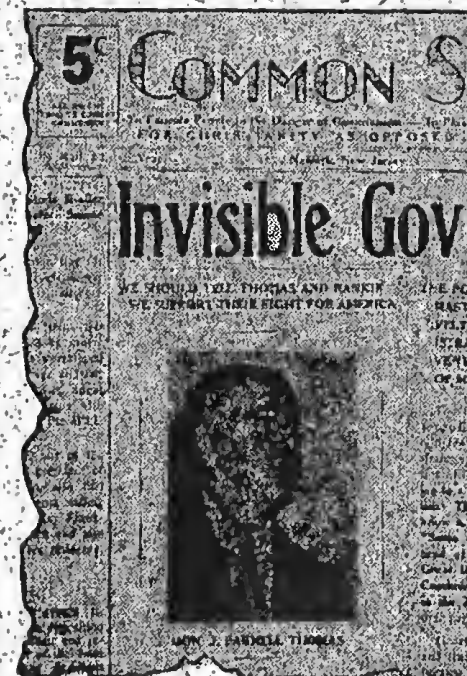

Benjamin H. Freedman, the pro-Arab publicist, was dire-
cted by information obtained by the Post Home News, with an atten-
tion to United Nations delegates in Paris the blatantly anti-Semitic and ar-
published by "Common Sense."

This semi-monthly paper put
out in Union, N. J., by Conde
McGinley has been disseminating
racial and religious hatred for
three years. As this newspaper
has revealed in previous articles,
it has begun concentrating on
anti-Zionism since Freedman be-
came interested in it recently.

While Freedman has remained
in the background, his interest
in "Common Sense" coincided
with an enormous increase in its
unpaid circulation. Issues of Oct.
3 and 31 were sent by the hun-
dreds of thousands to influential
persons and organizations in all
parts of the country.

Most of these were mailed
from McGinley's office, but on
Nov. 29, the day that Israel ap-
plied for admission to the U. N.,
Freedman himself took a hand in
the distribution of the Oct. 31 is-
sue which described the Palestine
Jews' fight against the Arab in-
vasion as "an armed insurrection
by U. S. A. financed immi-
grant revolutionist Jews from
Europe."

That day, Freedman went to

N. J. Hate Sheet Tied To Pro-German Group

By IRVING LIEBERMAN AND MALCOLM LOGAN

Conde McGinley, who has become the foremost merchant of hatred and reaction in the East, has behind him an organization as well as his bi-monthly newspaper, "Common Sense," to spread his propaganda.

The organization bears the usual patriotic label affected by American pro-Fascist outfits—the Loyal American Group.

Its "director" is William O'Brien, but the real moving spirit is McGinley, who uses it not only to promote "Common Sense" but also to give circulation to some of the most vicious anti-Semitic and pro-German propaganda published in this country.

The headquarters of the Loyal American Group is at 2003 Pleasant Parkway, Union, N. J. This address is part of the office at 2001-2005 Pleasant Parkway from which McGinley puts out his newspaper.

As The Post Home News has shown in previous articles, this hate sheet's unpaid circulation has suddenly jumped into the hundreds of thousands, coincidentally with the appearance as an associate of McGinley of Benjamin H. Freedman, the anti-Zionist propagandist and admirer of the infamous Grand Mufti of Jerusalem.

The Loyal American Group, in a membership application circulated to persons attending its meetings in various parts of New Jersey, represents itself as an organization devoted to fighting Communism and "organized atheism," and persons who join are asked to contribute a dollar every three months.

A note at the bottom of the application says, "We urge you to subscribe and ask your friends to subscribe to the anti-communist paper 'Common Sense'—at a cost of \$2 for a year's subscription or \$3.50 for two years. 'Common Sense' returns the compliment by carrying large notices of meetings of the Loyal American Group.

The featured speaker at one meeting this year, attended by almost 500 persons, was John Howland Snow, managing editor of former Rep. Hamilton Fish's

monthly, "Today's World." Snow is also the author of "The Case of Tyler Kent," a defense of the American Embassy code clerk in London who was imprisoned by the British for disclosing wartime communications.

Attacked Marshall Plan

Snow attacked the Marshall Plan and asserted that Christians were the only Europeans entitled to American aid "because the Germans kept their churches open and were the cleanest people in Europe." The anti-Semitic tone of his speech was illustrated by a statement that President Truman "got where he is by Jewish wire-pull-

ing."

The pro-German bias of the Loyal American Group has been evident not only at its meetings but in announcements printed in "Common Sense." The advertisement of the meeting at which Snow spoke, contained this statement:

"The Christian Relief Committee has been instrumental in sending many bundles to cold and starving families in Europe. If you would like to help, bring food or clothing to the above meeting."

A report on this committee subsequently published in "Common Sense" stated:

 "Common Sense" makes it clear that this aid was given entirely to Germans. Lisbeth Horn of Union, N. J., the committee director, said that letters from Germany "seem to be more pitiful all the time" and called these ex-Nazi supplicants "victims of the Morgenthau plan."

Fascist Pamphlets on Hand

Another speaker at Loyal American Group meetings is John J. Hennihan, a war veteran who at one meeting opposed the draft, attacked Gen. Eisenhower and belabored both President Truman and Gov. Dewey as bipartisan "internationalists."

At these meetings a wide variety of publications are offered for sale, ranging from the restrained "Facts About Communism," by the Rev. Edward Lodge Curran, former Eastern representative of Father Coughlin, to violent attacks upon American policy in Germany by A. O. Tittmann, a Germanophile pamphleteer of Middlebury, Vt.

In one of his pamphlets on "The Nuremberg Trials," Tittmann asserts that the object of the trial of Goering and other leading Nazis was "through the arrest and elimination of the legal German government to enable the victors to usurp its functions, dress themselves in its garb and make of the military government its pretended successor in order to legalize all of their usurping acts and especially the criminal acts of stealing German investments and assets in Germany itself and in the rest of the world."

"It is not surprising that the idea of 'trying' the leaders of the vanquished nations," he went on, "should have stemmed from a Jew, Judge Samuel I. Rosenman, the unofficial 'adviser' of Roosevelt and later of Truman, himself in close liaison with Bernard Baruch, multimillionaire and famous 'park-bench politician,' according to Henry Klein, well-known New York attorney and defense lawyer in the notorious Washington 'sedition trial,' chief agent of the Sanhedrin and dominating both the executive and making part of our govern-

Urged Sic

This anti-Semitic defender of the Nazis in 1947 wrote to a New York City woman: "Within Germany the only hope, in my opinion, is for them to start a Sicilian Vespers and bring their tormentors down with them."

The "Sicilian Vespers" occurred on Easter Monday, Mar. 30, 1282, when, at the first stroke of the vesper bell, the people of Palermo, Sicily, rose up and wiped out the entire French garrison established there by Charles of Anjou. The equivalent of the French garrison in present-day Germany is the occupation forces, including those of this country. Accordingly, Tittmann would appear to be advocating the massacre of soldiers of the occupying armies, including American soldiers.

This is the kind of company that Conde McGinley keeps.

It is quite understandable that Freedman, the pro-Arab intriguer, has found McGinley an ideal collaborator in spreading anti-Zionist and anti-Jewish propaganda.

Last Article of a Series.

Uncommon Nonsense

Revelation by the Post Home News that the Jersey-published hate sheet, "Common Sense" is backed by "Sahib" Benjamin H. Freedman, should come as no surprise.

The "Sahib," number one American apologist for pro-Nazi Arab leaders, is noted for smearing the Jews and Zionism in behalf of his Middle Eastern friends.

The surprise is that the U. S. Post Office permits the Jew-baiting newspaper to be sent through our mails.

We remember that our Postmaster General once inspected a magazine featuring luscious pin-up girls, did an outraged double-take at the ladies' filmy attire and forbade the publication mail passage on the grounds of obscenity. The Supreme Court had to remind the gentleman that he was not America's official censor.

Indeed, our postal authorities are (often properly) assiduous to the point of blue-nosed frenzy when it comes to putting alleged smut in its rightful place—the wastepaper basket.

Yet "Common Sense"—an infinitely corrupt newspaper, delighting in a political pornography which turns our very democratic convictions into a filthy joke—travels, immune as Aunt Mary's thank-you note, through our mails!

The Post Office reportedly explains that it is without authority to exclude matter from the mails solely because a particular race or group is attacked.

It reputedly states that according to Section 599 (Postal Laws and Regulations, 1940) printed material of a scurrilous or defamatory character can be stopped only when it appears on the outside of mail and an identifiable individual—not a group—is smeared.

All right.

"Common Sense" is mailed without a wrapper so that its first page could be read by any slightly curious postal employe.

On August 22, 1948, "Common Sense" featured a front-page attack on Herbert Lehman, falsely accusing him of spending UNRRA "billions to set up Communism in Europe."

Lehman is an "identifiable individual," Mr. Postmaster.

On November 30, 1947, "Common Sense" ran a page-one spread, falsely implying that David Lilienthal was part of a plot to reduce America to "Marxist Slavery."

Lilienthal is not "a group."

Let the postal authorities enforce the law by banning "Common Sense."

If, because of some legal gimmick, the ban does not stand a court test, we will at least know exactly where our postal regulations must be amended—to protect ourselves and our children from printed perversions.

Ask Clark to Probe Outfit Behind Jersey Hate Sheet

By IRVING LIEBERMAN and MALCOLM LOGAN

Atty. Gen. Clark has been asked by the Non-Sectarian Anti-Nazi League to determine whether Benjamin H. Freedman, Conde McGinley, publisher of the hate sheet "Common Sense," and their associates in pro-Arab propaganda activity, have violated the Foreign Agents Registration Act and other Federal laws.

In a telegram to Clark, James H. Sheldon, administrative director of the Anti-Nazi League, charged that the actions of the two men "in concert with the Grand Mufti or his agents" called for investigation to check the possibility of violation of the statutes governing correspondence with foreign governments.

"It is evident that this group of propagandists intends to expand its activities in the near future, as is clearly demonstrated in a series of five documented articles which appeared this week in The Post Home News, disclosing that the anti-democratic newspaper Common Sense published by Conde McGinley at Union, N. J., is now being distributed in fortnightly editions approximating one-half million copies each, principally devoted to anti-Zionist material," Sheldon's telegram said.

"The financing behind this dangerous activity is also shown to be that of Freedman, who is in addition shown to have personally dispatched a large quantity of this propaganda material via air express to Faris Bey el Khouri, chief Arab League spokesman at the United Na-

tions in Paris, within the past few days."

Sheldon asserted that the activities of Freedman and his associates "have involved repeated acts of collaboration with a principal Middle Eastern political agent of the Mufti, attempts to negotiate purchase of machine gun plants for erection in Pakistan, preparation of propaganda material distributed throughout the nation in the interest of a foreign power, payment of costs of a lobbying dinner attended by 52 members of Congress, arrangement of conferences of Arab diplomats with the Acting Secretary of State and many additional activities of similar import."

"The physical merging of the propaganda mailing lists of Freedman's League for Peace with Justice in Palestine with those of the Mufti's Arab Higher Committee delegation in New York, and the subsequent use of these merged lists for distribution of current issues of McGinley's publication Common Sense is one further illustration of the closeness of this collaboration."

Sheldon followed this wire with

a six-page letter to Alex Campbell, chief of the Criminal Division of the Justice Dept., detailing the activities of Freedman and his group and enclosing a large number of exhibits, including the Post Home News articles exposing "Common Sense".

He named as Freedman's associates Charles Passman, a former British official who is head of a trading company in the Middle East with which Freedman has had dealings; Habib I. Katibah, of the Institute of Arab-American Affairs, Inc.; and Hallman M. Richardson, counsel for the League for Peace with Justice in Palestine.

Sheldon asserted that "the bulk of the legal evidence which would be needed to support a Grand Jury investigation . . . can be found in the record of 22 days of cross-examination of Freedman and other witnesses in Richardson's criminal libel action against the Rev. Henry A. Atkinson of the Anti-Nazi League, which was dismissed by Magistrate Bushel last May 26."

Called Advisers to Mufti After detailing Freedman's many statements showing collaboration with Arab agents, Sheldon wrote:

"It appears from the foregoing that Benjamin H. Freedman and his associates were continuously advising the political interests of the Mufti and his party, and of the governments of the Arab League, and that they so acted in concert with and under the direction of the foreign principals noted."

"We therefore urge that appropriate action be taken." As to "Freedman and his associates Katibah, McGinley, Richardson and Passman."

Reveal Legion Women Foiled Trick by Hate Sheet Backers

By IRVING LIEBERMAN and MALCOLM LOGAN

The backers of "Common Sense," the Union, N. J., hate sheet, succeeded recently in obtaining the endorsement of the New York Dept. president of the American Legion Auxiliary for one of their money-raising sidelines—but the endorsement was hastily retracted when other Auxiliary members revealed the character of this publication.

This newspaper also learned today that the "Common Sense" crowd somehow obtained the mailing list of the Auxiliary's 1,828 members in Manhattan and sent free copies of the two latest issues to them.

An official of the Auxiliary predicted that an investigation would be made to determine how this membership list, supposedly confidential information, came into the possession of Conde McGinley, the publisher of "Common Sense," or someone associated with him.

Part of Nation-Wide Drive

This attempt to enlist the American Legion Auxiliary in the publication's anti-Zionist and anti-Semitic campaign, which was frustrated by the alertness of some New York County unit officers, was part of the tremendous effort made recently to blanket the nation with this formerly obscure hate sheet.

As this newspaper revealed in a series last week, the last two issues of "Common Sense" have been mailed out free to from 300,000 to 500,000 influential persons and organizations throughout the country, though its paid circulation is only a meager 7,000.

This intensive and expensive drive came after Benjamin H. Freedman, the pro-Arab propagandist and avowed admirer of the murderous Grand Mufti of Jerusalem, became interested in McGinley's publication and "Common Sense" suddenly became an organ of anti-Zionism.

Last Nov. 5 and 6, the American Legion Auxiliary held a dis-

strict conference of unit presidents and committee chairmen from all counties in the city and Long Island and several upstate counties. This meeting was held in Tappan Post Hall in Staten Island and was attended by about 300 unit officers.

Urged to Buy Stickers

On the second day of the conference, Mrs. Mae E. Matthews of Hurley, N. Y., president of the New York Dept., openly recommended that the unit officers urge all members to buy anti-Communist stickers distributed by McGinley.

These stickers, about the size of a special delivery postage stamp, are one of McGinley's sources of income and are advertised for sale in the columns of "Common Sense" at \$1 for 300, \$2.50 for 1,000 and \$10 for 5,000.

They bear the words, "Communism is Treason! Wake up America! Common Sense—Union, N. J."

Legion Women Foil Hate Sheet Backers

Continued from Page 4

Sense" says "Affix them to your envelopes, letterheads, etc. All profit used to combat communism."

When Mrs. Matthews made her speech, there was no immediate protest. About a week earlier, members of the New York County units had begun receiving copies of the Oct. 3 issue of "Common Sense" through the mail. After the meeting a number of unit officers read their copies and were outraged by the anti-Semitic tone of its attack upon Jewish aspirations in Palestine, as well as its futile effort to identify Zionism with Communism.

Strongly Protested

On Nov. 22 a meeting of New York County officers was held at county and state Auxiliary headquarters, 500 Park Av., with Mrs. Fannie Bandell, county chairman, presiding. Several members arose and heatedly protested Mrs. Matthews' recommendation to buy McGinley's stickers, charging that "Common Sense" was anti-Semitic.

Subsequently all unit presidents

in Manhattan received the following postcard from Mrs. Bandell:

"My dear Madam President:— Our Dept. President, Mrs. Mae Matthews, has asked me to send this message to all units in New York County: That she has retracted her recommendation that we purchase the stickers or stamps called, 'Wake Up America, Communism is Treason,' from the organization called 'Common Sense.'"

Mrs. Ida N. Ashby, department secretary, said, "After we found out about 'Common Sense,' we decided that they are not what we want to deal with. The minute I heard about it, and at the request of Mrs. Matthews, I called the state's 10 district chairmen and told them to get word immediately to their members not to buy the stamps."

Mrs. Ashby said the stickers were first called to Mrs. Matthews' attention a short time before the Staten Island conference by Mrs. Aurora Alexander of Tupper Lake, N. Y., a former department president.

Mrs. Matthews, the secretary recalled, asked Mrs. Alexander if she was certain it was all right to recommend purchase of the stickers, and Mrs. Alexander replied that it would help in the Legion's fight against Communism.

"That sounds very good," Mrs.

Matthews replied, according to Mrs. Ashby. "It expresses what we want to do."

Expect National Ban

Mrs. Bandell, the county commander, said she believed Mrs. Matthews was motivated by a sincere desire to fight Communism. She added that she understood the Legion's national officers would shortly issue a directive to all Legion and Auxiliary posts to have nothing to do with McGinley or any of his enterprises.

When Mrs. Bandell was asked how the mailing list of Auxiliary members in New York County was obtained by McGinley or one of his associates, she replied:

"I do not know, but I'm quite sure that an investigation will be made to find out how that list reached McGinley or Freedman. There is a standing order that the mailing list is never to get out of the Legion offices."

Catholics in Bronx Denounce Hate Sheet

"Common Sense," the anti-Semitic hate sheet which was recently exposed by this newspaper, has been condemned by the Third District of the Holy Name Society, representing nine Bronx Roman Catholic parishes.

"Although the paper does not directly attack Catholicism, it is anti-Semitic," said the Rev. William M. Daly, moderator of the district organization. "If it would

attack one religion, it would attack all."

The publication, a semi-monthly, is published in Union, N. J., by Conde McGinley. Under the pretext of fighting Communism, it has consistently attacked Jews and has recently been used by Benjamin Freedman, the pro-Arab propagandist, to spread anti-Zionism.

A delegate, James A. Gerns, found a copy on the Third Ave. el," Father Daly said. "Although it was the first copy we have seen, we wanted to warn our people against it. Such doctrines have no place in America and we hope to see no more in The Bronx.

"I recommended the censure, and it was unanimously approved."

This action, which took place at the meeting of delegates last Tuesday, was the latest of a series of public protests. Recently the New York State America Legion warned its members that it was a "hate sheet."

Dear Sir,

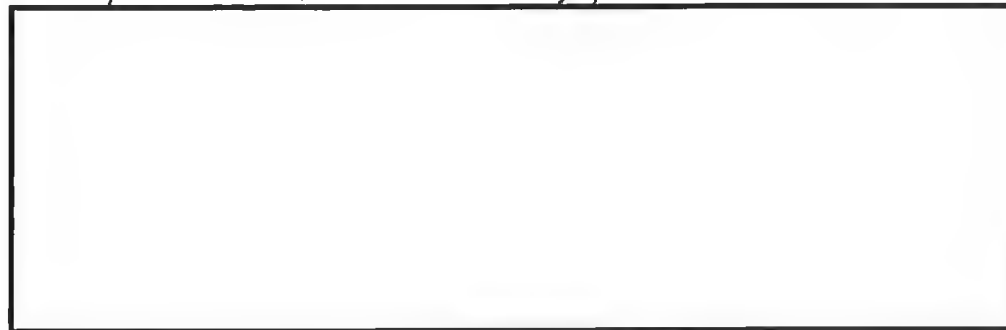

I would very much like some information concerning some newspapers I have been receiving, for some time without soliciting same. My main interest is whether these publications are of the subversive type.

The first one is "^{new refs.} The Broom" copy enclosed, of which I have read a couple of copies, and can't seem to understand. The second is "Common Sense", published

The Elders of Zion

We can witness again and again that the Protocols are no "Forgery" but are the blueprint for the policy of Stalin, Attlee, Truman, and every other existing government on this globe, including the Vatican.

Just now, when Gen. MacArthur, Col. Robert McCormick, Sen. Knowland, and the "do of the Chicago Tribune" are trying to "India policy of independence in expressing the editor's viewpoint, which is the essence of FREEDOM of the Press. No doubt I make mistakes, no doubt I have used poor judgment in trusting certain individuals to be truthful and factual reporters and correspondents, but such experience ripens one for better journalism; everybody has to learn and errors are part of it.

But your policy and attitude, your expectations, your concept of a Free American Press are diametrically opposed to mine as well as to the concept of a Free Press itself. I am sorry that the majority of your Yorkville Germans, evidently, still hold to the old country notions of a controlled and censored press and have not been Americanized regardless of how long they sojourned over here.

There has always been a battle between the business office and the editorial department in the commercialized and commercially supported press. The business management wants sales, the editor wants facts and truth, regardless of who is displeased. Your principles, so-called, of placing sales above editorial liberty, or plain "principles" which the Jews applied to me in attempting to force me to desert from "illlog the truth about them" Like yourself, they advised me, as you did in your letter of April 30: "... but if such articles are sent to you I would like to ask you to send them to me first, before printing."

That is exactly what Nate Baranov, as spokes-

permanent by expulsion. His motion carried. Fleckenstein insists that this procedure was illegal because — perhaps again — he and his followers were not present to vote. But — whose fault was it that they had deserted their posts?

WALKOUTS in Industry

The right to "strike" and the right to "walkouts" are by voluntary and for "walkouts" is what I want. — C. LEON de ARYAN, editor. The BROOM

V. A. O. Tillman wrote us a very interesting letter re: the Fleckenstein-Brand muddle. Because of lack of space we shall publish it in the next issue together with our reply. The title of the article: Catholics Equal Mutants.

Did you not know that Catholics advocate equality of the white man with colored people? The Irish Negro refuses to mix socially, or mix his blood, with other races. He is proud of his own stock and keeps it pure as God intended him to do. The Catholics and the Communists advocate social equality which inevitably leads to miscegenation and MISCHIEF. What white man wants to follow the leadership of a Catholic or Communist and destroy his own race?

Vital Minerals

My dear, dear Kost: Your various letters, notes, enclosures, etc., always much appreciated, and the new issue BROOM is very good; only I pray you have the wisdom to not cut down your gain in your anxiety to pay for it. Faith without works, of course, is dead, but you also know that the Father's plan never intends you to "break down" in doing the work you are supposed to do.

Glad Dr. Brunner helps you with a goodly

FBI during past two wars, that has conditioned half the population to apathetically submit to the abuses of the Newdeal, Fairdeal and Jewdeal. Since it is preferable to be dead than live in eternal fear, our enemy, truly, is FEAR and not the communists. Once we conquer fear and opoth the Communists will have lost all power to control our lives. This is pre-eminently a spiritual negation. Those who love "God" is what I want. — C. LEON de ARYAN, editor. The BROOM

How can I know what the spiritual laws are? How can I find the right answer of what to do, whether to stay here or go some place else? Any help you can give will be very deeply appreciated and prayerfully accepted.

As much as we can use the money you need it, too. Here's \$5 to help out a little bit. Sincerely, IRENE.

Dear Irene: Thanks for your "mite". I do need it more than you.

William Kullgren is doing his duty as he sees it by warning his readers to prepare for the storm of world war III with its various bombing threats. Now you want to know what you and your family should be doing, whether to leave your new home or stick it out as your husband believes. I, personally, will stick it out for duty's sake, since the Lord's promise is that even though "ten thousand shall fall by thy side, it shall pass you by".

In London, during last war's bombardment, there was the office of a sun-worshiper in the midst of a thoroughly bombed out district. A stairway led up to it. After the bombardment destruction was all around, even the building as such was a wreck but the stairway and the office at the top of it stood undamaged, the oddest sight imaginable. "Vae — ones — initial"

VITAMIN RACKET:

Your body is so organized that it manufactures vitamins from simpler substances. That is how everything is effected in the universe. The man who tells you vitamins make vitamins is a liar. All simpler substances have no traces of vitamins or other classifications. Commercialism is withholding this information. — Dr. J. N. Goldwasser.

George shows his hand in never giving a play to the work of the Lessing Rosenwald group of anti-Zionist Jews. On the contrary, he denounced Alfred Lilienthal, a distinguished member of that group for his article in the READERS DIGEST a year or more ago. That article took a definite stand against the division of Palestine between America and Israel while it is so serious among the Zionist "Angels" and part in the Arya-Zend ritual of fire-worship which Dr. Ha'nish has faithfully reproduced to the extent that the intelligence of his followers permitted him. The songs always give us a lift as well as the spirit of sincerity of most of those present.

There are many who confound slocery with the truth. A person may be perfectly sincere in the propagation of a lie but that does not change the fact of the falsehood. And a misconception of the eternal, self-enforcing LAW of Life may and does produce the most disastrous havoc and destruction, especially because the follower of blind leadership expected to be led into better realms instead of being wrecked. The resultant confusion and heart-suffering is pitiful. And this effect upon those who follow a deviation from facts and truth compels me to expose and denounce the fallacies of these blind leaders of the blind, to warn against them and their methods, regardless of how unpopular it makes me with the deluded masses.

Dr. Ha'nish has faithfully reproduced the inimitable teachings of the Zend-Avesta and the practices, in principle, of Mazda-Yasna, yet in his ambition of functioning as THE master of a lodge-like community, he jealously hounded and eliminated anyone who had any originality of thought until the vast majority of his followers who remained were of the uncultured,

I don't even make a covenant with Uncle Sam to accept the administration's "principle" in anything. The Press is Free — as far as our BROOM is concerned. We dick with nobody and so, naturally, I reject your principles which place "customer satisfaction" above editorial liberty.

Had I followed your "principles" during the last war and pleased the "patriotic" firebrands who wanted to put everyone with a German name in a concentration camp, tell me, who would have spoken up for your innocent Germans, here and abroad?

Mildred took in all the "talks" the two weeks she was here, for as you rightly stated in your announcement in the paper, Miss Paul is undoubtedly the best, teaching on the Pacific Coast anyway. Good material in letter from Irene. Miss Paul touched on that same idea, or subtlety, in her very good talk at the meeting last Sunday on "YOU and Prophecy", giving her interpretation of the meaning of "flee to the mountains", which had already come to be my conclusion; namely, the mountains being the high place in one's consciousness. . . . KOSTI'S HEALTH BULLETIN

On Monday, May 21, at 10:15 in the morning our editor was taken in hand again by Dr. Helle Sanders, chiropractor, with offices at the School of Chiropractic, at 7950 Sunset Boulevard, Hollywood, Calif. She was assisted by one of her girl students. We cannot overstate the case when we praise her method of treatment. This time she shook us up vehemently and the results are vibratory, in today, Tuesday, her method is vibratory and hand-massage. It is truly CHIROPRACTIC. The practice of restoring the organs to their natural positions and functions by HAND manipulation. As an energetic friend of the naturopathic, chiropractic and the osteopathic professions of the healing we sincerely advise every adherent of these systems to take a course during the vacation this year to study the SANDER'S method. It cannot do otherwise but enrich your knowledge, benefit their patients and be a great step forward in the art of healing.

Who, in the name of all that is casuistic, invented the weird expression—"preventive war"? Since its only result thus far in a series of cases, is to bring more war, why not try a little "preventive peace"? It might be just the thing to bring about a surcease of militarism and a measure of tranquillity.

Dear [redacted]

Your letter of May 29, 1951 together with its enclosure has been received at this office.

Unfortunately I am unable to express an opinion on the enclosure, inasmuch as it is not within the scope of the jurisdiction of the FBI, which is merely a fact finding agency, to do so. Furthermore, all information in the files of this agency is in the constructive possession of the Attorney General and can be disseminated only with his express permission. As to your receipt of the unsolicited material mentioned by you this is likewise a matter between yourself and the sender of the material in which I cannot advise you.

Although I regret being unable to accede to your request I hope that you will not hesitate, in the future, to bring to our attention any other information which you believe may be of interest.

Very truly yours,

I am inclosing a letter which I received in Saturday mail, after reading parts of it my husband and I both think you are the proper people to send it to.

We feel this is definitely not the type letter to be sent thru the mails, and to the many persons who would join this without giving it a second thought.

Sometime ago I received literature regarding a book "The Bible Unmasked" by John Lewis. I sent for this book & received it. But I have yet to open the first cover of this book, my curiosity was aroused but my teachings won't let me open this book. After all if one can't believe the bible & its teachings what & where & how are we going to finish up. If the book can be used in your work, I'll gladly turn it over to you, in fact be glad to get it out of the house.

Dear Mr. Hoover,

I received the enclosed in the mail this morning, - I have no idea why I should be on the mailing list of so-called "Common Sense". Perhaps you know about these unpleasant fellows already, - if not, they might bear investigating to see what they are really up to, - certainly not defending their country but seeking to divide it -

Gentlemen.

A year ago I submitted
a letter to a monthly, small,
magazine called "Common Sense",
which I thought was patriotic
& working for a clean-up
in subversive activity. It turned
out to be all anti Jewish.
The last issue which came out
last week was an attack
on Eisenhower, & I think
the magazine is anything
but patriotic. I am away
from home, & shall not be

Dear [redacted]

I spoke with you, over the telephone, about six months ago concerning a questionable letter which I had received through the mail and at that time you gave me permission to call upon you whenever I felt it was necessary.

I am forwarding the enclosures to you because I feel that being anti any nationality, race or creed is un-American and after reading one of these editions I think this newspaper is very definitely anti-Jewish.

Perhaps this is another scheme of the communists to raise money or to induce unsuspecting persons to join their party?

b6
b7C

This is addressed to me as the other letter was, as "Mr." - but was not sent through the mails but placed under the door to my apartment. In the apartment house in which I have a one room apartment there are not the regulation government mail-boxes but instead have the special service whereby the bag of mail is left with an employee of the building. He separates and distributes the mail and places it under the door of the apartments. I received the enclosures last night, Tuesday, December 23rd.

I am wondering if there could be any connection between the enclosed material and the other letter which we discussed?

Very sincerely,

Dear Sir:

I heard from a student in a Long Island school a week or so ago that there was "A Communist Paper this student had seen at school etc".

I asked the student to get me a copy of it, and was then told that said student had been told by a teacher "That the paper was not really Communistic,--but was written by "A CRACKPOT". "

Still interested, I asked for a copy, but the student said that I would have to "GIVE IT BACK," as the teacher did not want to give it away.

I gave my word to give it BACK. So I got it and read it all ver carefully., and gave it back.

This is why I cant just send it to you. but here is the general dope:

Then follows 4 pages of fine print on cheap paper that takes two hours to read explaining that Christ came from Judea he was not a Jew etc, and what most good Americans I think would call a rabble rousing attack on all Jews; and Quoting from the TALMUD(on page # 4) a lot of things much worse than any thing Hitler EVER THOUGHT UP!

They state at the bottom of page # 3 col. # 3" That if for any reason that you consider it desirable to make your CONTRIBUTION ANONYMOUSLY, just pin your \$10.00 bill or \$ 5.00 bill on this coupon and mail it"

" Then they say " It will be an added " STRAW" by which to break the CAMEL's BACK; " " OBEY THAT IMPULSE"

Now I dont know whether this outfit is run by a " Crackpot" or what, but I thought you might like to knowx about this paper being found in a Long Island school.

This is a " MONGREL" nation, and I dont think this kind of stuff is right; because Russia has done pretty well (without the atom bomb) by England's old method of " DIVIDE AND CONQUER".

And as they are purging the jews for all they are worth RIGHT NOW, I am wondering if there is any connection between the Russssian situation, and this outfit; because if you will read this PARTICULAR edition, you will see that it is written after " The Russian Manner" and in all its double talk, it really says that the jews are out to ruin America!

The writer is a follower of [redacted] and I really would think this paper was born of the KuKlux if it was published in the South.

I am sorry that I had to give my word not to keep the copy I had, but it was the only way I could get hold of it.

You, of course could get one of these papers, and decide whether he is a crackpot or not; but if you cant, perhaps I could.

These papers are registered in Washington, I understand; but I dont know how or where this is done.

If you have ever read Hitler's stupid book, it sounds almost like it!

Enclosed please find copy of a newspaper
"Common Sense", exactly as received in envelope
attached. Please note the "Brooklyn, 6" postmark.

The picture had been clipped from a Saturday
edition of the Long Island Daily Press. The Press
has a courtesy service of publishing, each Saturday
pictures of 1 year old children. They also show
name and address of each child. Evidently the
anonymous sender obtained the address in this
manner. Also please note that this is no reflection
on the Long Island Daily Press.

I wish to state that I am not Jewish, and am
not a Communist. However,

circulation of such trash is
in, to say the least. I
have a warped mind
in this manner.

No doubt, others are probably receiving this
literature in such manner.

Blasts Civics Stand In Anti-Red Row

East Meadow — Attacking the East Meadow Levitt Homeowners Association for failing to adopt his anti-Communist resolution, William J. Santasiere resigned yesterday as treasurer of the organization.

He blasted the association for finally adopting a resolution that he termed weak and evasive. The organization's failure to insist upon an alternate speaker to present the government's side of the case at a Levittown rally seeking clemency for convicted atom spies Julius and Ethel Rosenberg also was attacked by Santasiere.

The last straw, he said, was the defeat of his motion calling for condemnation of the Rosenberg rally.

Defending the organization's stand, its president, Eugene Sturman, labelled Santasiere's actions "un-American." He said the treasurer and another association member H. Marshall Taylor have made several "veiled" accusations reflecting upon the patriotism and good faith of several members of the organization.

Asserting that the civic group is definitely anti-Communist, Sturman said the association is a civic organization and not a political one. It's certainly not the duty of the organization to see what political activities each member takes part in.

Santasiere said he reported his opinions regarding the Rosenberg rally to the FBI. He also reported on activities of the Queens-Nassau-Suffolk Coordinating Committee for Peace, he said.

The resolution finally adopted by the association reads as follows: "It is our belief that the use of Levittown Hall is a privilege and not a right, and that the privilege of using Levittown Hall should not be allowed to those seeking to impose a totalitarian regime upon this country and to deny civil liberties to all." It added that only organizations appearing on the attorney general's list of subversive organizations should be barred from using the hall.

An airing of the squabble has been set for Tuesday at 8:30 P.M. in the Bowling Green School.

DATE: 4/15/53

FROM : [REDACTED] SA (105-~~1055~~)SUBJECT: BENJAMIN FREEDMAN → *See file to [REDACTED]*
"COMMON SENSE" 300 Central Park W.
INFORMATION CONCERNING

The column of WALTER WINCHELL, which appeared in the Daily Mirror on 3/30/53, reflected that "BEN FREEDMAN is the main money behind an anti-Catholic-Jewish-FBI-Spellman sheet. He lives at the Majestic Apartments, 72nd and Central Park West. A screwball Fascist who features lavender cravats."

b6
b7C

The files of the NYO reflect that a letter from THERON L. CANDEL, Assistant Attorney General, dated 9/24/46, was directed to the Bureau concerning the Arab Office in America, registration #322, Foreign Agents Registration Act. The letter reflected that BENJAMIN H. FREEDMAN, of 300 Central Park W., NYC, transmitted a telegram to the president requesting protection for his wife and child from foreign criminal organizations which he identified as the "Zionist Gestapo" and the American Jewish Committee. FREEDMAN's telegram stated he wanted to help expose undercover Jewish actives in the US. (97-1076-5).

In a NY letter to the Bureau dated 11/27/46 FREEDMAN was identified as the head of the League For Peace With Justice in Palestine and as a result of advertisements inserted by him in NY newspapers he aroused a storm because of his alleged anti-Zionist activities.

✓ The Civil Docket of the USDC, SDNY, reflected FREEDMAN instituted a suit against the American Jewish Committee et al based on accusations made by the American Jewish Committee and its representatives that he considered false and malicious. in that FREEDMAN was stated to be closely allied with the Arab Office in America and other propaganda agencies. FREEDMAN in his libel action and during interviews at the NYO on other matters denied he was acting in cooperation with the Arab Office in America. ✓ He admitted he spent about \$50,000 of his own funds in publishing advertisements containing anti-Zionist propaganda and that he was carrying on a campaign to present the Arab point of view in the Palestine question. (97-1076-8).

Memo, SAC
NY 105-1066

The report of SA [redacted] dated 11/27/46 concerning the Arab Office in America reflected the records of the County Clerk, NY Supreme Court, NYC, contained an affidavit of incorporation dated 5/6/46, incorporating the League of Peace with Justice in Palestine. Among the directors was BENJAMIN H. FREEDMAN, 300 Central Park W. with business address at 420 Lexington Ave., NYC.

b6
b7C

This report also contained an interview with FREEDMAN who disclosed he was 56 years of age, of Hungarian-Jewish parentage, and was a broker and trader in various types of enterprise.

A Dun and Bradstreet report dated 6/5/46 showed that he resided at Apt. 9J, 300 Central Park W. and [redacted]. He was formerly secretary and treasurer of the John H. Woodbury Corporation and John H. Woodbury Laboratories, Inc., dealers in soaps and cosmetics. He withdrew from the corporation on 12/31/41 and was also associated as president and treasurer of the Association of American Dermatologists, Inc. On 6/1/45 he stated his activities at that time were based entirely in the investments and amounted to an excess of seven figures. (97-1076-9).

The "New York Herald Tribune" of 5/5/48 reflected FREEDMAN denied in Mid-Manhattan Court he was an agent of the Arab Office in America but admitted he had spent more than \$1,000 of his own money for pro-Arab advertisements. He was identified in the article as a retired toilet goods manufacturer. (97-1076-27).

✓The Mid-Manhattan Court dismissed the application for the complaint of HALLAM M. RICHARDSON, attorney of the League of Peace with Justice in Palestine against the non-sectarian anti-Nazi League libel matter. (97-1076-42).

A letter to the Bureau dated 9/12/47 reflected that FREEDMAN claimed that representative SABATH was sending out franked letters calling FREEDMAN a foreign agent. In this letter FREEDMAN was considered to be violently anti-Zionist, unstable, but any information he voluntarily furnished was accepted. (100-15231-160).

Memo, SAC
NY 105-1066

On 11/8/50 FREEDMAN personally advised SA [redacted] that he was the founder and one man member of the League for Peace With Justice in Palestine, claiming he was a rabid anti-Zionist and had been so for the previous five years. He confidentially advised that he had recently furnished CONDE MCGINLEY, editor of "Common Sense", Union, N.J., with enough money to publish 55,000 copies of the publication. He claimed to be well acquainted with SAC SCHEIDT and Cardinal SPELLMAN and to have furnished a great deal of information to the FBI over the previous five years. (105-0-1205).

On 3/14/51 FREEDMAN directed a letter to SAC SCHEIDT offering his services in whatever way he could assist this office to obtain any information desired. (62-0-34795).

By memo dated 12/5/50, NY file 62-10641, SAC SCHEIDT set forth the telephone call from Mr. ROSEN, of the Bureau, who advised that FULTON LEWIS, JR., had come into possession of an affidavit by BENJAMIN H. FREEDMAN covering a conversation with [redacted] a member of the CP, to the effect that [redacted] attended meetings of the John Reed CP group in the area of 6th Ave. around 8th or 9th St. on numerous occasions. [redacted] identified a picture of [redacted] who had recently [redacted]

b6
b7C

[redacted] "Science and Society", a Communist cultural organization. FREEDMAN resided at 300 Central Park W., NYC.

The file reflected that FREEDMAN was interviewed on 12/5/50 but declined to furnish any information at that time concerning [redacted] but on December 12, 1950 he was interviewed at the NYO and stated that [redacted] told him he had no information concerning [redacted] in the [redacted] group and typed a statement to that effect, a photostatic copy of which was furnished by FREEDMAN to the agents.

[redacted] of the Bureau advised ASAC WHELAN on 12/11/50 that the Director recalled WALTER WINCHELL had been sued by FREEDMAN at one time; however, the files did not reflect this information and the records of the "New York Times" contained no information of this suit.

Memo, SAC
NY 105-1066

The "Washington Post" of 1/19/51 editorialized that FREEDMAN told his story concerning [redacted] probably as he told it in "Common Sense" and in a news publication of his own, "No the Truth."

Information received by WFO from USA GEORGE MORRIS FAY revealed that in the testimony of FREEDMAN before the Senate Armed Services Committee he mentioned he was prepared to spend approximately \$7,000 for the printing of 50,000 copies of the 11/1/50 issue of "Common Sense." However, only 25,000 copies were printed. This magazine, according to the testimony, was published by CONDE MCGINLEY, 2001 Pleasant Parkway, Union, N.J.

✓ MCGINLEY was interviewed in this case and advised that FREEDMAN contacted him in the matter in 1948 and loaned him \$7,000 or \$7,500 which has never been repaid. In 1948 two issues of "Common Sense" were published as regular issues but were comprised solely of FREEDMAN's writings. ✓ MCGINLEY declared that the first appeared in October, 1948 and dealt with Zionism. ✓ In 1949 FREEDMAN did not purchase any issues but in 1950 he loaned MCGINLEY approximately \$11,000 and paid for the printing of 3 full issues of "Common Sense", which contained only FREEDMAN's writings. Mr. MCGINLEY stated the first of such issues was published during the first three months of 1950 and contained a picture of WALTER WINCHELL on the first page. ✓ The second issue concerned the "Yiddish Zionists Plot Defeat of US by USSR." The third issue of 50,000 copies in November, 1950 dealt with [redacted]
[redacted]

b6
b7c

MCGINLEY stated that copies of "Common Sense" were sent to each subscriber and FREEDMAN sent the remaining copies through a mail service. He advised that just before Christmas of 1950 FREEDMAN started to print another issue of "Common Sense" explaining FREEDMAN's activities in regard to the charges which had been brought against [redacted]
[redacted]

MCGINLEY was not willing to permit this issue to go out as written since it contained material reflecting on FULTON LEWIS, JR., and seized about 20,000 copies of this issue which were all that were printed. ✓ At that time MCGINLEY

Memo, SAC
NY 105-1066

declared FREEDMAN then had the material published in January, 1951 as "No the Truth." According to MCGINLEY, FREEDMAN furnished no financial assistance or actively engaged with "Common Sense" after Christmas of 1950 up to the time of the interview, 3/16/51.

b6

forwarded a letter dated 2/26/52 he received from BENJAMIN HARRISON FREEDMAN, Internation Public Relations, 745 5th Ave., NYC, Plaza 3-1060, which stated that the security of the US depended on assistance of 400,000,000 Moslems occupying strategic points next to the Soviet Union. FREEDMAN asked for 30 minutes of the addresses time in order to discuss the situation. (100-26562-5).

The current Manhattan telephone directory reflects FREEDMAN to be at the above address but no telephone is listed for him in a residence in Manhattan.

NY 105-1066 on "Common Sense" was not available for review at this time.

Gentlemen:

I received the enclosed envelope through the mails today. I do not know if it may be of any interest to you. I do not recognize the handrighting on the envelope, nor do I know anyone who may reside or have a business residence in the number 17 zone of New York City.

I have scanned through the paper and found a great deal of misleading information. That is the reason I thought you might be interested in it. Another reason is that some time ago, someone close to me received a similar publication which she discarded with no further thought. She was censured by the local police for doing so, and advised that the proper action would have been to forward the paper to the local FBI office.

I am at a total loss in trying to guess who might have sent me the enclosed paper, but if it should by chance be of interest to you, I will be very happy to help in any way I can.

(H) "COMMON SENSE," FORMERLY "THINK WEEKLY" CONDE J. MCGINLEY,
EDITOR INTERNAL SECURITY - X -- Numerous inquiries have been received
by the Newark Office from other offices advising of complaints
received regarding the newspaper "Common Sense," which is being
sent through the mail to the complainants. It was reported in
November, 1953, by a reliable informant of the Newark Office that

b7D

In view of the above, a brief summary of McGinley's
background as well as that of "Common Sense" is being set forth
below for your information.

✓ Conde J. McGinley has been described by a reliable informant
as being sympathetic with Germany during World War II because
Germany was fighting Communism and because he felt that portion of
Nazi philosophy directed against the Jews was a correct one. The
informant stated that McGinley and his associates are violently
anti-Semitic, that they consider themselves "Nationalist," and that
they are dedicated to the "saving of America from the invisible
government or world government of Zionism."

McGinley started publishing "Think Weekly" in July, 1946.
This newspaper was reported to be dedicated to the fight against
the Communist threat to Christianity. Later in 1946, McGinley
changed the title of his newspaper to "Common Sense." A review of
the articles appearing in "Common Sense" reflects this newspaper to
be anti-Semitic and anti-Communist.

In December, 1946, McGinley organized a group in New Jersey
for the purpose of aiding in the distribution and sale of his news-
paper. This group, which was then known as the Loyal American Group,
became affiliated in September, 1949, with the Nationalist Action
League headed by Henry McFarland of Philadelphia, Pennsylvania. The
informant reported that this merger was short-lived either because
of a misunderstanding between McGinley and McFarland or because
McGinley learned that the Nationalist Action League had been cited
as a Fascist organization by the Attorney General pursuant to
Executive Order 9835. It is noted that the Nationalist Action League
was re-cited by the Attorney General pursuant to Executive Order
10450.

The informant has advised that

Upon receipt last week of the

Have no idea as to how my

The name as it appears is incorrect
(R. G. instead of H. R.). In the past
two organizations have sent me
mail addressed in such a manner -

I am a member, and the New York

Dear Sirs -

Enclosed you will find a sheet of printed matter which came to me in this morning's mail, and included, the envelope which it came in. I called your office this afternoon about 5³⁰ and reported this to you. Your agent asked me to go to your dept at 280 Bway. The notations of your address on the back of the envelope are my own which I jotted down while talking to your agent over the phone.

This printed matter was mailed to my old address in Hempstead. I moved from there in June to my present address.

The contents of this literature look to me like an attempt to incite a pack of trouble makers of people. I hope it will be of some use to you.

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES --- THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT --- FEW EVER ELECTED --- THOUSANDS MORE ON THEIR WAY

I. YOU WILL BE SHOT

II. OR AT BEST CONFINED TO THE CONCENTRATION CAMPS they have built for you at Avon Park, Fla.; Allenwood, Pa.; Florence, Ariz.; Tula Lake, Cal.; and El Reno, Okla.

III. UNLESS YOU AGREE AT ONCE to stop this plot which has been steadily progressing for many years, especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings which will bring the human race to ruin.

IV. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

V. Rather than endure the fear that would come their way, many members of Congress are willing to sell their own future generation into slavery. Spineless creatures engrossed with the egotism of the

met at Basle, Switzerland, in 1905 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

XVI. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of no original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

XVII. The Russian revolution was financed by Jews, Inc.

XVIII. Otto Kahn & Paul Warburg, of the U. S. & Germany, New York bankers. They financed 45 million dollars and trained 27 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 in direct the overthrow of the government and set up the present Communist government of U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the Ger-

man Chancellor, Von Bethman-Hollweg (Jew). Trotsky and Lenin were the leaders. All attempted assassinations and assassinations of Czar were carried out by Jews.

XIX. BERNARD BARUCH gave \$50,000 to WOODROW WILSON's campaign.

XX. The Jews have been produced by us for the goyim (gentile) by no other means than the withdrawal of money from circulation.

XXI. This was written in 1905 and referred to the panic of 1907 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal.

XXII. The Federal Reserve "Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panic of 1907 (which occurred in a year of general prosperity) was caused in the same way and the details are similarly documented.

XXIII. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (in line with the Protocols plot). Without such loans there would have been no war as neither side could afford war. The Jews wanted war in order to have the Gentile destroy Gentile, and to bring on world chaos and to

use population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish father-in-law of STALIN, is the head man of the Soviet Union behind the scenes.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

XXIV. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LOUIS STRAUSS (of Kahn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, EISENSTEIN, and the rest of their Jewish conspirators.

XXV. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and the United States. The crisis is their

BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER, on BARUCH'S advice, opposes the BRICKER amendment to our Constitution can be set aside and world government set up, and the White Race destroyed.

XXXVI. Jew EISENSTEIN caused the Atomic Energy Director, KLAUS FUCHS, to be released from jail in Canada and brought to the U. S., where he acted as the world's leading atomic energy spy. EISENSTEIN was a strong supporter of Stalin. JULIUS and ETHEL ROSENBERG, EISENSTEIN's sister and brother-in-law, advised all witnesses to refuse to answer questions before Congressional committees.

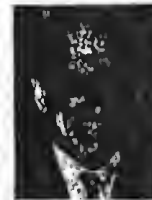

XXXVII. Jewish international bankers forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN followed the Jewish instructions. The Jewish international bankers promoting Communism in accordance with the

They are presiding over the dis-

struction of the world.

Jewish plan to control the world as outlined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supplies of money, they can buy anything

olution of the white race.

VI. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all reach it not. Thus the internal enemy has a free and untrammelled field in which he is moving rapidly forward to the climax.

VII. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could thus be aroused, and once aroused, would give them its support, and masses of individuals could not take place when a goodly number act simultaneously.

VIII. Communism is a Jewish world mastery plot.

IX. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

X. The Jews consider this their destiny as "the chosen people".

ROTHSCHILD, KUPIN, LOEB, and LEHMAN, etc.

XIX. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographical dispersal of twelve to represent decentralization just bring window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

XX. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold in the Federal Reserve Banks, financed by deposits of commercial banks throughout the country—YOUR MONEY. The U. S. government

BARRICH spent 10 billion dollars of allied money, giving his own companies the choice of contracts, on which he also could fix prices, and made himself a multi-millionaire by fleecing the people of the United States.

XXIV. BARRICH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents". He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has fostered on America. In their plot, BARRICH spent \$10,000 to bring the Communist church burgers back from Spain where they burned religious leaders alive after covering them with kerosene. (Time

XXXI. Why does EISENHOWER now appoint LEWIS L. STRAUSS Jewish KKKKK banker, as Chairman of the U. S. Atomic Energy Commission?

XXXII. Why did Eisenhower appoint Jewish Austrian-born Professor ARTHUR F. BURNHILL his Economic Adviser? (The Protocols say the Jews must occupy the positions of economic advisers).

XXXIII. Why did EISENHOWER appoint Jewish FRED A. HENNOCK Federal Communications Commissioner, and Jew SAMUEL B. GRONER her assistant? The Protocols say they must control all communications.

XI. To accomplish this they create wars, revolutions, and depression in order to seize the power during the resulting chaos.

XII. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

XIII. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

XIV. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

XV. The International Jewish Council

pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 14 1/2 million dollars a day. Today, 1964, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

XXI. The Congress "abducted" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the rediscount rate (a deliberate act) in 1921 and 1929, they brought on the depression. (The Jewish plan—see the Protocols).

Protocol XX, 20. "Economic

Magazine, Jan. 2, 1939)

XXV. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

XXVI. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

XXVII. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries—Poland, Rungary, Czechoslovakia, Rumania, China (Szechuan, Latvia and Lithuania have been digested by the Communist Jews)—with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and milk costs while the Gen-

hired 10,000 people for the Manhattan (Atomic Energy) project. (The New Yorker, September 15, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writing in the New York Mirror November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today we are in for a long pull. . . I would not dare estimate how long. Nobody would believe me that it's going to last a good many years." ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to assemble the Red network she set up if America does not pass out before Senator McCarthy is trying.

XXXV. She was backed by BERNARD

SIDNEY JAMES WEINBERG, Wall St investment banker of GOLDMAN, SA & COMPANY. It is clear that Eisenhower's cabinet was handpicked WEINBERG's man. General LU CLAY, whom WEINBERG made Chair of Continental Bank, Jew WEINBERG BARRICH rule EISENHOWER, the definite.

XL. While focusing our attention on enemy from without, the enemy within has captured the United S government. The power passed from people to the state about twenty ago. No longer are the three divisions government, Legislative, Executive, and of equal power as was intended by founding fathers.

XLI. Only the form of a Republic is retained, deceiving the people into believing they have a Republic. They have an local level only, not on a national level.

The origin of the name CHRISTIAN EDUCATIONAL ASSOCIATION is not known to Newark Confidential Informant [redacted] who has furnished reliable information in the past [redacted]

[redacted] The informant believes that the name, which is a new one, has probably been adopted by MC GINLEY to avoid further legal entanglements which have beset him in the past as a result of the publication of "Common Sense", which was owned, edited and published by MC GINLEY.

On September 27, 1954, Newark [redacted] furnished information indicating that [redacted]

b2
b7D

[redacted] The informant also advised that MC GINLEY had published a leaflet which was an appeal for funds to support the publication "Common Sense" and which was identified at the end of the leaflet as having been issued by the CHRISTIAN EDUCATIONAL ASSOCIATION OF NEW JERSEY.

A leaflet in the form of a letter, captioned "Fight Or Enslavement", issued by the CHRISTIAN EDUCATIONAL ASSOCIATION--publishers of "Common Sense"--described MC GINLEY's fight against Jewish organizations who were attempting to drive him out of the publishing business. This leaflet was received in the mail by the Newark Office in an envelope postmarked October 2, 1954, bearing the return address Box 807, Union, New Jersey. This is the Post Office Box maintained by CONDE J. MC GINLEY for "Common Sense." A return envelope enclosed with the letter was addressed to "Common Sense", "The Anti-Communist Newspaper, Union, New Jersey."

Recent copies of "Common Sense" have been mailed in a white envelope bearing the return address CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey.

In the September, 1954 issue of "Common Sense", Number 214, there is set forth a statement of ownership and management of "Common Sense", published semi-monthly at Union, New Jersey. In this statement there appears the following paragraph:

"The name and address of the publisher is Christian Educational Association, 530 Chestnut Street, Union, New Jersey. The owner is: Christian Educational Association, 530 Chestnut Street, Union, New Jersey: stockholders, Conde McGinley, [redacted] 530 Chestnut Street, Union, New Jersey. The known bondholders, mortgagees and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages or other securities are: none. Signed, Conde J. McGinley."

The newspaper continues to print its identification as "Common Sense, Union, New Jersey; Conde McGinley, editor, address 530 Chestnut Street, Union, New Jersey.

Previous statement of ownership appearing in Issue #193, September 15, 1953 was as follows:

(1) The name and address of the publisher and editor is CONDE MC GINLEY, 530 Chestnut Street, Union, New Jersey;

(2) The owner is CONDE MC GINLEY, 530 Chestnut Street, Union, New Jersey;

(3) The known bondholders, mortgagees and other security holders owning or holding 1 percent or more of the total amount of bonds, mortgages or other securities are: None. Signed, CONDE MC GINLEY, Publisher.

This statement was sworn to before a Notary Public, October 1, 1953, in the State of New Jersey, in the County of Union, as required by law.

✓ MC GINLEY was born October 13, 1890 in Norman, Texas. He resided there until 1930 when he moved to Dallas, Texas. In the late 1920's he moved to the New Jersey Seashore resort town of Belmar, where he assisted his wife in the establishment and operation of a small chain of curb restaurants known as Celia Browns. The restaurants operated successfully during the early 1930's up to 1941. Following 1941, MC GINLEY and his wife suffered a series of failures.

During World War II, MC GINLEY was employed as an inspector at the Elastic Stop Nut Corporation of America, Union, New Jersey, where he was considered to have been a hard worker, patriotic, and with a son in the United States Marine Corps.

According to Newark [redacted] MC GINLEY and his associates were in no way un-American or anti-American but were sympathetic with Germany during the war on the grounds that the Germans were fighting Communism and that portion of Nazi philosophy which dictated the extermination of all Jews was a correct one. The informant reported that MC GINLEY and his associates were, and, has reported, they continue to be, violently anti-Semitic. MC GINLEY and his associates consider themselves Nationalists in that they are dedicated to the "saving of America from the invisible government, world Zionism." MC GINLEY and his associates, according to the informant, consider Communism as but a part of the plot of Zionism for world government and the defeat of Christianity.

CONDE MC GINLEY has been editor and publisher of what he considers to be an anti-Communist newspaper since July, 1946. He launched his crusade against world Zionism with a modest publication known as "Think Weekly." His first paper was dedicated to the fight against the Communist threat to Christianity. Shortly after the appearance of "Think Weekly", the publication's name was changed to "Common Sense". The size

ACTIVITIES

According to the informant, the CHRISTIAN EDUCATIONAL ASSOCIATION has issued several leaflets appealing for support of the publication "Common Sense." It has also issued a leaflet captioned, "These Marxist Systems; Stalin Communism or Trotsky Communism?" The leaflet indicates that "Jews set up Communism in Russia during 1917, financed mainly from New York, and supported it for 35 years. No Jewish leader dares try to refute this. During this period the Zionists were protected in Russia."

This leaflet indicates "If Washington thinks and acts as the Jews want it to then Washington has become a Jewish government and is no longer an American Government. What do we mean by Washington? We mean our administration and our elected senators and congressmen. They can and will stop Communism if we elect strong Christian men. It is necessary for every good American to take an interest in seeing that the pro-American Americans are nominated on both tickets in primary elections, for if the organized Marxists succeed in placing their men on both tickets at the election it makes little difference who is elected."

"COMMON SENSE"

The publication "Common Sense", "The Nation's Anti-Communist Newspaper", first appeared in the summer of 1946. Its theme was Christianity against Communism. A review of articles appearing in the early editions of the newspaper reflect that Communists were invariably referred to as "Zionist Marxists."

In the early editions MC GINLEY's fear of the United States being taken over by the world government of the Zionists was veiled. Recently the paper has been openly anti-Jewish.

A sampling of article headlines appearing in the publication "Common Sense" during the past year is being set forth:

Issue No. 193	9/15/53	"The Jewish Peril of the Catholic Church" As Revealed By the Catholic Gazette (London, England). "Jews Beat Drums of Victory Before Battle Commences." An ad for the Protocols of the learned elders of Zion translated from the Russian by VICTOR E. MARSDEN was advertised for sale through "Common Sense" under the heading, "We Dare You to Read the Protocols."
Issue No. 195	10/15/53	"Jews Defy UN and Get U.S. Dollar." "Who Owns the Jews?", by Henry H. Klein (Attorney and former Jew.)
Issue No. 197	11/30/53	Ad for publication "Why Testify-- American Invisible Government Unmasked", available through "Common Sense", author ROBERT E. EDMONDSON.

NK 105-1910

January 9, 1955 meeting held at the Columbia Hall, which is mentioned as being under the auspices of AMERICANS AGAINST COMMUNISM. The meeting was to feature a talk by ELIZABETH DILLING, who, according to the paper, "Common Sense", is the Dean of Anti-Communists. In this notice of the meeting there appears the following announcement:

"Mrs. DILLING will be on the East Coast during January and February. Anyone wishing to arrange for Mrs. DILLING to talk in their locality may communicate with her, Box 659, Chicago 90, Illinois, or care of CHRISTIAN EDUCATIONAL ASSOCIATION."

In the same issue there appears the following item which supports the claimed editorial policy of CONDE MC GINLEY in the publication of "Common Sense."

"Are we a hate group? Yes--we hate Communism sufficient to cause us to oppose those who cleverly promote it regardless of who they are or how they squirm or protest. Watch for the next issue of 'Common Sense' in which we will expose the Marxist plot to use the Un-American Activities Committee to smear Christian Americans who oppose Communism. In the meantime we thank our enemies for this flood of new subscribers."

[REDACTED] CIO Agent, residing at [REDACTED] brought to Reading and gave to writer a manila envelope, 9 1/2" X 6 1/2". Envelope has a metal clasp which was fastened, but it was unsealed. It bore no return address or postage, but is addressed to "D.G. BANIFORD MILLING CO., 101 Prospect St., Midway, Pa. - Washington County "

Envelope contains an undated reprint from the Aryan Sun Work Shop and the Broom, San Diego, Cal., entitled " U.S.A. Already A Communist Nation, a copy of the October, 1959 newspaper "Sun Work Shop" (Vol. 25, Number 38) and the October 1, 1959 issue of "Common Sense" (Issue # 330). b6 b7C

The copy of the Sun Work Shop is marked in the upper left corner in what appears to be handwriting (red ink) " Cancer is curable. Please read this paper carefully." This issue of the Sun Work Shop is devoted primarily to a denunciation of " Organized Medicine" and the California Pure Food and Drug laws.

[REDACTED] stated that the envelope and its contents were given to him yesterday by [REDACTED] clerk in the Shoemakersville Post Office, who also told him that similar envelopes bearing ~~the~~ similar appearing handwritten addresses were sent to the following:Figley & Sons Feed Mill, Burgettstown, Pa. Dear Sir:

The enclosed news sheets were dropped through an open window of my car. The nature of the content was very distressing to me for I am confident, without proof, that so called facts are misguided or purposefully disruptive and may be communistically inspired. I am sending the material to you in the hope that it may be useful in making and keeping the country strong.

My car was parked in a residential section of Plymouth Pa. opposite my residence May 31st)

Sincerely yours,

Dear Sir,

Enclosed you will find
copies of a paper that we
have been receiving through
the mail for some time.
We have never subscribed
to it or even heard of it.

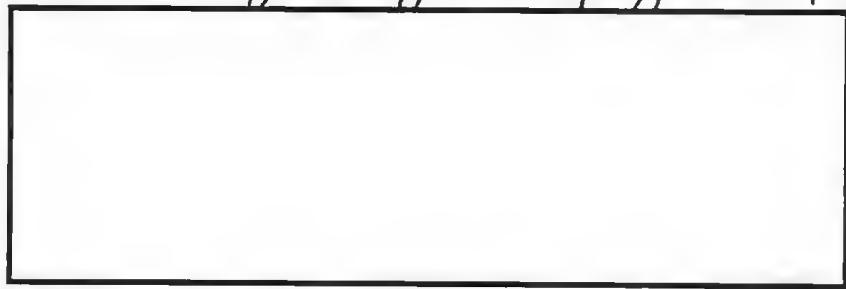

The reason for my
suspicion is that they call
themselves a Christian pub-
lication. Since I am a
member of a Methodist
Church and a student of
Christianity, I know that
Christians don't operate

this way. They criticize but
their criticism is constructive,
it doesn't tear down. I have
thought for some time that
it may bear looking into.

Please forgive me if I
have taken your time with
a foolish bunch. Somehow
we had the feeling that in
back of it all, it could be
communist.

Thanks you for your attention
to the above.

Respectfully yours,

Attention: Mr. J. Edgar Hoover

Dear Sir:

On July 13th, I forwarded literature for your evaluation. I did not know from what mailing list my name was taken and was not able to offer any assistance in that line, however felt the matter should be brought to your attention for the record.

At this time, an apology is in line as in the haste of daily business, the letter inadvertently was made out to the attention of Herbert Hoover.

Very truly yours,

Gentleman:

I was shocked indeed as were many other Philadelphia readers of the New York Times to find copies of a hate sheet enclosed along with the New York Times issue of September 20, 1962.

Although I am not of the Jewish Faith, I feel that it is a disgrace that irresponsible persons under the guise of Patriotism should vilify all Jewish people at a time when all Americans regardless of their faiths should be united against any foreign foe instead of disunited by dangerous extremists.

b6
b7C

Not only have Jewish people have been slandered, but even a great many outstanding non - Jewish people like former President Franklin D. Roosevelt, Harry S. Truman and Dwight D. Eisenhower have been caluminated, also.

I am enclosing a copy of the scurrilous sheet and am sending another copy of it to the circulation Dept. of the New York Times who should investigate the source of this material which is supposed to be the "Christian Educational Association, 530 Chestnut Street, Union, N.J. It is neither Christian nor American to stigmatize all Jewish people.

I sincerely hope that you will give this matter your prompt attention.

Very truly yours

RACIAL MATTERS

On 11/7/62, [REDACTED] telephonically recontacted this office about a group of young males in Willow Grove, Pa., who were protesting the opening of the Fighting American Nationalists Headquarters in Willow Grove. He stated that during the morning of 11/7/62 he was in the office of the FAN and all of the windows were broken by this "gang." On this window were displayed pieces of literature protesting against GUS HALL and the Communist Party. He claims that he went to [REDACTED] but the Police could do nothing inasmuch as [REDACTED] did not see exactly who broke the windows. He went into a barange about not receiving the proper Police protection and stated that if the windows of a Jewish Synagogue were broken the Police would take action. He claims that he told [REDACTED] that he and the other members of FAN were going to distribute literature on Forrest Avenue and Abbeyville Avenue, both in Willow Grove, Pa., during the afternoon of 11/7/62. [REDACTED] supposedly told [REDACTED] that they could not hand this literature out because it is not in good taste and it is not American and that if they did attempt to distribute this literature he would arrest them for disorderly conduct.

[REDACTED] went into another barange about his rights to protest against Communism and "Communism's branch in Israel called Zionism." He compared this to the "treatment" Commander LINCOLN ROCKWELL of the American Nazi Party received in Philadelphia recently when he protested against Communism. He claims that he firmly believes in everything that the Commander stands for. He stated that he has quit the American Nazi Party White Youth Corps and is now a member of the Fighting American Nationalists and [REDACTED]. He stated that the FAN is not asking for trouble, all they want to do is to let the people know of Communism and Zionism. If the people of Willow Grove don't like this, they will have to move as FAN is going to continue their protest.

Will Yarmolinsky Take Over FBI? THERE HAVE BEEN STRONG RUMORS

One purpose of this issue is to prevent it. Yarmolinsky has a red record starting back in Harvard. Pictured on this page is the editorial staff of the "YARDLING," the Harvard Marxist Publication. Harvard graduates have told us this was regarded as a communist publication. Note ten of the fourteen are Jews.

HEADED FUND FOR THE REPUBLIC

After Harvard, Yarmolinsky was pushed up the ladder by the left wing. For ten years he was head of the Fund for the Republic in Washington and later became National Secretary.

When Kennedy was elected, he picked most of the appointments. Then Yarmolinsky was placed in the Defense Department where he muzzled the officers' speeches.

It is now known he wrote the article introduced by Senator Fulbright to disarm the United States and render us helpless.

FAMILY BACKGROUND NOT GOOD

His father, a Russian Jew, has written left wing books and is now in the New York Public Library. His mother, Babette Deutsch, is an aggressive demonstrator on the streets of New York. Her name is second on the list of International Sponsors for the General Strike for Peace. Both his parents are extremely active in the many communist fronts to which they belong.

REDS AT WORK

The wrecking crew is active again. The Federal Bureau of Investigation consisting of some 6000 agents is to be destroyed. For years the left marxist liberal forces have planned on destroying the House Committee on Un-American Activities and the FBI. They set up a special organization for destroying the HCUA and have used every method without success, but these wreckers are still at it. On January 2, four organizations plan on meeting in Washington to demonstrate and demand that Congress not vote to support the HCUA for 1963.

Among the organizations involved in this wrecking job on the House Committee on Un-American Activities are: For A More Effective Congress, The Emergency Civil Liberties Committee, The American Jewish Congress, The Anti-Defamation League and the Americans for Democratic Action. A few weeks ago W. H. Ferry vice president for the Fund for the Republic attacked the FBI. Remember that Adam Yarmolinsky was head of the Fund for the Republic in Washington for ten years.

A SPY IN THE FBI

For years the FBI has had their agents inside the Communist Party and now the enemy has placed at least one spy in the FBI. Jack Levine, a New York lawyer, joined the FBI, and after a year, resigned on August 4, 1961.

Just which organizations are guilty of placing him there is not known yet, but, apparently, it is the Communist Party or the Americans for Democratic Action or a combination of those mentioned above. While Levine was in the FBI, he made day-to-day records of everything he could see and hear

Adam Yarmolinsky

Pictured in 1943 when he was editor of the Harvard Marxist publication "YARDLING."

and was busy continually asking questions. Levine now comes out with a smear which covers every bureau and activity, always being careful to give the most distorted picture of every move he could observe using figures, dates and names.

HOOVER SMEARED

J. Edgar Hoover, himself, could never give a detailed report such as Levine gave on New York Radio Station WBAI 99.5 FM on October 18 at 8 p.m. in a two and one-half hour attack. This smear had been submitted to news agencies and leading newspapers who refused it. However, it appears this attack will be carried on by

leftist organizations. Indications are that this is a methodical plot to destroy the FBI or to drive J. Edgar Hoover out and replace him with Adam Yarmolinsky. (There have been strong rumors that Yarmolinsky, now the behind-the-scenes director of the Defense Department, is slated for Hoover's position as head of the FBI.) God forbid!

MORE SPIES?

It is a mystery how Levine had the time for any FBI work in view of the minute investigation he was making. It looks impossible unless there are more communist spies inside the FBI who were collecting data and assembling this.

Some of the main points Levine makes are that the FBI has fifteen hundred spies in the Communist Party, and he is disturbed because this is such a burden on the government that he tried to contact Kennedy on this subject apparently to have these spies removed as they have the communists jittery.

Levine says the FBI takes the position the NAACP is a communist front and integration a part of the communist conspiracy. He blasts the FBI as anti-semitic. He also stated the FBI was opposed to the liberals and the American Civil Liberties Union. He reported that a bureau official in speaking to them referred to a "greasy sheeney" and also that one FBI agent stated in his presence he was not going to shake hands with any nigger. He described the eight-hour preparations the new FBI men must go through before meeting J. Edgar Hoover, how they must be dressed, their hair groomed, that they should always have an extra handkerchief to dry the palms of their hands before shaking hands with Hoover whom he described as an egotistical little god. (Please turn to page 4).

Pictured above is the editorial board of the YARDLING, the Marxist publication for circulation among thousands of students at HARVARD. Adam Yarmolinsky, editor. Picture taken in 1943. Seated left to right: Hunt, Pekowsky, Schlefer, Yarmolinsky, Mass, Susskin, Davis. Standing: Gittler, Benson, Freedman, Sadove, Solomon, Levenson. Yarmolinsky is now Personnel Chief in Defense Department.

Investigate The State Dept.

JUST HOW RESPONSIBLE IS THE STATE DEPARTMENT?

Senator Thomas H. Kuchel
Senate Office Building
Washington 25, D. C.

Dear Senator:

There is a strong proclivity among communists, socialists, collectivists and New Frontiersmen, who are systematically destroying the traditional American way of life and planning to replace it with a one-world socialist government, to classify as "extreme" and "irresponsible" those Americans who intend to prevent this incredible treachery and protect American sovereignty, independence and freedom.

The enclosed copy of COMMON SENSE for August 1962, contains a brief but terribly revealing summary of the pattern in which our State Department, under all recent administrations and under the control of the Establishment and Council on Foreign Relations, has aided our Communist enemies, harassed, insulted and repudiated our friends and allies, protected and promoted communism and socialism all over the world, interfered criminally in the affairs of other nations, and has downgraded and all but destroyed our national sovereignty and our prestige. The list is not complete.

Ironically, the same issue of COMMON SENSE carries a letter by Assistant Secretary of State, Frederick Dutton to Senator Hartke which hurls the familiar charge of "irresponsibility" at the paper. As a subscriber to the periodical, I have never found it irresponsible or, in fact, anything but factual, revealing and informative about critical events which do not reach me through the insidiously controlled American press. I have nothing but commendation and respect for its patriotic publisher who has the courage, the initiative and the ability to expose the internal enemies of this country. I support his statement that millions of people believe the State Department is irresponsible. I am one of them and have no associates who think otherwise.

Considering the charge of irresponsibility and its source, just how responsible is the State Department which has the insolence to impugn the reliability of real Americans because they dare to speak the truth?

HEADS STATE DEPT

Secretary of State, Dean Rusk

1. How responsible is an agency of the government which proposes to surrender our arms and military strength—our entire means of national defense—to a Communist inspired, Communist originated, and Communist dominated international agency in which the United States will continue to be outvoted, outmaneuvered and outwitted by its sworn enemies and their allies and dupes? Is this irresponsibility in the most fantastic sense of the word? Or is it also treason, treachery and utter madness?

2. How irresponsible is an agency which, while asking Congress for a 100 million dollar "loan" to the United Nations to pay for its crimes against Katanga, secretly gives 212 million of the taxpayers' dollars to that Communist-dominated instrument where it is quietly distributed to our enemies and the "neutrals" to reduce their delinquent assessments so they may continue in good standing to vote against our policies? Is that merely irresponsible, or is it also treasonous dishonest and deceitful?

3. How responsible is a government which promotes, supports and finances the infamous UN atrocities against the Katangans under the name of "peace-keeping"? Was that just irresponsibility, or was it the most despicable and savage violation of Christian principles and civilized human precepts ever perpetrated by American "leaders"?

4. How responsible is a government which initiates an invasion against Communist Cuba and then scuttles all chances of success by withdrawing vital support at the critical time, so that the courageous nationals who were depending upon the integrity of the United States could be slaughtered or captured like sitting ducks? What brand of responsibility was that fiasco? And what is the word for the current gutless indecision about Cuba?

Mr. Senator, the list of conspiratorial actions emanating from Washington is a long and growing one. The foregoing are simply recent and shameful examples. The obvious indictments against the State Department and those who control it are incredibly grave, and the ultimate consequences of your allowing that situation to continue will be fatal to our country and to every concept of decency, freedom and sovereignty for which it has stood since it was founded by wiser and braver men of the past.

I urge that you initiate and support to the fullest extent of your influence a thorough investigation of the State Department and those alien forces which appear to control its policies. I urge that a searching examination be made of the relationship between the State Department and the Council on Foreign Relations to fix the responsibility for our disastrous foreign policy.

Mr. Senator, it is approaching High Noon in the crescendo of conspiracy against this country and the history of its freedom. I believe that you, as a representative of the people, owe it to your God, your country, your family and yourself to take immediate and forceful action to expose and demolish the insidious treachery which is leading rapidly, now, to the destruction of this country and the civilized world. Congress is our last hope. If you fail, the world falls with you. I hope that you will accept the challenge.

Very truly yours,
Murray C. Beebe, Jr.

EUROPE LAUNCHES AN S.O.S. TO AMERICA

Republished from—

Economic Council Letter No. 533
Merwin K. Hart, President
National Economic Council, Inc.
156 Fifth Avenue, New York 10, N. Y.

From Our European Correspondent
Paris, July 25, 1962

The stage has been set for a socialist take-over in Western Europe, a take-over that could run like clockwork and within a matter of months confront us with the nucleus of a one-world, socialist government. British Labor's obstinacy has given us a breathing spell. American Labor's determination and the American public's apathy may quite likely be the West's undoing in the end. The conditioning has been going on for months. We are hearing less and less about stopping communism, nothing about rolling it back. The new jingo is "peaceful social revolution." Kennedy recently echoed it in Mexico, Harland Cleveland in Europe, and Mennen Williams in Africa.

It is that vague term, "peaceful social revolution," that America should bear in mind; for Europe's Common Market, which started out as an excellent thing, is grad-

ually, behind our backs and as we are being pushed towards it, being given a new complexion. Behind the fine-sounding label of "an economic United Nations," the Common Market, with Britain and us in it, is slated to become international free enterprise's slaughtering pen. Recent developments will furnish an idea how far the program has gone.

George Meany corralled European labor leaders in Paris last week in June to put the finishing touches to another of those innumerable "holding companies" for labor operation in the international political field that come in for no public scrutiny. This time it was the JOINT TRADE UNION ADVISORY COMMITTEE (JTUAC), formed to "advise"—lay down the law to, in laymen's English—the ORGANIZATION FOR ECONOMIC COOPERATION AND DEVELOPMENT (OECD). Mr. Meany told the boys that 25% of AFL-CIO's income goes for "overseas work," a euphemism for labor-socialism's political fight, in European countries. What right Mr. Meany or American labor has to reach out of the domain of American labor and meddle in world affairs is something a rudely awakened public is someday going to have to ask.

Meany's immediate objective abroad has never been concealed. He and Reuther want to establish wage scales identical with America's, in all industries, in all countries. To do so on United Nations level is out of

the question for the moment. The field is too big, the voracious little nations too poor. A European Common Market, dominated by and including Britain and America, offers the better solution. It is quicker, easier, and enough key Western nations would be in it to carry the rest by their own weight.

There are nuances to the reasons for desiring an international labor gang-up that would impose American wage levels all over Western Europe. For Meany and Reuther, it would force American industries that have fled abroad back into their clutches. They could never pay American wages in small countries with limited markets and exist. For European labor leaders the game is purely political. And the plan is infallible. Tipping wage scales to American standards would set prices soaring and industries crumbling. It would ruin their countries economically, but the accompanying upheaval would carry the labor leaders into power. And since they would count on remaining in power forever, any price it costs the nation is not too high.

Britain stalled the plot, by a hair's breadth, at the big international labor congress in West Berlin, the first week of July. Here is what happened.

George Woodcock, of Britain's, TRADE UNION CONGRESS (TUC), faced a solid phalanx of European unions, regimented and paid by AFL-CIO, but nominally commanded by Belgium's Walter Schevenels in the

field. Schevenels is the Belgian secretary-general of the INTERNATIONAL CONFEDERATION OF FREE TRADE UNIONS, which is manipulated largely by American labor's Irving Brown. Brown was busy lobbying for the Common Market's 5-point labor plan, Germany's Willi Brandt, and AFL-CIO's proteges in Algeria. (Brown took the latter a \$150,000 war-fund check as violence against Europeans got underway).

The demand at which Britain balked was Schevenels' insistence on the right of a central, supra-national labor organization to move laborers from one country to another and put them to work anywhere they wished within the Common Market and linguistic barriers would cease to exist.

It goes without saying that the workmen sprinkled through member countries would be exponents (agitators, would be a better word) of the political-social policies of the men doing the scattering. And since this moving of workmen from one country to another would be constant, it goes without saying that a common wage level, (American scale!) would be a prerequisite. German workers moved into some factory in Italy or France would have no intention of taking a loss.

The Britishers balked. Whatever might be said of British labor leaders, they are first and foremost Britishers. Woodcock and his delegation were all for uniting with the continental unions to create jobs for unemployed workmen in their own countries. Bringing them into Britain, with all the trouble-making possibilities the tactic entails, was another matter. The world is told that the only obstacle barring Britain's adhesion to the Common Market is the thorny problem of agricultural exports from the Commonwealth. It is not exactly true. The reprieve the Trade Union delegates gave us in West Berlin may be only temporary. The pressure being applied is terrific, with all the weight of American leadership and AFL-CIO's warchest behind it.

The most illuminating part of the whole plot, for the ordinary American, should be its cynicism—the fact that Reuther, Meany, and the foreign labor leaders lining up with them cannot help but be aware of the misery that would accompany the upheavals their plan would make inevitable. Yet they are determined to go through with it, under the label, "Peaceful social revolution," to deliver the escaped "refugees" back into the hands of Meany and Reuther and make Western Europe labor-socialist.

This is not one of those chimeras of the lunatic fringe; it is happening, as George Woodcock found out last month. And only by doing something about it is the American at home going to escape being dragged along with the landslide he himself is financing and by his silence approving. In making the above statement, your correspondent is not editorializing; he is passing on a plea that comes from the hearts of countless thinking western Europeans.

WHOSE STATUE DID YOU SAY?

By a Patriot

I see by the papers that the Government has voted to honor Gen. George C. Marshall with a statue somewhere in Washington. This is the man whose counsel so often lay athwart the best interests of the United States while he was in positions of power.

Robert Sherwood notes that at Teheran both Stalin and Voroshilov recognized the general as their friend—as, indeed, they should have, for it was Marshall who at the first Quebec Conference had plugged Stalin's plan for a diversion of Allied troops into Southern France rather than aiming them at the Balkans, that "soft underbelly of Europe," to use Churchill's rather bucolic figure. This left Stalin a free hand in Southeastern and Central Europe.

General George C. Marshall

Wedemeyer says of Marshall that he was a man corrupted by power and homage and "thus he became an easy prey to crypto-Communists, or Communist-sympathizing sycophants, who played on his vanity to accomplish their own ends."

Gen. Wedemeyer was concerned chiefly with the Far East. In 1945, Chiang Kai-shek's army, although even then beset by Red revolutionists, still occupied most of China. But by December 1949, Chiang had been driven out and China was in the hands of the Communists. "How come?"

According to John T. Flynn in The Lattimore Story, "The one central cause of this defeat was General George Marshall's demand that Chiang take the Reds into his government. When Chiang refused, General Marshall cut off all arms and supplies for Chiang."

"What shaped Marshall's fatal intrusion? That is a dark chapter which must yet be told," says Flynn. "In statecraft he was as pathetically helpless as a child. He was used. But the full story is yet to be unfolded. Yet Marshall himself declared that when Chiang refused to yield to the demands of the Communists he—Marshall—disarmed Chiang's government with a stroke of the pen."

Flynn is too easy on Marshall. "Pathetically helpless" indeed!—helpless in the face of Red advisers, perhaps, but firm and crusty with the advocates of a free world. Marshall could stand up to Sir Winston himself, "the old bulldog," defending Stalin's choice of location for a second front. And Marshall had his way.

This "pathetically helpless" man fought with Chiang Kai-shek and "told off" Gen. Albert Wedemeyer when that brash young man presumed to point out that China would surely go Red if Chiang did as Marshall told him.

When it looked as though MacArthur might actually win the Korean War, Dean Acheson stepped down for a season and the "pathetically helpless" George C. Marshall

was made Secretary of State as very likely, the only one in the country considered big enough to recommend MacArthur's dismissal.

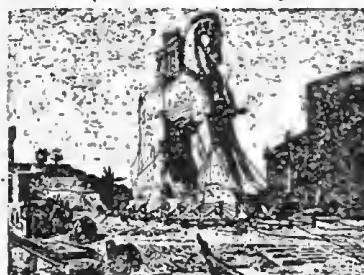

Before they have filled every niche and street-corner in Washington with marble horses and their sometimes marble headed riders, let me recommend a really inspiring American for national recognition: the red-blooded, two-fisted Gen. George Patton, who expressed himself so clearly and forcefully on the Communist menace and who, like many another with strong feelings on that subject, was not allowed many more heartbeats with which to publish them. His jeep cracked up shortly after V-E Day. But even the Germans whom he conquered revere the memory of his fairness. They worshipped his gallantry and one of the garrison settlements outside Frankfurt is now known as Pattonville.

Gen. Patton's nephew, Frederick Ayer, Jr., quotes his uncle as follows in Yankee G-Man:

"For weeks Poles, Hungarians, Czechs, Austrians and others have been coming in droves to my headquarters. They begged me to come into their countries and occupy them before the Russians got there. They told me that otherwise there would be no chance in the world for them to set up free representative governments. They said, practically on their knees, with tears in their eyes, 'Come into our country now or we are finished.'"

"We should have done what these people asked. We could, quite morally, have torn up a few damned fool agreements and gone into all those places. We could have said that we were doing it to save the lives of a lot of our allies still fighting on the Eastern front. We could have done it then, and we should do it right now. Of course it might mean a war, but I have seen what is left of their armies. They are largely horsedrawn, their air force is almost non-existent, and their munitions stocks are low. Sure it might mean a war, but the Third Army and First alone could smash them in six weeks and have very few casualties. I'm afraid that the day will come when it will take six years and cost six million American lives."

The Famous Trojan Horse of Ancient History

THERE IS A TROJAN HORSE WITHIN OUR GATES TODAY

In the semi-legendary war of the 12th century B.C., between the Greeks and and Trojans, for the recovery of the queen, Helen of Troy, the Greeks used a sly method to get into the city. They built a huge, hollow, wooden horse and placed soldiers inside it and wheeled it to the gates of Troy, saying it was an offering to their goddess. The gullible Trojans opened wide the gates and brought the wooden horse into the city. That night, the men inside the horse opened the door at the side of the horse and crept out silently. They then opened the city gates so that the whole Greek army could pour in and conquer the city.

Communism is like the Trojan horse that is secretly trying to capture our nation. Let us beware and alert to this danger, and each one do his or her duty to keep it from thriving.

Open Letter to President Kennedy

RICHARD KILBOURNE

Attorney at Law
Clinton, Louisiana
October 2, 1962

The President of the United States
The White House
Washington, D. C.

Dear Mr. President:

I am prompted to write this letter by recent events in the State of Mississippi.

The historical facts which I propose to relate are so well known that their repetition may appear to be redundant. However, the pious self-righteousness with which you and your brother, the Attorney General, have accompanied the brutal suppression of the people of the State of Mississippi has led me to the conclusion that these facts cannot be too often repeated.

The excuse for the invasion of the State of Mississippi by federal forces is a court order. The excuse for the court order is the Fourteenth Amendment of the Constitution of the United States or, more precisely, one portion of the Amendment which says:

"No state shall make or enforce any law which shall abridge the privileges or immunities of Citizens of the United States; nor shall any state deprive any person of life, liberty or property, without due process of law, nor deny any person within its jurisdiction of the equal protection of the law."

With the exception of the treatment accorded the American Indians, I doubt if there is a more shameful chapter in the history of the Republic than that which contains the history of the Fourteenth Amendment.

The history of the 14th Amendment began in the United States Congress on June 8, 1866. The Confederate States of the South had surrendered and were once more a part of the Union by having lost the war to secede. The legislatures of the several states, including those of the Southern States of Louisiana, Alabama, Virginia, South Carolina, North Carolina, Arkansas and Georgia, among others, had ratified the 13th Amendment which abolished slavery.

At this point, the firm and charitable hand of President Lincoln had been nullified by an assassin's bullet. A despotic and ruthless majority in the Congress took control of the government. By an unconscionable use of provisions in the Constitution which allow each Congress to be the judge of the qualifications of its members, this majority refused to allow the Senators and Representatives from the ten Southern States of Virginia, North Carolina, South Carolina, Georgia, Florida, Alabama, Mississippi, Louisiana, Arkansas and Texas to be seated. This was done in spite of another provision in the Constitution (Article V) which guarantees each state an equal vote in the Senate.

The purpose of this device was simple. It was to enable the rabid South-haters in Congress to secure, under color of law, the two-thirds vote necessary to submit the 14th Amendment to the legislatures of the states for ratification.

In this situation, a "rump" Congress, composed of Senators and Representatives from twenty-seven States of the Union, instead of from the thirty-seven States then in existence, passed resolutions proposing the Fourteenth Amendment.

The legislatures of the ten Southern States whose Senators and Representatives had been excluded from voting on the resolutions proposing the

14th Amendment in Congress, promptly rejected it as did the legislatures of the border States of Kentucky, Delaware and Maryland.

By the Spring of 1867, it had become apparent that the Fourteenth Amendment was doomed insofar as its passage depended upon the free will of the South. It had been rejected by the legislatures, still free, of thirteen states, leaving only twenty-four states to ratify. Inasmuch as three-fourths of thirty-seven states, or twenty-eight, were needed for ratification, a new approach was indicated in order to "move forward" with the Fourteenth Amendment.

The rabid majority in Congress was up to the task. The same "rump" Congress which had excluded the Senators and Representatives of the ten Southern States above mentioned, enacted the Reconstruction Act of March 2, 1867. Again, no senator or representative from ten of the Southern States was allowed to vote. The Reconstruction Act dealt with the ten excluded Southern States as "rebel" states and declared that no legal governments existed in them. It placed these states under military rule under domination of army officers appointed by the President. By means of the Reconstruction Act, these ten Southern States were completely deprived of all power of government.

The most amazing or, shall we say, the most "extreme" feature of the Reconstruction Act was a provision to the effect that in order for the so-called "rebel" states to regain the status of statehood of which the Reconstruction Act deprived them, each of them had to ratify the Fourteenth Amendment.

President Johnson vetoed the Reconstruction Act in an able message, stressing its harsh unjustness and its many obviously unconstitutional features. He denounced it as a "bill of attainder against nine million people at once." Nevertheless, the same ruthless and rabid "jump" Congress passed the measure over his veto.

Military rule took over in each of the ten Southern States which the Reconstruction Act had designated as "rebel." Puppet governments, under military domination, were set up in each state and, literally at the point of bayonets, these puppet governments were alleged to have ratified the Fourteenth Amendment.

The prostrate and helpless "rebel states" of the South appealed again and again for relief from the Reconstruction Act to the United States Supreme Court. Each time, that august body, so quick nowadays to protect the minority from the ravages of the majority, found excuses to avoid ruling on the constitutionality of the Reconstruction Act and the Fourteenth Amendment. It has not done so to this day.

So you see, Mr. President, the Fourteenth Amendment was conceived in hate, born in infamy and nurtured by vengeance. The tragedy in the State of Mississippi, which we are now witnessing, is only a part of the bitter fruit of the unnatural union which spawned the Fourteenth Amendment.

Blinded by hate and thirsting for vengeance upon a fallen foe, the "rump" Congress of 1866 could not have foreseen that, in less than one hundred years, their places would be taken by a despotic judiciary, abetted by a ruthless executive department, unhindered by a subservient Congress, a combination which has made it possible for powerful forces to subvert the powers guaranteed the people by the Tenth Amendment of the Constitution, under what is commonly known as States Rights, and to use these powers for their own selfish ends, all in the name of the Fourteenth Amendment.

In the climate where you live, Mr. President, I am confident that these sentiments will be regarded as "unsophisticated." I do not expect my words to influence the course which, by your lights, is necessary. I can only hope that these words may be seen by some who still believe, as I do, that might does not make right.

Respectfully,
Richard Kilbourne

YARMOLINSKY

Continued from page 1

According to Levine, Hoover forces all FBI men to buy his books and demands the names of those who refuse. Jack Levine says that in refusing he referred to the books as trash and was called in for three conferences.

He quoted Hoover as saying the Supreme Court aids communism. Levine says all FBI men who quit the service have their phones tapped and are trailed for a period of time, and this has the effect of preventing many dissatisfied men from quitting. Levine claims his phone is now tapped and that he is continually trailed.

Many good Americans in the past have been destroyed by this same kind of ruthless marxist men who are now attacking Dr. Edgar Hoover, such as Gen. Patton, Gen. MacArthur, Sen. McCarthy, Col. Lindbergh, Father Coughlin, and they are now working on Gen. Walker.

This could be the spearhead for an attack on FBI Hoover such as was loosed on Sen. McCarthy when they kept at him until they drove him into his grave.

If the Federal Bureau of Investigation is turned over to Yarmolinsky, that agency will be protecting communism in place of investigating it; all FBI agents will be withdrawn from the Communist Party and the communists will have the green light. The Left Wing has had such success in the New Frontier, they feel they can now take over the Federal Bureau of Investigation.

This runs true to form for 98% of the spies in the United States were Jews.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid-size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as Conde McGinley and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. The report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

WHO RUNS UNITED NATIONS?

In our issue 146, Sept. 1, 1951, we published a partial list of the Jews, heads of departments in the United Nations at that time. Likely they have a stronger hold on the U.N. today, remaining quiet and busy among the 4500 employees. Believing this is of interest to the subscribers since 1951, we republish.

All that is now required is for the two giant power mechanisms, one operated by American Jewry under the pale blue and white Israeli colors, and the other by Moscow, to merge into one giant "Super State."

Plans call for giving to the U.N.O. all atom, hydrogen bombs—armies—navies—air forces, for they are "too dangerous to be left in the control of any power or group of powers." Ultimately the U.N.O. Army and atom bomb force, operating from Jerusalem, will be used to stamp out any Gentile revolt. The Jewish U.N.O. will be supreme and anything which can be interpreted as "anti-Semitism" (U.N.O. Genocide Convention, drafted by the Polish Jew Professor Raphael Lemkin, now on the staff of Yale University will cover the "crime") will be punishable by prison or death.

Because the rule of the U. S. S. R., as outlined in COMMON SENSE'S issue No. 143 which listed Jews in key spots in Communist countries, so neatly interlocks with the United Nations Organization, a partial listing of Jews in the U.N.O. is now being published.

Dear Sir:

Your philosophy and practice of non-violence and passive resistance fly in the face of all human experience and history. If you were presented with the alternatives of non-violence together with debasement of the Negro people or violence together with freedom for the Negro people, which path would you choose? You, no doubt, would answer, "Fortunately, there are other alternatives." But, basically, there are not other alternatives. That is why I am writing this letter: to prove it.

Negroes were slaves in the English colonies in America and in the United States for 250 years. Force and violence kept them that way. Force and violence freed them in the Civil War (mostly the white man's force and violence and mainly in his own self-interest). Since the Civil War nothing except force and violence has kept the Negro (except a handful) in various stages of semi-slavery, peonage, wage-slavery, unemployment, illiteracy, squalor, misery and degradation.

Force and violence freed colonialist America from imperialist Britain. Force and violence freed Europe from Hitlerite fascism and Asia from Japanese fascism. Force and violence accomplished the great French, Russian and Chinese revolutions and countless other revolutions. It is the force and violence of the United States that is trying to crush the patriotic Vietnamese people (and make colonials of them—in fact, if not in name). It is force and violence that keeps southern labor unorganized and the black and white workers there exploited (the Negro workers doubly exploited).

It was the force and violence of a hundred well-armed police and posse-men that prevented a thousand Negroes in Selma, Alabama, from marching to Montgomery, Alabama, on Bloody Sunday. Think what would have happened if these 100 police and posse-men were unarmed and had no reinforcements available!

If it weren't for the force and violence of the "establishment," the "power structure" (federal, state and local), whose sole function is to perpetuate the status quo; if it weren't for the force and violence of the exploiters, who wish to continue to hold the Negro masses as an immense reservoir of cheap labor for the benefit of their personal profit; if it weren't for the force and violence of the political machines, whose sole function is to guarantee the continuance of the existing system of exploitation; (here we have a genuine Trinity, if there ever was one—three is one and one is three: "establishment," exploiters and political machines); if it weren't for these, could a handful of registrars and petty officials prevent the millions of southern Negroes from registering and voting?

If it weren't for the whips, clubs and guns of the ruling class (mostly whites) the Negro long ago would have taken what is his due from American society! Only the force and violence of the ruling class has restrained him!

It is folly to close your eyes to the decisive role played by force and violence in this world of ours. It is the indispensable and omnipresent ingredient in the relationship between oppressor and oppressed, exploiter and exploited, master and slave, imperialist and colonial, between the "haves" and the "have-nots." It is the indispensable and omnipresent ingredient in the suppression of freedom and the exploitation of people.

It follows logically, then, that freedom, in general, and freedom from exploitation, in particular, cannot be won except by the counter use of force and violence.

The Negro people will win their freedom primarily through the use of force and violence; force and violence applied at the proper times and in the proper places; in the proper quantities and against the proper people; in alliance with the proper people and under a proper leadership. This leadership must, on the one hand, believe in hitting the Negroes' enemies with all the force and violence it can muster and must, on the other hand, believe in persuading and winning over the Negroes' natural friends and allies, namely, the workers and other oppressed and exploited groups.

Respectfully yours,

(Name and address)

THE COMING RED DICTATORSHIP

ASIATIC MARXIST JEWS CONTROL ENTIRE WORLD AS LAST WORLD WAR COMMENCES. THOUSANDS OF PLOTTERS PLACED IN KEY POSITIONS BY INVISIBLE GOVERNMENT. FEW WERE EVER ELECTED.

1. The information printed here is not available from any of the regular channels of information which are controlled by our enemy.

2. Read carefully and judge for yourself about what is wrong with America.

3. UNLESS YOU ACT AT ONCE to stop this plot which has been steadily progressing for many years, and especially the last 25 years, and now has its key men in the desired positions of power, ready to pull the strings which will submerge Gentile humanity forever.

4. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

5. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless creatures engrossed with the egoism of the

might force advertising.

15. The International Jewish Council met at Basel, Switzerland, in 1870 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

16. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

17. The Russian Revolution was sponsored by Jews, Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City as the lower East Side who were shipped to Russia in 1917 to direct the overthrow of the government and set up the present Communist government at U. S. S. R. They passed through Germany (with whom we were then at war) by permission of Paul War-

burg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, Von Bethmann-Hollweg (Jew); Trotsky and Lenin were the leaders. All attempted assassinations and mas-

deliberate act) in 1925 and 1929, they brought on the depression. (The Jewish plan—see the Protocols).

Protocol XX. 22. "Economic crisis have been produced by us for the gentile (Gentile) by no other means than the withdrawal of money from circulation."

This was written in 1905 and referred to the panic of 1893 which was caused by simply and suddenly withdrawing a large amount of gold from the New York Stock Exchange and sending it to Montreal. "The Federal Reserve Conspiracy" documents the details of this operation from economic journals and from little-publicized Congressional investigations. The money panics of 1907 (which occurred in a year of general prosperity), 1921 and 1929 were caused in the same way, and the details are similarly documented.

22. THE HOUSE OF ROTHSCHILD, Jewish banking house, loaned money to both sides in World War I (to line with the Protocols plot). Without such loans there

Lithuania have been digested by the Communist Jews) — with a few Gentile stooges to front for them. Two and a half million Jews in Russia occupy nearly all government positions and live in luxury with the finest cars and drink costs while the Gentile population lives in slavery and squalor as their slaves. LAZAR KAGANOVICH, Jewish brother-in-law of STALIN was the "FELIX FRANKFURTER" of the Soviet Union.

World War III is to exhaust the nations so that they will agree to a Jewish world government. The Jew-controlled United Nations is to be the world government; the flag of the United Nations is taken from the flag of Israel and Russia.

23. The world crisis is made by BERNARD BARUCH, FELIX FRANKFURTER, LEHMAN, JAMES PAUL WARBURG, LEWIS L. STRAUSS (of Kuhn, Loeb & Co., and who was recently appointed Chairman of the U. S. Atomic Energy Commission by EISENHOWER), ROTHSCHILD estate, MORGENTHAU, ELL-

Not it's going to last a good many years. ANNA knows the plan of the Protocols. She supervised the hiring of more than a million while she was in that job. It will take ten years to unscramble the Red network she set up if America does not pass out before.

35. She was backed by BERNARD BARUCH for her position. She is a friend of EISENHOWER. BARUCH is the secret President of the United States. EISENHOWER is his mouthpiece. EISENHOWER on BARUCH'S advice, opposes the BRICKER amendment so our Constitution can be set aside and world government set up, and the White Race destroyed.

36. Jew EINSTEIN caused the Atomic Energy traitor, KLAUS FUCHS, to be released from jail in Canada and brought to the United States, where he acted as the world's leading atomic energy spy. Importance of their positions and thinking they are the all-wise mentors of the nation passing on its vital questions, whereas they are guilty of the grossest hypocrisy of all. None is making the one and all important

burg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, Von Bethmann-Hollweg (Jew); Trotsky and Lenin were the leaders. All attempted assassinations and mas-

would have been so war as neither side could afford war. But the Jews wanted war in order to have Gentile destroy Gentile, and to bring on world chaos and to seize power in the interim due to the

STERN, and the rest of their Jewish conspirators.

29. Why do Jews talk of the crisis we have with Russia? They control the governments of Russia, England, France, Israel, and

vised all witnesses to refuse to answer questions before Congressional committees.

37. Jewish international banker forces that backed EISENHOWER for President also backed STEVENSON. TRUMAN fol-

house which is the foundation of all other questions. They are providing 'over the dis- solution' of the white race.

5. Many members of Congress desire to lead a life of hypocrisy and escape the real issue, leaving it for others, who, in like manner, leave it for others, and all touch it not. Thus the internal enemy has a free and untrammelled field to which he is moving rapidly forward to the climax.

7. Needed is a simultaneous effort of a large group of Senators and Congressmen to expose this plot because there is protection in numbers. The public could then be aroused, and once aroused, would give them its support, and enough individuals could not take place when a goodly number act simultaneously.

8. Communism was set up by Jews in 1817.

9. It is the Jewish plot to enslave the Gentiles and to rule over them as kings over slaves.

10. The Jews consider this their destiny as "the chosen people."

18. BERNARD BARUCH gave \$50,000 to WOODROW WILSON'S campaign, backed by WARBURG of Kuhn, Loeb, & Company on the promise that he would obtain passage of and sign PAUL WARBURG'S "Federal Reserve Act of 1913," which he did—while placing the banking reserves of the United States under the control of the Jewish international bankers, ROTHSCHILD, KUHNS, LOEB, and LEHMAN, etc.

19. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York, which is under control of the Wall Street Jewish international bankers.

20. They collect the dividends resulting from the interest payments of the U. S. government on its bonds sold to the Federal Reserve Bank, financed by deposits of

23. WILSON put the U. S. into the war to bail out the Jewish banking interests which had elected him, and he put three Jews in complete charge of the United States—BERNARD BARUCH as head of War Industries Board, PAUL WARBURG as head of banking interests, and EUGENE MEYER who owns the leftist paper "Washington Post" and also controls Allied Chemical and Dye, head of the Liberty Loan drive. BARUCH spent 10 billion dollars of allied money, giving his own companies the choicest contracts, on which he also could fix prices and made himself a multi-millionaire by fleecing the people of the United States.

24. BARUCH has spent his life carrying out the plot of the "Protocols of the Learned Elders of Zion" while representing himself to the public as "Elder Statesman" and "Advisor to Presidents." He pretends to be a patriot by advising America what it should do for protection against war crises which he and his gang has fostered on America in their plot.

30. Why did Truman in 1945, in appointing a five-man civilian board Atomic Energy Commission, appoint four Jews as members? Chairman DAVID LILIENTHAL, then shows to be a member of two Communist fronts, yet backed by BARUCH, for the position. Other Jew members, W. W. WAYMACK, R. F. BACHER, and LEWIS L. STRAUSS.

31. Why does Eisenhower now appoint LEWIS L. STRAUSS, Jewish Kuhn Loeb banker, as chairman of the U. S. Atomic Energy Commission?

32. Why did Eisenhower appoint Jewish Austrian-born Prof. ARTHUR F. BURNS his Economic Advisor? (The Protocols say the Jews must occupy the positions of economic advisors).

33. Why did Eisenhower appoint Jewess FREDA B. HENNOCK Federal Communications Commissioner, and Jew SAMUEL

lower the Jewish instructions. The Jewish international bankers, promoting Communism in accordance with the Jewish plan to control the world as outlined in their "Protocols of the Learned Elders of Zion" have complete control of both the Democratic and Republican parties.

With their unlimited supply of money, they can buy anything. Protocol III, d. 1: "With the aid of gold—which is all to our hands—we shall create universal economic crises which will bring industry to a standstill."

Protocol IV, 4. "To give the Gentiles no time to think, their minds must be diverted—thus all nations take no note of their common foe."

38. The United States is already captured. Its government is under the control of its 11 million Jews headed by the BARUCH, FRANKFURTER, LEHMAN, MORGANTHAU, WARBURG gang.

11. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

12. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its 'Vengeance Protocol of 1492.'

13. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enmeshed all nations to them through loans. They hold the world in an economic straitjacket.

14. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not bow-low to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They

commercial banks throughout the country—YOUR MONEY. The U. S. government pays interest on its own credit and the Jewish international bankers collect it. In 1946 on a national debt of 246 billion, the interest was 14 1/2 million dollars a day. Today, 1964, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get richer while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

21. The Congress "abdicated" in 1913 when it passed the Federal Reserve Act. The Board of Governors of the Federal Reserve Banks met behind closed doors and has more power than the Congress of the United States. Said Board of Governors is not responsible to the public nor to Congress and has repeatedly shown that it is under the control of the international banker. By raising the ridiculous rate (a

BARUCH spent \$10,000 to bring the Communist church burners back from Spain where they burned religious leaders alive after covering them with kerosene. (Time Magazine, Jan. 2, 1933.)

25. World War II was forced on Germany by the Jewish international bankers who squeezed Germany financially for this purpose. Jew, SAMUEL UNTERMEYER, brought about the boycott of Germany in 1933 for this purpose.

26. World War II was for the purpose of the Jews doing to Germany what they did to Russia in World War I, causing revolution and establishing Communism.

27. World War III is being arranged by the Jews in order to bring the entire world into Communism, which is Jewish super capitalism, with the Jews controlling the government as they do now in the Soviet Union and all other Communist countries—Poland, Hungary, Czechoslovakia, Rumania, China (Estonia, Latvia and

34. ANNA M. ROSENBERG, who attended Communist front meetings according to sworn testimony by RALPH DE SOLA, hired 10,000 people for the Manhattan (Atomic Energy) project. (The New York Times, September 13, 1945). This included the spies JULIUS and ETHEL ROSENBERG, GREENGLASS, SOBEL, GOLD, KLAUS FUCHS and others. SIDNEY FIELDS, writer in the New York Mirror, November 15, 1950, describes the power ANNA had while in charge of the nation's manpower: "Tomorrow MRS. ANNA M. ROSENBERG assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. FIELDS quotes Mrs. ROSENBERG: "Today, we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me.

One hundred and sixty million American Gentiles ruled by 11 million Jews. A nation within a nation. And is the world, billions of Gentiles are ruled by 16 million world Jews.

35. DAVID SENTER, political writer for the Hearst papers, on July 6, 1953, states that the man behind the game in the EISENHOWER administration is SIDNEY JAMES WEINBERG, Wall Street investment banker of GOLDMAN, SACHS and COMPANY. It is clear that the EISENHOWER CABINET was hand-picked by WEINBERG's man, General LUCIUS CLAY, whom WEINBERG made Chairman of Continental Can. Jew WEINBERG and BARUCH rule EISENHOWER, that is definite.

40. While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years ago. (See Other Side)

40. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers.

41. Only the form of a Republic is maintained, deceiving the people into believing they have a Republic. They have none on local level only, not on a national level.

42. The Executive is all powerful. Congress is powerless. By patronage and by strategy the Executive gets his way. He can pay legislation. Congressmen submit they have no check on the astronomical budget figures they vote for, and once voted, the Executive can spend it as will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

43. The invisible Jewish government has been in control of the U.S. since F.D.R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Rumania.

44. The land in Israel is owned by the

taken to Russia to be tried, without protection of the U.S. Courts and U.S. Constitution, and trial by jury. It makes it a crime to say anything reflecting upon any race, or group, and this law the Jews want so they can proceed unhindered in their plot, and it will be criminal to accuse them.

45. Universal Military Training is for the purpose of getting the young men of America under control of the Jews for 5 year periods and with the military whiphand over them, they will be forced to study and accept Communist propaganda. Those who accept will be given the advancement and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

46. The Human Rights Convention, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation at the United Nations the right if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

we were not allowed to win the war.

Our international rights will then wipe out national rights, in the proper sense of right, and will rule the national prejudice in the civil law of States rules the relations of their subjects among themselves."

54. EISENHOWER advocated the LEHMAN inspired legislation to admit 24,000 additional immigrants annually. You will see to replace the Gentile Americans destroyed in the Korean war. Eighteen million Republican Senators sponsored this legislation which they would have voted against the previous year had TRUMAN introduced it, but now they consider they have a "Republican" President. Since the end of World War II, ACHESON let in five times as many immigrants as the law allows and 77 per cent of them were Jews. Congress stands explicit-

THE SECRET GOVERNMENT OF THE SOVIET UNION

(Translated from the Russian-written by a man who lived 25 years under Communism)

The Communist Party of the Soviet Union consists of 5½ million members. The ruling class or top level, overseers, consists of approximately 3½ million members. The other 2 million members of the Party are young Communists, or Comsomols, who do the most spying, and work for the Party among the Gentile population. The "Chosen People" have fixed the number of members in the Secret Government so as to guarantee constant vigilance and militant control over the country. To allow the party to grow larger would mean to jeopardize the control of the super-capitalists and the possibility of a weakness in administration.

~~The two million young Communists, who are more or less trainees are under constant supervision to determine whether they will graduate into a full fledged Communist ruler. Their training consists of a thorough education against Jesus Christ and his teachings, hatred for all gentiles who believe in one supernatural God, and a course in determining when a person is capable of thinking for himself. Under the supervision of their elders, the young Communists report to their Jewish masters on all infractions of regular Communist regulations. When a young Communist qualifies himself by killing Gentiles who are enemies of the state, etc., he is in line for a higher position. However, if he is one who does too much thinking for himself, then he is, in turn, under surveillance by his brother students and Jewish masters.~~

Of the 3½ million top level Communist rulers in the Soviet Union, 50% are Jewish and 50% Gentiles, many of whom had formerly been in the penal institutions under the Czar for murder, rape, arson, robbery, etc. The latter spend some of their time in quasi-Official positions executing the orders of their Jewish masters and the rest of the time spying on each other. ~~Whereas, the former spend all of their time ruling over the entire administration of the Gentile population of the Soviet Union. There is no distrust among each other and absolutely no spying for they are the "Chosen People" who alone have the right to live free, according to their Talmud. In short, the 50% Jewish faction make up the Invisible Government of the Soviet Union. The Visible Government is the 50% Gentile faction that the people see as the Russian Government.~~

Because of the Iron Curtain, the people in America naturally do not know what transpires in the Soviet Union. For those who are interested, there is always civil war with liquidations, arrests, raids, etc. However, about every four or five years there is a mass purge of the Gentile faction of the Communist party along with certain sections of the Gentile population in general. Sometimes the Jewish war lords of the Soviet Union have some grounds for their purges because of certain information, although most of the time it is done to insure the continual success of the Communist Party. If certain sections of the Party are not killing the required number of Gentiles and making the estimated number of arrests, then that section of the Party is liquidated and replaced.

~~SECRET BOARD~~

The Soviet Union is broken up into districts as another means of keeping the Gentile population under the vigilant eyes of their Jewish masters. In each and every one of these districts there is a headquarters known as the Secret Board. The location is often in the local synagogue and the members of the Secret Board all are Jewish. Into the Secret Board comes all reports and complaints on the people living within the jurisdiction of this board. Everyone from the age of 16 years has a folder in the files of the respective board and when the reports come in, their folder is picked out and a notation made accordingly. Notes are made here on the thinking ability of the individual, his character, ability to work for the state, family relations, statements made to others and general information. When the

purges come around ever so often these files supply the Party with the names of those to be liquidated. If one should do an act which is classified as a crime, then he or she is immediately sent to a concentration camp or executed according to the seriousness of the so-called crime.

CRIMES IN THE SOVIET UNION

In the Soviet Union what constitutes a crime would be considered in America as an ordinary legitimate act. For instance, if one should be working with his "own horse and it should break its leg, it is a crime; if a machine should break down while in operation, it is a crime; if one should show up late for work or take the day off because of sickness, it is a crime; if one should be caught with a bible, it is a crime; if one should know of a person who talks against the state and does not report him, even if it is a close relative, it is a crime. In other words, many things one does in the Soviet Union constitutes a crime. Special courts are set up to take care of the many cases being presented daily. The verdicts run from six months in a concentration camp to execution according to the degree of the crime. Every year new acts of the people are classified as crimes.

HOME LIFE IN THE SOVIET UNION

In the Soviet Union there is very little home life since the Jewish secret government manages to keep families broken mainly due to the fact that there are millions of men in the concentration camps and Army. In the cities there are many more women than men, and the men who are favorites and left at home in many instances cohabit with four or five women. It is not necessary for the men to support these women for the women are the ones who do the work and support themselves. Very few men are in the cities and villages where most of the work is done by women, including heavy industry and farming. Many children do not know their fathers and children often become wards of the state shortly after birth. The result of this control over the generations by the Jewish World Planners is that Christian home life is obliterated.

Integration of the White and Colored races in schools and other segments of American Society is not a move that has been perpetrated for the purposes which the American people have been led to believe. If this is not a true statement, then how can we answer the following questions?

1. *Who are the perpetrators of Integration and why is it being forced upon the American people at this time?*
2. *Why was it the present U. S. Supreme Court found it necessary to rule in favor of Integration of the White and Colored races, when previous Supreme Courts have handed down rulings to the contrary?*
3. *Why was it that the 48 states were not allowed to make decisions on this important question by state referendums?*
4. *Why are churches, schools, civic institutions and other organizations being pressured to go along with the Integration ruling?*
5. *Why did the NAACP and the American Civil Liberties Union enter into this conflict?*
6. *Why is it one-third of the life members of the NAACP are not Negroes but Jews?*
7. *Why is it most of the persons composing one-third of the Jewish membership of the NAACP have Communist affiliations, some having as many as 53 Communist affiliations?*
8. *Is it true J. Edgar Hoover, head of the F. B. I., has in his files information, that if made public, would connect our Supreme Court directly with the Communist movement?*
9. *Is Mr. Hoover under strict orders from his superiors not to make this information public?*
10. *Why has Eisenhower been so persistent in support of Integration?*
11. *Does the Negro race really want integration with the White race? Is it not true that the majority members of the Negro race prefer to have their own schools with their own teachers, their own churches with their own ministers, and their own organizations with their own leaders?*
12. *Is it not true that the forced integration of White and Colored is as much of a violation of the laws of God as the integration of the different species of animal life?*
13. *Is it true the same people who are behind the NAACP, THE AMERICAN CIVIL LIBERTIES UNION, THE AMERICAN JEWISH CONGRESS, THE B'NAI B'RITH, AMERICANS FOR DEMOCRATIC ACTION and the AMERICAN JEWISH COMMITTEE are the same people who were behind the overthrow of so many other countries?*
14. *Are these the same people that control the United States government and the U. S. Supreme Court?*
15. *Are these the same people that created and control the United Nations as another means of world conquest?*
16. *Are these the same people that control newspapers, radio, movie industry and television in the U.S.?*
17. *Are these the same people that control the Federal Reserve System and the Monetary System of the world?*
18. *Are these the same people that make up 95% of the Reds who have Communist citations as found in the Congressional reports in Washington?*
19. *Are these the same people that are behind the hundreds of programs for the "Brotherhood", "Tolerance" and "Love" hypocrisies?*
20. *Is it true that these people only make up 5% of the total population of the United States?*

If you can answer these questions correctly, then you are an informed American and it is not very likely that you willingly or unwillingly support Communism. If you cannot answer these questions, then YOU are in danger as well as your country. You are knowingly or unknowingly supporting the cause of Communism in the United States. The answer to these questions can be found in many patriotic publications. For information write to COMMON SENSE, UNION, NEW JERSEY.

(over)

True Americans awake! It's later than many think. According to authentic Zionist documents, the time table calls for America next on the Communist list. If we allow this to come upon us we will all wallow in our own sinful blood of lethargy and the neglect of Christian principles. The Zionists say they will make every Jew a king, each with 2800 Gentile slaves. There are in America an estimated ten million Jews and 150 million Gentiles. Will you allow this prediction to come true? This is a real warning. We can say "NO" at this late hour by defying through Court and Congress the forcing of Integration and the resulting mongrelization of America upon its peoples. This will throw their time-table off schedule and give us time to gather forces to fight their other aims. Right now make your first move by signing and returning the protest below against Integration. Let the slogan of every true American regarding Communism be "I PROTEST".

P R O T E S T

I, the undersigned, protest against the White and Colored integration of American society, and the filling of American public offices of trust by world Zionists and Communists or their cohorts, as an abomination against God and the Christian principles which are the cornerstones of the American republic.

Not everybody is interested in the condition of our government in Washington. A percent such as race track people, Wall Street operators, and thousands of others

Jewish front. And he, like FDR, opened the gates to them. But there is no way to discover how many of the thousands that Kennedy has hired are Zionist Jews. However, after much research we give you a

Washington. Fifty million people last year spent 4 billion dollars on the race track. Another percent of liberals and leftists turned out of the colleges and universities the last thirty years. Do not care if the Marxists run Washington; in fact, they want to help them run it. Then we have another percent, that is growing rapidly, of people who think of and are concerned with what type of people have been appointed to strategic positions.

Unfortunately, for thirty years the colleges and universities have been turning out brainwashed, watered-down Americans who have no patriotism whatever, and they are well organized into a remarkable machine. They are mainly bookworms and Fabian socialists. Many are the students of Harold Laski, the communist at the London School of Economics who for years traded seats back and forth with Felix Frankfurter in Harvard. It was at the London School of Economics, under Harold Laski, that JFK received his education.

This thing has been spreading steadily like a Black Plague until patriotism in the United States has been pushed on the back shelf. This group, hooked up with foreign interests, has brought this country to the verge of bankruptcy. That means nothing to millions of people in the United States.

That the United States has been brought

President John F. Kennedy, surrounded by non-Christians.

to its knees concerns a loyal Christian percent of the population to a point that they are almost ready to fight. When 3 percent of the population rules 97 percent with an iron hand, it is of much concern to Christian patriots. There is an organized brain cell at the back of this.

Many of this conspiracy have been in the government since FDR opened the gates wide to them. And before Kennedy was elected he realized he could not be successful unless he pledged his full cooperation to the Americans for Democratic Action, a

list here of 95 in key spots. No doubt there are three times this many, and we will be grateful to any of our readers who can name others. We know for sure that more than 40 members of the Americans for Democratic Action are in the Cabinet, and close to Kennedy. Quite a number are Rhodes scholars. Bear in mind that of the thousands that have been appointed by Kennedy, all are of the Left Wing—not one is from the Right.

Read and inform yourself; otherwise your children and grandchildren are going to live under a police state, and your descendants will curse you for leaving to them such a communist slave state.

HANS A. ADLER, Budget Bureau expert, Assistant to Deputy Atty. Gen. Meyer Feldman.

JEROME ADLERMAN, Chief Counsel of Labor Department.

NORRIS ABEAM, Special Assistant and Adviser to Peace Corps; Officer ADL, Atlanta; Rhodes scholar; member of communist-infiltrated 20th Century Fund; helped write the infamous Marshall Plan; officer of United World Federalists; a CIA official; a trustee of Institute for Advanced Studies.

Appendix 9 of the Special Committee on Un-American Activities, 1944, identifies him as President of the Chicago Chapter of the National Lawyers Guild at the time he sponsored the Chicago Conference on Race Relations, 7/22/39, a cited Communist-front operation. The National Lawyers Guild has been repeatedly cited not only as a Communist-front but as the legal arm in the United States of the Communist Party. And Goldberg was President of its chapter outside of New York City! (p. 610). He was also a sponsor of the Washington, D.C., Conference on Constitutional Liberties in America, June 7-9, 1940, a cited Communist-front enterprise which launched the National Federation for Constitutional Liberties. At the time of the holding of this Conference, the Communist Party was working under the line determined by the Stalin-Hitler pact (p. 651). He was a sponsor of the National Emergency Conference which met in Washington on May 13-14, 1939 to map plans of action against a number of bills in Congress which would require deportation of communist aliens, enforce registration, fingerprinting, and imprisonment of communists, etc. This was a cited front (page 1206).

M. L. FRANKEL, Teaching Reform.

DID KENNEDY PLACE A COMMUNIST ON THE SUPREME COURT?

ARTHUR J. GOLDBERG, appointed to the Supreme Court by Kennedy, taking up where Felix Frankfurter left off, identified in the ADL Bulletin, Jan. 1961, page 8, as a member of the Washington, D. C., Board of Directors of the Anti-Defamation

In 1956 Goldberg was a member of the administrative committee of the National Civil Liberties Clearing House of Washington, D.C., the advisory board of which included Walter P. Reuther. Its treasurer at that time was Herman Edelsberg (Jew), of the ADL; its vice-chairman included Irving Ferman (Jew), of the cited Communist-front American Civil Liberties Union and John J. Gunther (Jew) of the Americans For Democratic Action, a marxist political action organization. Representatives from the National Conference of Christians and Jews, the American Jewish Congress and the NAACP were co-members of the administrative committee with Goldberg. In 1957 Goldberg was still on the committee, along with a representative of the American Jewish Committee as Treasurer; Herman Edelsberg was Chairman and Kenneth Birkhead of the very pink American Veterans Committee was a new vice chairman. (See letterheads of NCLCH.)

In 1957 Arthur J. Goldberg was a member of the executive board of the Religion and Labor Foundation, a cited front organization which printed on the cover of their publication a picture of Christ stating that he was "wanted for Sedition, Criminal Anarchy, Vagrancy, and Conspiring to Overthrow the Established Government."

Co-members of the board with Goldberg included Communist-fronters Walter P. Reuther, James B. Carey, Henry Hitt Crane, Jerome Davis, Benjamin Mays, A. Phillip Randolph, and others. (See program for 4/24/57 Social Justice Award to Communist-fronters Herbert Lehman and Martin Luther King).

The Internal Security Subcommittee held hearings on "Interlocking Subversion in Government Departments" on May 19, 1953, Part 8, and during the testimony of one Charles Flato (pages 501-2) he swore that he had been sought out by Arthur Goldberg to do some writing assignments of pamphlets for the CIO in 1948 and 1949. He also declined to answer whether he was a member of the Communist Party during the period he worked for Goldberg.

Goldberg was a member of the board of directors of the Fund for the Republic as late as January 1961 and of the Carnegie Endowment for International Peace in 1960. There is a wealth of material on the subversive nature of both organizations. Alger Hiss was president of the latter organization.

LAST BUT NOT LEAST

ADAM YARMOLINSKY, Assistant Secretary of Defense in charge of personnel (Harvard).

Years back the communists themselves had a law passed making it hazardous to call any man a communist. They are all trained to lie and to deny this; example: Alger Hiss. Were it not for this law we would call hundreds of people communists, as we know them to be. But it is almost impossible to prove, as they are backed up by clever lawyers. Yarmolinsky's mother Babette Deutsch is working every day tied up with communist fronts; also his father.

Yarmolinsky admits that he attended several communist meetings. Many times he has attended the American Youth Congress meetings, which group has been declared by the Attorney General's office to be one of the most subversive organizations.

Yarmolinsky was chairman of a special screening committee that passed on 75 Kennedy appointments.

Salinger's Mother

The June 5, 1937 issue of the American Citizen, a northern California newspaper, reported on a planned summer camp "for the training of children in the theories and tactics of Communism." Among the members of the planning committee were communist Harry Bridges, "Fifth Amendment case," Paul Orr and Mrs. Jehanne B. Salinger, mother of Presidential Press Secretary Pierre Salinger.

Mr. J. Edgar Hoover, Director

Dear Mr. Hoover:

I am enclosing a couple of pamphlets with which you may be familiar, but I am particularly concerned with the issue #275 dated December 15th pertaining to [redacted]

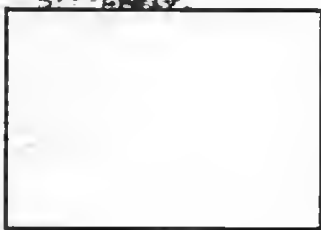

I believe that everyone has the freedom of speech, but that when one of the traitors to the nation is being extolled as a patriot as was done in the issue specified above, it may be time to take the necessary steps to squelch this sort of thing.

I am not at all certain that from a legal standpoint you would have anything to go on, but did want to bring this particular sheet to your attention inasmuch as it reminds me very strongly of some of the things I saw in Germany in the 30's just when Hitler was going into power and I am of the opinion that we are dealing here with this same sort of element.

✓ (H) "COMMON SENSE," FORMERLY "THINK WEEKLY" CONDE J. MC GINLEY,
EDITOR INTERNAL SECURITY - X -- Numerous inquiries have been received
by the Newark Office from other offices advising of complaints
received regarding the newspaper "Common Sense," which is being
sent through the mail to the complainants. It was reported in
November, 1953, by a reliable informant of the Newark Office that

b7D

In view of the above, a brief summary of McGinley's
background as well as that of "Common Sense" is being set forth
below for your information.

Conde J. McGinley has been described by a reliable informant
as being sympathetic with Germany during World War II because
Germany was fighting Communism and because he felt that portion of
Nazi philosophy directed against the Jews was a correct one. The
informant stated that McGinley and his associates are violently
anti-Semitic, that they consider themselves "Nationalist," and that
they are dedicated to the "saving of America from the invisible
government or world government of Zionism."

McGinley started publishing "Think Weekly" in July, 1946.
This newspaper was reported to be dedicated to the fight against
the Communist threat to Christianity. Later in 1946, McGinley
changed the title of his newspaper to "Common Sense." A review of
the articles appearing in "Common Sense" reflects this newspaper to
be anti-Semitic and anti-Communist.

In December, 1946, McGinley organized a group in New Jersey
for the purpose of aiding in the distribution and sale of his news-
paper. This group, which was then known as the Loyal American Group,
became affiliated in September, 1949, with the Nationalist Action
League headed by Henry McFarland of Philadelphia, Pennsylvania. The
informant reported that this merger was short-lived either because
of a misunderstanding between McGinley and McFarland or because
McGinley learned that the Nationalist Action League had been cited
as a Fascist organization by the Attorney General pursuant to
Executive Order 9835. It is noted that the Nationalist Action League
was re-cited by the Attorney General pursuant to Executive Order

[REDACTED] furnished the following information:

[REDACTED] is a complainant of unknown reliability. She advised that recently she had made a trip to Marysville, California, and she had met there a middle-aged woman named [REDACTED] of [REDACTED]. The meeting with [REDACTED] was purely social in nature, however, on March 2, 1951, [REDACTED] mailed a letter to [REDACTED] and this letter contains the following quotations:

"I am not a professional Anti-Communist - only very, very amateur. I mail literature, write occasional letters to the Paper, write Congressmen, got a petition signed for the Bricker Amendment and am now going to try to make people see that we must get out of the U.S. this year....

"We have one man though, who owns a peach orchard just out-side of town - he has had a write-up in the Paper. He doesn't own to being a member of the Communist Party, but the Paper said he had a big picture of Stalin on his wall. He went bail for one of the Commies, when they were being tried in Los Angeles. Well, before all that happened, he didn't like a letter I wrote to the Paper and he came to see me several times and tried to 'indoctrinate' me. I was such a good listener and did every-thing he told me to - that I think he thought he was doing it. He told me to read WILKIE's 'One World'. I read it. He sent me a book by the Arch Bishop of Canterbury (the Red Dean). He brought me U.S.S.R. books, showing pictures of happy smiling faces to prove how nice Russia is. When he came back, he said 'I suppose you kept those hid some-where.' I said 'no, I showed them to every-body who came in.' He looked so pleased I thought 'if you'd heard what they said about them you wouldn't be so pleased.' I can see my sister-in-law now, turning them over, with a

disgusted look on her face. He finally brought me 'The Daily Worker' and that finished me. He also told me that the Communist Party was his Church. The last time he came, I didn't ask him in but I told him he had taught me a lot - and he did."

This man is referred to later in the letter as [redacted]

The letter continues "Zionists (political not religious Jews) are the hidden brains and the money behind Communism. They have controlled our Government since ROOSEVELT's time and are backing EISENHOWER, also. I am worried that the trap is sprung - that he will be an out-and-out Dictator. We have a very active Zionist B'nai B'rith in Marysville. The B'nai B'rith's Anti-Defamation League is a spy-system and deals in intimidation, rumors, lies, black-mail, etc."

The original of this letter was furnished by [redacted] and is being retained in the Exhibit Envelope.

[redacted] also sent to [redacted] under separate cover, a collection of literature which was issued by the subject organization and by the other organizations which are listed on this page. For which copies of this memo are designated.

This literature is all of the same type, that is, it is anti-Jewish and anti-Communist. The literature is being retained in the Exhibit Envelope as a matter of future information.

One item is noted, entitled "The Coming Red Dictatorship". It is published by "Common Sense", the Nation's Anti-Communist paper, 530 Chestnut Street, Union, New Jersey. It advocates the following points:

1. Organize into a group willing to save America by simultaneous action
2. Outlaw Communism
3. Make treason during peace time a crime punishable by death

1. Outlaw the Anti-Defamation League and the American Jewish Congress

The literature includes two booklets published by the Cinema Educational Guild, Inc., and written by MYRON C. FAGAN. These are entitled "How You Can Abolish United Nations" and "U.S. or U.N. Only One Can Survive".

[] expressed the opinion that this type of literature is extremely un-American, and although she is herself anti-Communist, she believes this represents a Fascist point of view. She therefore stated she would continue her correspondence with [] and would report any further information she was able to develop concerning activities of this type.

Most of the objectives set down in the Protocols have been attained! The reader will easily discover how the creation of wars and revolutions, the utilization of communications, money and politics fall into a pre-determined scheme.

No thinking Christian can afford to ignore this "pattern for destruction" in connection with the present world situation.

Price \$1.00

"Fragebogen"
(The Questionnaire)
By ERNST VON SALOMON

Using the form of the "Fragebogen" (a questionnaire issued by the Allied Military Government to all Germans suspected of being collaborationists), the author's answers achieve a triple result -- his autobiography, a portrayal of Germany from 1902 to 1946, and a justification of his actions and those of his countrymen.

Some readers may find this astounding book shocking; others may consider it disturbing but none can deny its brilliant and stimulating presentation.

Price \$6.00

Price \$3.00

"Nation's Fifth Column"

By Sen. J.B. TENNEY

A revealing, "behind-the-scenes" expose of America's financial situation.

Price \$1.00

NK 105-1910

"Behind Communism"
By FRANK BRITTON

Complete history, with scores of revealing photos, of the development of international communism. Identifies the individuals and groups masterminding the conspiracy from the time of Lenin in 1917 to the present. Full report on espionage rings. A wealth of information dealing with the most "controversial" aspects of the attack against Christendom. This book should be read only by those with the courage to face up to reality.

Price \$1.00

"Admiral Kimmel's Story"
By HUBBARD E. KIMMEL
(Rear Admiral, USN, Ret.)

A revealing first hand account of what really happened at Pearl Harbor by the man who was left "holding the bag". Lacking sufficient oil storage tanks, planes and adequate facilities, Admiral KIMMEL was also denied the vital information which would have prevented, in part at least, the total destruction which occurred on that fateful day.

Although Washington had intercepted and decoded the Japanese message which indicated the date and time of the planned attack on Pearl Harbor, neither the Army or the Navy at Hawaii were advised.

"Admiral Kimmel's Story" provides the reader with an authentic picture of the events surrounding one of our country's greatest disasters.

"What Hitler accomplished in Europe, the National Renaissance Party shall yet accomplish in America."

IS ANNA M. ROSENBERG RED, PINK, OR YELLOW?

Committee Whitewash Of Red Anna Reveals Treason In High Places

10,000 COPIES OF SENATE COMMITTEE
HEARING BURNED. HER TESTIMONY
PROVED SHE WAS THE RED ANNA
ROSENBERG. PERMITTED TO CHANGE
TESTIMONY.

Incontestable proof exists that the appointment
and confirmation of Anna M. Rosenberg as Assis-
tant Secretary of Defense in November 1950 was
the final and most important link in the chain of
the conspiracy of the international Red "invisible
empire" to impose their Marxist (Communist) po-
litical, economic and social systems upon the Ameri-
can people. The available evidence destroys all
doubt and defies any denial.

By a form of "remote control," an art which the
Reds have developed into a highly specialized
science, the international Red "invisible empire"
exerted tremendous pressure upon the Senate Com-
mittee on Armed Services to confirm the appoint-
ment of Anna M. Rosenberg.

VOL. VI NO. 173 UNION, NEW JERSEY NOVEMBER 1, 1952 \$1.00 PER YEAR

Dulles-Front Man For Zionist Rockefeller Cabal

John Foster Dulles is regarded as the
Rockefeller Empire's dispenser of patron-
age and guardian of the subversive, pro-
Communist cell in the State Department.
The New York Times quoted Dulles on
July 25, 1950, as acknowledging to a group
of Republican Senators that he was well
aware of the existence of a group of Com-
munists in the State Department who were
working to betray China.

Alger Hiss informed the Senate Inves-
tigating Committee that his sponsor
adviser and mentor throughout his career
had been John Foster Dulles.

AN HYING CASE DROPPED

In November 10, 1952, our case came up
again for hearing before Judge William V.
Dilling in the Municipal Court of Chicago.
Once again Mr. Dilling was prepared to
argue our motion to squash the information
or discharge, brought by Ira Latimer, because
of its failure to cite in what manner I had
supposedly libeled the Jewish race and
slandered Mr. Dilling answered ready when
the case was convened. However, Assistant State's
Attorney Zemel immediately moved that
the case be stricken and dismissed from
the court roll, reserving the right to
restate the case at some future date. Mr.
Dilling immediately dismissed the case
and pronounced the case closed.

Rosenberg as Assistant Secretary of Defense

By "using the whip" on the Senate Committee on Armed Services the international "invisible empire" was able to procure a complete whitewash of Anna M. Rosenberg's fitness for the position after her fitness for this high post was challenged upon information which was deliberately concealed from the American people, and which indicated Anna M. Rosenberg as a poor security risk under existing international conditions.

The first whitewash of Anna M. Rosenberg was given to her by the Senate Committee on Armed Services under its Chairman, Senator Millard ("Whitewash") Tydings, on November 23, 1950. ("Whitewash") Tydings also will go down in history for the whitewash administered by him to Alger Hiss when the Senate Committee on Armed Services dispelled all doubt of its ability to recognize a communist spy with all the proof there on the table under Senator Millard ("Whitewash") Tydings very own nose.

The second whitewash of Anna M. Rosenberg was given to her with super-suds. This infamous whitewash will rank in history as even more rank than its predecessor. After the Alger Hiss fiasco Senator Millard ("Whitewash") Tydings lacked the nerve to officiate at the gala whitewash of Anna M. Rosenberg when the Senate Committee on Armed Services reopened the hearings to take more testimony on the fitness of Anna M. Rosenberg to fill the position of Assistant Secretary of Defense. Senator Millard ("Whitewash") Tydings did not preside as chairman when the reopened hearings were held on December 5, 7, 9, 11, 12, 13 and 14, 1950. Senator Richard Russell of Georgia was substituted as the chairman. He became pinch-hitter for Senator Tydings for obvious reasons.

The Hon. Alfred E. Smith was in the habit of saying "let's take a look at the record" when any doubt existed on any question. A "look at the record" will convince even the most skeptical illiterate in political double-talk that the appointment and confirmation of Anna M. Rosenberg to the post of Assistant Secretary of Defense in 1950 was a blow struck against the security of the nation and the survival of civilization. The "day of reckoning" may dawn in the not too distant future when the American people will understand the implications of whitewashing persons who should not be allowed in our government at all.

What is the "skeleton" in the Anna M. Rosenberg appointment? How well has Anna M. Rosenberg concealed her "skeleton"? How much longer can Anna M. Rosenberg hide her "skeleton" from the American people? Did Anna M. Rosenberg actually conceal her "skeleton" from the members of the Senate Committee on Armed Services? Did the members of the Senate Committee on Armed Services conspire to conceal Anna M. Rosenberg's "skeleton" from the American people?

The American people have a right to know "the truth, the whole truth and nothing but the truth" about the "skeletons" in Anna M. Rosenberg's "closet." The security of the nation and the survival of civilization demand that every patriot "chew to the bone and let the chips fall where they may."

On July 12, 1949 (Congressional Record, p. 9276). Dulles stated that he had attended the Paris Conference of Foreign Ministers, in company with Philip C. Jessup, as "adviser" to Dean Acheson; and that there he had discussed with Andrei Vishinsky, among others, the matter of a let-up of the "Cold War." It had been decided by them that such a let-up must not occur because it would not be wise on the ground that:

"Some fear that any relaxation of the East-West tension would bring a corresponding relaxation on the part of the American people, and therefore they needed to be artificially alarmed."

On July 15, 1949, Sen. William E. Jenner, of Indiana, was reported by the N.Y. Times 7/16/49, p. 4, col. 3) to have

"... strongly and personally challenged Sen. Foster Dulles and called upon Sen. Dulles . . . to rise and give an explanation of his remarks at the Big 4 Foreign Ministers Conference in Paris that the U.S. public be kept artificially alarmed. The suggestion was rejected, and Sen. Dulles sat silent and smiling. Dulles later told reporters that it was suggested at the conference, but would not tell who offered the suggestion. He just chuckled and made no reply."

Sen. Jenner summed up as follows:
"In other words . . . they take the position: 'Tell the American people only what you want' (Continued on Page 4)

... but evidently in view of the fact that one cannot force someone to prosecute, the Judge granted Zemel's motion. Presumably, the "leave to reinstate" provision is a device to protect Latimer and his associates from a well-deserved false arrest suit.

since the language of law has nuances of meaning which are difficult for a layman to report, I give the following interpretation by Mr. Albert Dilling:

"Such litigation (suit for false arrest) of course entails considerable expense, and it does not seem fair that such expense should be borne by the victim of this unwarranted Jewish persecution. We are convinced that this charge against her was but a 'trial balloon,' so to speak, and that, had the Jewish cabal prevailed against her, the stage would have been set for a deluge of similar actions against persons some important, others unimportant, who 'know the score' and print the truth about the Jewish conspiracy against Christian civilization."

This, then, is not a personal fight, but one for the patriotic Christian cause as a whole. Will the readers of Women's Voice support its editor with prayers and financial help, in a false arrest action such as we propose to file? Expressions from readers in this connection will be welcomed.

"As is well known, Ira Latimer has a long pro-Communist record. It may be recalled that he was barred from teaching in Chicago's public schools because of it. It would be poetic justice, should his latest victim secure a substantial judgment against him for false arrest and malicious prosecution predicated upon a complaint containing a 'malice count.' The legal effects of this would be that, should Latimer fail to pay any judgment that might be won, he could be made to languish in the common jail of Cook County for an indefinite period."

As explained by Mr. Dilling the motion by the Assistant States Attorney that the case be stricken and dismissed from the court roll means a decisive victory for us. In short after swearing out a warrant for my arrest March 3 and after 9 months of post-pouements and refusal to furnish particulars of crime, Mr. Ira Latimer confesses that he has no case against me.

I am convinced that my case was to be the first in a series of such cases against Nationalists, as well as a peg on which to hang the infamous Javits bill. My first and only consideration has been and is that my case may be a clear cut victory that can stand as a warning against any such future action. I object to the condition "right to reinstate it at some future time" which is a sword hanging over my head, and could be lowered at a moment which would harm some Nationalist. As there is no recourse except a suit for false arrest, I leave that decision to the informed Patriotic Americans.

LYRL VAN HYNING

IS ANNA ROSENBERG RED?

(Continued from Page 1)

It is better to be safe than sorry. The nation may live to find this out sooner than it expects. The nation can require Anna M. Rosenberg to divulge her fitness to hold the high post she now fills no less than it called upon Vice-President-Elect Nixon to divulge his fitness to hold the high position to which he was nominated. The sanctity of the highest positions in our government is no respecter of persons.

The American must be reminded of the facts surrounding the appointment of Anna M. Rosenberg as Assistant Secretary of Defense before analyzing the facts surrounding her confirmation by Senator Millard ("Whitewash") Tydings' Senate Committee on Armed Services. General George C. Marshall was installed as Secretary of State by Dean Acheson's "friends." General Marshall "prepared the way" for Dean Acheson to step into the position of Secretary of State. General Marshall was a "pushover" for the Reds in the State Department. They had a genuine "Roman holiday" from that day on. The story is no longer news.

General George C. Marshall was then "transferred" by the "long arm" of the international Red "invisible empire" to the Department of Defense. General Marshall was appointed Secretary of Defense. While Congress was in recess General Marshall appointed Anna M. Rosenberg Assistant Secretary of Defense. General Marshall has gone on record that he "consulted" with no one about the appointment. General Marshall has never denied that Bernard Baruch, Senator Herbert Lehman, and the Warburg clan had "expressed" themselves on the matter. This group are the most important "friends" among those who seek to install Anna M. Rosenberg in strategic spots in government. General George C. Marshall knew that he would have great difficulty in getting Congress to confirm the appointment. General Marshall waited until Congress had recessed. General Marshall made the appointment at a time when it did not require the confirmation by Congress to install Anna M. Rosenberg in office. His Commander-in-Chief taught him that trick.

Not alone was Anna M. Rosenberg "sneaked" into the high office of Assistant Secretary of Defense while Congress was in recess, but the hearings to confirm her were "executive sessions" of Senator Millard ("Whitewash") Tydings' Senate Committee on Armed Services. In the lingo of the law, "executive sessions" means sessions held in secret. In other words the "deal" was made by the "friends" of Anna M. Rosenberg to have her appointed while Congress was not sitting in Washington, and then have the friend of her husband, Senator Millard ("Whitewash") Tydings, confirm her.

Providence intervened at this point. The "friends" of Anna M. Rosenberg will battle unto the death to prevent exposure of the part they played in the appointment and confirmation of Anna M. Rosenberg as Assistant Secretary of Defense. Will they succeed? The answer to that question is in the hands of the American people.

The ramifications of the extensive conspiracy to install Anna M. Rosenberg into the important and strategic position of Assistant Secretary of Defense is convincingly illustrated by the contents of the printed record of the hearings held by the Senate Committee on Armed Services on November 29, 1950. It is essential to understanding "what goes on" in government, while John Q. Public concentrates exclusively on making more money and having more fun, to analyze and review what took place on November 29, 1950 before the Senate Committee on Armed Services, under the chairmanship of Senator Millard ("Whitewash") Tydings who presided.

The printed record of the hearings to confirm the nomination of Anna M. Rosenberg to be the Assistant Secretary of Defense has twenty-four pages. Those twenty-four pages are filled exclusively with testimony given by Anna M. Rosenberg. The only person called by the Senate Committee on Armed Services to appear before them and give testimony as to the fitness of Anna M. Rosenberg for that high post was Anna M. Rosenberg herself. Not another person was called to submit even one word on the question of Anna M. Rosenberg's fitness to step into that strategic position. It seems almost unbelievable. But that is the truth of the matter. No one but Anna M. Rosenberg was invited to appear before the Committee to testify regarding the fitness of Anna M. Rosenberg to occupy that office. Let John Q. Public try to swallow that fact, and then try to keep it down!

The printed record of that November 29, 1950 hearings, (United States Government Printing Office, Document No. 78029, Washington, 1950) is available to all who care to ask for a copy. It is better than a comic magazine. By all means write for one, they are free. There are twenty-four pages filled with "love and kisses from Anna to Anna" or "love and kisses from Anna to the committee," or visa versa. The printed record contains a telegram received by Chairman Millard ("Whitewash") Tydings from Secretary of Defense General George C. Marshall on November 29, 1950, the day the hearings were held.

In his telegram of November 29, 1950 to Chairman Tydings, General Marshall wired as follows: "I want you to know . . . I selected her for the position . . . I advised no one other than Lovett and Mrs. Rosenberg of my selection until I talked to the President on election day." General George C. Marshall issued a "release" to the newspapers on November 29, 1950. But he did not release the following:

committed, and to other Members of Congress; protesting the appointment. Yet at the secret hearing held on November 29, 1950 Senator Millard ("Whitewash") Tydings had the unadulterated nerve to state the following, "I have here, which I will be glad to place in the record, if the committee wants, three telegrams of opposition to Mrs. Rosenberg, and three letters, making six communications all told." In the official record of the hearings Senator Millard ("Whitewash") Tydings describes the "conspiracy" of certain "anti-Semites" to attempt to keep the Jewess out of the Pentagon. Senator Tydings further stated, "I have read them through, and all of the objections are on simply general grounds." Senator Tydings' etony in the White House selected the expression of "red herring" when the President of the United States was pressured into defending Alger Hiss.

After Chairman Millard ("Whitewash") Tydings and Anna M. Rosenberg had exchanged "love and kisses" for nine printed pages of testimony in the official printed record of the November 29, 1950 secret hearing the "cat got out of the bag." The Chairman referred to a letter from "Tom R. Jones, M.D. who specializes in diseases of the chest, Houston, Texas, and he says she is socialistic and a Communist sympathizer, as shown through her membership in the John Reed Club." The "lid was off" but it did not take the committee long to put the "lid" back, and as they believed, hermetically sealed-up. But the "lid" was to be blown off again with a "bang." And what an odor emitted!

In spite of the thousands of telegrams and letters pouring into the committee members suggesting that Anna M. Rosenberg might prove a serious security risk on account of her political background, the committee did not see fit in their judgment to call a single witness before the committee to testify as to Anna M. Rosenberg's political background. It is interesting to quote here from the printed record of the November 29, 1950 secret hearings, where on page 10 it states as follows:

THE CHAIRMAN. What is the John Reed Club, Mrs. Rosenberg?

MRS. ROSENBERG. I would like to answer that because Senator Cain was also good enough to give me some other complaints he had, and Mr. Fulton Lewis, Jr. on the air, mentioned that I was a member of the John Reed Club.

I didn't know what the John Reed Clubs were, but I looked up the John Reed Clubs, and they were Communist clubs.

I understand at one time, when I was up here with the Social Security Board, Congressman Engel of Michigan asked me if I knew that I had been listed by the Dies committee to belong to some Communist club. I said I had never known, and I would appreciate, if they would immediately show me the record.

Then showed me the record, and it was these

MRS. ROSENBERG. I BELIEVE SO.

THE CHAIRMAN. I mean, was her identity proven beyond doubt as being a distinct separate entity from yours?

MRS. ROSENBERG. I am quite sure it was as far as the gentlemen who were there at the time of that hearing.

That was the testimony of Anna M. Rosenberg under oath before the Senate Committee on Armed Services on November 29, 1950. The Senate Committee on Armed Services received a letter from Anna M. Rosenberg dated December 1, 1950, addressed to Senator Millard ("Whitewash") Tydings. In that letter Anna M. Rosenberg stated the following:

Assistant Secretary of Defense,
Washington, December 1, 1950

Senator Millard E. Tydings,
Chairman, Senate Armed Services Committee,
Dear Mr. Chairman:

Upon my return to my office yesterday after the executive session of your committee, I recalled that I had incorrectly calculated the percentage that I shall retain in my business.

I believe the incorrect figure of 51 percent appears on page 30 of the stenographic transcript of the hearing, and I would appreciate if you would have the necessary correction made.

I would also like to make a correction as to the date I obtained my citizenship and give you a full record.

Sincerely,

Anna M. Rosenberg

It therefore appears that on or before December 1, 1950 Anna M. Rosenberg had received and read a stenographic transcript of the testimony she gave before the executive (closed to the public) session on November 29, 1950. Anna M. Rosenberg evidently read the stenographic transcript very carefully and also very promptly communicated the corrections referred to in the above letter to the Committee. It is the customary practice to permit corrections before the stenographic transcript is sent to the Government Printing Office to be printed as the official record. Among these corrections to be made Anna M. Rosenberg made no mention of any correction in her testimony regarding the John Reed Clubs and her purported connection with them. Anna M. Rosenberg seemed silent and satisfied in that testimony.

The Senate Committee on Armed Services had

THE CHAIRMAN. Is that shown in the record of the Dies committee?

MRS. ROSENBERG. HER NAME AND ADDRESS ARE SHOWN BECAUSE THAT IS HOW I GOT IT.

From the "revised" testimony which appears in the "Reprint," (United States Government Printing Office, Document 76160, Washington, 1950), it appears that Anna M. Rosenberg had finally "pointed out" the OTHER Anna Rosenberg. Anna M. Rosenberg remembered, according to the "revised" edition of her testimony before the executive session on November 29, 1950, that there was a record of the OTHER Anna Rosenberg's address in the records of the House Committee on Un-American Activities, known as the Dies Committee at the time the OTHER Anna Rosenberg was the subject of investigation. Anna M. Rosenberg's testimony in the first edition of the printed record of the hearings stated merely that she "believed" that the Dies committee "did actually locate and identify" the OTHER Anna Rosenberg. She used the word "believe" in answer to all questions on that point put to her by Chairman Millard. ("Whitewash") Tydings.

In the "revised" second edition of the printed record, which is marked very prominently on its cover "Reprint" but which it is not, Anna M. Rosenberg is quoted as having said, "YES THEY DID" and not, "I believe they did," as appears in the first edition. In the "revised" edition Anna M. Rosenberg is quoted as replying to the question, "Is that shown in the record of the Dies committee?" that, "HER NAME AND ADDRESS ARE SHOWN BECAUSE THAT IS HOW I GOT IT." In the first edition of the printed record Anna M. Rosenberg replied to that same question, "I BELIEVE SO." Repeated requests by Members of Congress to determine the source of authority for this alteration of Anna M. Rosenberg's testimony under oath has been met with a wall of silence in the Senate Committee on Armed Services and the Secretary of the Printing Office for printed records of committee hearings.

Senate, who issues the orders to the Government. If the Dies Committee on Un-American Activities has the address of the OTHER Anna Rosenberg why was she not produced at the reopened hearings on the question of Anna M. Rosenberg's fitness to serve as Assistant Secretary of Defense held on December 5, 7, 8, 11, 12, 13 and 14, 1950? That would have settled all doubt about ANOTHER Anna Rosenberg. Certainly the fact that this OTHER Anna Rosenberg was a writer, and the fact that her ADDRESS was in the Dies Committee records according to Anna M. Rosenberg, should have made it easy for the FBI to produce her to face Ralph De Sola, who identified Anna M. Rosenberg at those hearings as THE Anna Rosenberg he had met many times at meetings of the John Reed Clubs. A com-

Jewish newspapers in the country are concentrating on two major issues: "McCarthyism" and repeal of the McCarran-Walters Immigration law. "Every night" said a conductor on the transcontinental R.R., "We pick up in Chicago 1, 2, or 3 baggage cars. Each car carries 70 boxes-broken remains of American young men coming home from Korea. one who was interested. The 10,000 copies were delivered to the office of the Senate Committee on Armed Services in Room 222 of the Senate Office Building. They formed several large piles stacked near the entrance and anyone could obtain as many as they desired for the asking. A few were obtained by persons visiting the office and requesting them. Then, something very strange happened. On the day following the delivery of the 10,000 copies of the printed record to the office of the Senate Committee on Armed Services, orders were issued not to permit the distribution of any more and the balances were withdrawn to be destroyed. Persons requesting copies were told that the printed record was withdrawn and that a new printed record for distribution would be ready in a few days. Efforts were also made to recall from circulation the few copies which had already been distributed. What was the reason for all this?

It appears that after "friends" of Anna M. Rosenberg had read and studied her testimony it was deemed necessary to "withdraw" her testimony and substitute another version. Anna M. Rosenberg had not discovered any error in her testimony on the subject of the John Reed Clubs when she read the stenographic transcript of her testimony on or before December 1, 1950. But on December 11, 1950 Anna M. Rosenberg's "friends" believed that her testimony about her connection with the John Reed Clubs should be "revised." As a result of this interest by her "friends" the original 10,000 copies of the printed record were ordered destroyed and another printing ordered with a "revised" version of Anna M. Rosenberg's testimony under oath and the subject of the John Reed Clubs inserted in place of her testimony under oath before the "executive session" of the Senate Committee on Armed Services on November 29, 1950. Now it is important to note the difference in the original testimony and the "revised" version of that testimony.

On December 13, 1950 there was made available in any quantity desired the "revised" printed record of the November 29, 1950 hearings. But strange as it seems it was not marked "Revised." The second edition of the printed record of the hearings was marked in large black type on its cover "Reprint." The use of the word "Reprint" disarmed any suspicion that the second edition differed in any material way from the first edition. That was evidently the intention. The word "Reprint" can only indicate one thing. But the second edition was not a "Reprint" at all. It was a "Revised" edition and "revised" on the only important question raised at the hearings bearing upon the fitness of Anna M. Rosenberg to serve as Assistant Secretary of Defense from a security point of view. How was the "revised" version of Anna M. Rosenberg's connection with the John Reed Clubs different from the testimony given by her under oath, and not corrected by her after reading the stenographic transcript?

The contents of the "revised" edition differ only on page 10 where Anna M. Rosenberg testified regarding her purported connections with the John Reed Clubs. The "revised" edition reads as follows:

THE CHAIRMAN. I mean, did they actually locate and identify the other Anna Rosenberg?

MRS. ROSENBERG. YES THEY DID. She was a writer.

The veracity of Ralph DeSola can best be judged by the testimony under oath of Dr. J. B. Matthews, who testified at the reopened hearings held between December 5, 1950 and December 14, 1950. Firstly it must be noted that Dr. J. B. Matthews was the Director of Research for the House Committee on Un-American Activities, the Dies Committee, for 6 1/2 years according to his testimony. Dr. J. B. Matthews' opinion of Ralph DeSola's veracity was expressed by him under questioning by Senator Knowland of California, a member of the committee. The testimony was unqualified confirmation of Ralph DeSola's character and integrity, as well as his reputation for truthfulness. That testimony appears on page 131 of the printed record of the reopened hearings held on December 5, 7, 8, 11, 12, 13, and 14, 1950, (United States Government Printing Office, Document 76,029, Washington, 1950), which was printed BEFORE the "revised" second edition of Anna M. Rosenberg's November 29, 1950 hearing before the secret "executive session" of the committee, and reads as follows:

SENATOR KNOWLAND. Dr. Matthews, in the six years you were connected with the Dies committee did you have occasion to know or to have information concerning Ralph DeSola, who has been a witness before this committee?

MR. MATTHEWS. Yes, I had several contacts with Mr. DeSola. He was a witness on three or four different occasions before the House Un-American Activities Committee and subsequently was one of the IMPORTANT witnesses before the Rapp-Coudert committee of the New York State Legislature.

SENATOR KNOWLAND. Can you inform the committee, BASED ON YOUR OWN KNOWLEDGE OF HIS PRIOR TESTIMONY, as to whether the facts that he testified to had been confirmed by other sources?

In other words, was he a reliable witness or reasonably reliable witness in those other cases, or did you find he testified to a great deal of material which could not be substantiated?

MR. MATTHEWS. When Mr. DeSola's name first came to my attention this past week I recalled in a vague sort of way that HIS TESTIMONY HAD BEEN INVALUABLE, but to check my memory, I got the volumes out and read his entire testimony WORD FOR WORD, and I do not hesitate to say that as of that period and as of that testimony, I HAVE NEVER READ MORE INTELLIGENT, ARTICULATE, CAREFUL, AND BALANCED TESTIMONY BEFORE ANY CONGRESSIONAL COMMITTEE. I WOULD SAY THAT HIS STATEMENTS HAVE BEEN CONFIRMED 100%—NOT EVEN 99.

When Ralph DeSola was brought face to face with Anna M. Rosenberg he identified her as the same Anna Rosenberg he had met at several meetings of the John Reed Clubs. (Pages 120, 121, 122, and 123 in the printed record of the reopened hearings before the committee on December 5, 1950, United States Government, Document 76,029, Washington, 1950). Anna M. Rosenberg was already acting as Assistant Secretary of Defense at the time she testified on December 5, 1950. In view of Dr. Matthews' unqualified certification of Ralph DeSola's truthfulness it will prove helpful where any doubt exists

Every year we read in the newspapers where the Communist Party and Zionist organizations, such as the U. J. A. run fund drives for one purpose or another and set the goals well over the \$100,000 mark. A few weeks after the fund drives have opened and the initial advertisements have entered the newspapers, we read that they have hit the \$1,000,000 and are reaching the \$2,000,000 mark. These organizations are the minority groups in the United States whose principles are the exact opposite to the beliefs and principles of 150,000,000 Americans, yet they manage to accumulate millions of dollars each year for their propaganda. The ironical twist to this train of thought is that a real American organization or publication, the real ideals of which are to promote Americanism and freedom for 150,000,000 people cannot raise a few paltry dollars to guarantee these basic rights. **ONE WONDERS WHY COMMUNISM AND ATHEISM ARE SO SUCCESSFUL IN THE WORLD, THIS IS ONE CONCRETE EXAMPLE. on this question to obtain a copy of the printed record of Ralph DeSola's testimony for study. Copies can be obtained from the United States Printing Office, Washington, D.C.

The "OTHER" Anna Rosenberg was never produced. Rumors were circulated by Anna M. Rosenberg's "friends" that the "OTHER" Anna Rosenberg had been located. But this "OTHER" Anna Rosenberg was not produced to face Ralph DeSola. The "OTHER" Anna Rosenberg never appeared before the Senate Committee on Armed Services to testify under oath that she was the "OTHER" Anna Rosenberg. This "OTHER" Anna Rosenberg has never communicated with Ralph DeSola to straighten him out on his identification of Anna M. Rosenberg as the Anna Rosenberg he met at the John Reed Club meetings. There may be many reasons why the "OTHER" Anna Rosenberg has never been produced. It would appear quite important to remove the last trace of any doubt regarding the presence of the Assistant Secretary of Defense at meetings of clubs which Ralph DeSola describes as a revo-

berg at any time in her life, the FBI agent appeared to be more than satisfied. The FBI agent, informed Ralph DeSola that the FBI had investigated the person appearing in the photograph and that the woman in the photograph was only 13 years of age at the time of the John Reed meetings attended by Anna M. Rosenberg according to Ralph DeSola's testimony under oath. Both Ralph DeSola and the FBI agent were amazed that Anna M. Rosenberg's "friends" would attempt such a fraud upon the FBI acting as the investigating agency for the Department of Justice and the State Committee on Armed Services. The "OTHER" Anna Rosenberg has never been produced in the flesh to contradict and disprove Ralph DeSola's testimony. Anna M. Rosenberg's "friends" have since then seen to it that the

Dulles has been one of the "leaders" of the subversive Federal (alias National) Council of Churches of Christ in the U. S. (alias America). The totalitarian nature of this "leadership" was aptly described by George Dugan of the American Council of Christian Churches, a truly American organization, at its meeting in Philadelphia reported in the New York Times of October 30, 1943, that charged that John Foster Dulles:
"Has been for fifteen years 'an effective too

the appointment of his testimony in the executive session of the Senate Committee on Armed Service on November 29, 1950.

On one occasion during the height of the uproar Ralph DeSola received a telephone call from the FBI requesting a meeting with him. On that occasion Ralph DeSola was shown a photograph. It was the photograph of a tall, buxom woman sitting on the railing of a porch. Ralph DeSola was asked if he had ever seen that woman. He was asked if he could recognize her as a woman whom he had ever seen or met before. Ralph DeSola stated that to the very best of his recollection he had never set eyes on that woman and he was equally certain that he had never met her in person. The FBI agent then explained their interest in the photograph. The FBI agent stated that the photograph had been submitted to them by "friends" of Anna M. Rosenberg with the claim that it was the photograph of the Anna Rosenberg who attended the John Reed Club meetings with Ralph DeSola. Ralph DeSola then was very positive that it could not have been the Anna Rosenberg he had met at the John Reed Club meetings.

Anna M. Rosenberg is a very petite person. The photograph was the picture of a very voluptuous woman of considerably greater height even though shown in a semi-sitting posture. After Ralph DeSola had convinced the FBI agent that the photograph could not possibly be the photograph of Assistant Secretary of Defense Anna M. Rosen-

berg's "friends" were prepared to move heaven and earth to discredit Ralph DeSola's testimony. What they did is a disgraceful scandal. Anna M. Rosenberg's "friends" control the newspapers, radio, magazines and motion pictures. Anna M. Rosenberg's "friends" instantly "went to work" on everyone who had suggested that Anna M. Rosenberg's political "past" disqualified her for the position of Assistant Secretary of Defense. And what a job they did. What they did is a classic in the history of "smear" campaigns. Anna M. Rosenberg's "friends" resorted to typical communist tactics. They smothered and suffocated innocent people with charges of the very things of which they themselves were guilty. A few examples will serve to illustrate the methods employed to accomplish their fiendish purpose.

The mere calling of the attention of Members of Congress to the political "past" of Anna M. Rosenberg was publicized as a "conspiracy." Every newspaper in the country, every radio news-commentator, every motion picture news-reel, and all the leading magazines shouted that Anna M. Rosenberg was the victim of a "conspiracy." The alleged "conspiracy" consisted of a well organized nation-wide movement to "keep Anna M. Rosenberg out of the Pentagon" because she was a "Jewess." The "conspiracy" was an "anti-Semitic" plot to keep Anna M. Rosenberg "out of the Pentagon." It was as simple as all that according to the "friends" of Anna M. Rosenberg.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed, on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

A very clear appreciation of the U. N. O.

There is danger of course that sooner or

Madariaga should be a qualified judge of Soviet tactics. He writes:
"The (UNO) Charter is in the main a translation of the Russian system into an international form and its adoption to an international community . . . The overwhelming mass of Russia's critical influence has weighed down the evolution of world affairs and is now taking us back to an unholy alliance of big Powers, resting upon force and very little else."
"UNO," de Madariaga tells us, "bore upon its row from the very beginning the mark of Moscow." (Page 270)
That this should be so must appear incredible to all who have been deceived by the false propaganda spread about UNO, it many who have heard so much have never been told Dr. Leo Pasvolksy, "Special S. Assistant Secretary of State," drew up the UN Charter with the assistance of Hiss the traitor who was then in the State Dept. surrounded by Communists and homosexuals.—(Continued on Page 4)—

DAVID ZABLONG RED SEY IN UN AND LEAD

—(Continued from Page 1)—

**Greatest Danger
is From Within**
But the greatest

And the greatest factor in this danger here is the existence in our midst of the United Nations. Based as it is upon theories of collectivism, it is itself a funnel through which Communism can come freely into the United States. On June 16, 1948, Robert C. Alexander of the State Department testified under oath to this effect:

The danger of locating the UN on the East Coast, and especially near New York, was officially com-
manded, according to the New York Sunday Mirror
of March 24, 1946, by the Army and Navy Intelligence
and the FBI as a definite threat to national security.
This dispatch said in part that "if war should come, it
was pointed out, enemy spies and saboteurs could find
asylum within the internationalist borders of UN."
Senator Pat McCarran, D-Nev., said in a Senate speech

"United Nations Day." The
October 24 has become "United Nations Day." The
Chairman of the "National Citizens Committee for
United Nations Day" has said that the UN Day Com-
mittee was set up by the U. S. government in 1946 in
response to a General Assembly Resolution. No
doubt it was set up by the State Department—no

We told in Letter 295 of the "seizure" of cities in 1951 and 1952, and the feigned declaring of martial law, notably in eight small California cities. In every one of those cities the officer commanding the troops and issuing "proclamations," announced he was acting for the United Nations.

But her reply was disingenuous. For the UN has power—power for unlimited mischief; and she did not know that, she was deceiving herself. In addition to some useful work that the UN has done, such as in collecting and disseminating statistics, it has exercised very great power—just as it was meant to do.

This "recommendation" was seized upon by the Zionists, who were able, through their influence with the press and with other means of communication, to represent to the American people that the "recommendation" was really a binding decision of the U.N. Zionists invaded Palestine and drove

As a result, the Zionists invaded Palestine, slaughtering about roughly a million Arabs, many of them Christians and the ancestors of most of whom had lived in Palestine for a thousand years or more. Most of these are still homeless and living in refugee camps. Few acts in history have been as heartless. Few are likely to be repeated.

"Looking back over the past 2 years, we have seen a steady growing concern to expand and improve education for international understanding, and specifically teaching about the United Nations, at all levels from pre-kindergarten through college and university to the general adult population, throughout the United States," (Italics ours).

"Winning the Peace" "We live in an age of slogans. One of the commonest is the talk about 'winning the peace.' Paul G. Hoffman wrote a book a year and a half ago entitled 'Peace Can Be Won.' ... we have never seen this

"Winning the peace" is sheer camouflage, a smoke-screen for other more subtle activities. All peoples want peace. Only scheming politicians, unwilling to do things the simple, natural way, stir up wars.

In preparation for their campaign for 1951, a communication was sent to a large list of businessmen throughout the United States asking each to contribute \$100 toward the expenses of the Committee, and to lend his name as a member. About 900 fell for the appeal, or at least their names were published by the Association.

A large manufacturer wrote, "Let me add that your Council Letter 275 dated December 1, 1951, seems to the writer to be quite an accurate picture of the United Nations and its effect on this country." (The 1951

A prominent Californian said, "I feel they (the UN) are a complete failure and I will definitely withdraw."

has taken place every Fall in celebration of United Nations Day—a ballyhoo greater than even our own Independence Day. We will say something about this United Nations Day in this Letter.

United Nations Day is a purely synthetic affair. There is nothing spontaneous about it. Among the names of its promoters we find a heavy concentration of those who were most active in 1940 and 1941 in trying to get the United States into World War II. We have before us a 12-page pamphlet put out by the National Citizens' Committee for United Nations Day. It is entitled "Leaders Guide for Individual and Community Action." On page 1 is "A Message from the National Chairman, Frank L. Wall," in which we read:

"The Committee's concept of such observances (of United Nations Day) are a means to an end, and that the end is increasing knowledge about and understanding of the United Nations by the American public."

"We have not detected anything excepting in the State Department and here and there about the country among a select group of 'liberals,' the slightest emotional feeling in favor of the UN. Efforts have been made to persuade people to fly the UN flag. Yet in all midtown Manhattan (and we get about fly it. But on any patriotic occasion, and frequently there is no patriotic occasion, there are countless places where one sees the American flag."

"While we have traveled in a dozen or nine European countries a good many times since the UN was formed, we have yet to see a UN flag on display. We casually asked a younger member of the British Parliament two or three years ago what Britain told Britain to take a certain course which Britain did not think to be in her interest. He calmly replied, 'We would tell the UN to go to hell.' Of course they would. And so would any other self-respecting nation. There is not only no confidence in the UN among the people of other countries, but in the UN among few enthusiasts in and out of official circles—there is not even any interest in it. Britain is going to decide—part in collective security for the Continent of Europe. According to the New York Herald Tribune of October 8 the French Government had decided to fight with every weapon at its disposal against United Nations in the Tunisian Desert."

The Real Purpose

"Anyone who has cards and has not received them please notify the office of the boxes requested."

ordered Christmas cards received them please inform Common Sense and

compliment.

By this war the Arabs, with goodwill towards the United States had been established over a hundred years by missionaries, educators and businessmen, became, and have remained, exceedingly hostile to the United States who, they feel, was, through the UN, the prime factor in the partition of Palestine.

And not only are the Arabs alienated from us, but the entire Moslem world, numbering as high as 300 million people, has become predisposed against us.

Then the UN, under the prodding of President Truman, precipitated the war in Korea, which has become a graveyard of nearly 20,000 Americans. And the end is not yet. In fact, the State Department, as at present set up, seems to contemplate a ten-year war. Since we are losing from 8 to 10 thousand in killed each year (the casualty report in The New York Times of October 9 listed 127 dead for the week—about 20 per day)—in addition to other casualties, a little arithmetic will show us what the cost will be to American youth in the future. American mothers and fathers ought to take quite an interest in this particular UN achievement.

"Recently it was announced that the UN will rebuild Korea. If the American share is comparable with her share of the killed and wounded, American taxpayers may well hold their hats."

The United Nations clearly will bring us not collective security, but collective insecurity. That insecurity will continue, till American, exhausted, is taken over by a world government. Their own security will then become like security in Russia today—or in any American prison.

This "Peace" Organization

Dangerous as is this "peace" organization to the real peace of the world, its even greater danger lies in its attempt hopelessly to involve the United States in the affairs and liabilities of all other nations. The UN is the spearhead of Socialism and Communism.

A striking thing about the UN is that our own State Department is 100 per cent back of it. What shall we think of a government, the leading department of which is out to promote an organization whose aim is the overthrow of that government?

We have before us a pamphlet entitled "Teaching about The United Nations in the Schools and Colleges of the United States." It is published by the Department of the State, and if you will send 10 cents to the U. S. Government Printing Office, Washington, D. C., you will receive a copy. It is Department of State Publication Series 4449, International Organization and Conference Series III, 631.

This pamphlet discloses the tremendous effort, and indicates the amount of your money, spent by the State Department in propagandizing the United Nations in

DEMOCRACY! DEMOCRACY!

any support, and was known to the United Nations Business and Industry Committee."

The President of a large Chicago concern said, "I have read Council Letter 275 with considerable interest and can find no fault with the conclusions arrived at. I feel that the sooner we can get rid of this 'super government' the better it will be for the administration."

A Minnesota manufacturer said, "I am not in favor of the United Nations, at least as it is drawn up, and I question the possibility of it ever working. We as usual will be the goats and the American people will be the losers."

One Pacific Coast manufacturer said, "Two years ago or so I permitted my name to be used as sponsor of United Nations Week, as I recall. But when approached this year I definitely declined."

Yet the names of all these men and many more who expressed similar views were used by the Association to propagandize the American people.

It is apparent from our correspondence that many of the persons listed by the American Association for the United Nations as members of the Committee to promote "United Nations Week and Day" are half-hearted in their interest, joined only because they saw some big names on the list; had become convinced to a greater or less extent that the UN boded no good for the United States, or had actually forbidden their names to be used. In other words, high pressure, promotion was a great factor in ballyhooing the UN.

Trygve Lie, Secretary of the U.N., smiles amiably while talking to Zionist Ernest A. Gross, Jew. U.S. Representative. As Norway's Minister of Justice in 1936, Lie performed a great service for Stalin: he was instrumental in deporting Stalin's arch-enemy, Leon Trotsky, from Norway.

Trotsky, one of the founders of the Communist International, in 1937 referred to Lie as "the Minister of Justice who is a member of the Communist International."

As Secretary-General, Trygve Lie is authorized to select all U.N. employees.

MARXIST JEWS RUN UNITED NATIONS

(Editor's note:

The following article appeared in COMMON SENSE, issue No. 146, September 1, 1961. Note that more than a year ago COMMON SENSE published the name of David Zablodowsky, Director of Publications, as an enemy to America. This article is republished now so that thousands of new readers may be informed and learn that the United Nations, like the League of Nations is a Jewish creation just as is Communism to bring about slavery of Christians who do not cooperate in their Talmudic plan.)

The Jewish plan for world conquest and for ruling the entire world is now well underway. There is every likelihood that the future "World Government" will be the organization presently known as the United Nations. Already the world has been divided into two concentrations of power—one controlled by the Jews of Moscow under the Jewish Seal of Solomon (Five pointed Star) and the other by American Jewry of Wall Street under the U. N. O. banner of pale blue and white, the same blue and white used for the Israeli flag.

The arch hypocrite of all times, Bernard Baruch, Dictator of the U.N. Atomic Commission, has called for economic conscription in the United States which will mean further and even tighter concentrations of economic power into the hands of American Wall Street Jewry. The internationalization of raw materials, the European Army, the European Parliament at Strasbourg, the Schuman Plan (originated by the Jew, David LILIENTHAL, not—of course—by the French Foreign Minister Mr. Schuman) all tend to weld together the non-Communist world more firmly in the clutch of American Jewry.

All that is now required is for the two giant power mechanisms, one operated by American Jewry under the pale blue and white Israeli colors, and the other by the Moscow Jewry under the five pointed star, to merge into one giant "Super State."

It is reported that the target date is 1955—hence the

the corner block be added to the pale-
side and with the U.N.O. flag, say, 1948, all that will
then be required for the "World Flag" to be identical
with that of the new State of Israel will be to add one
point, i.e., change it to the six pointed Star of David.

Plans call for giving to the U.N.O. all atom, hydro-
gen bombs, armies, navies, air forces, for they are
"too dangerous to be left in the control of any power
or group of powers." Ultimately the U.N.O. Army and
atom bomb force, operating from Jerusalem, will be
used to stamp out any Gentile revolt. The Jewish U.
N.O. will be supreme and anything which can be in-
terpreted as "anti-Semitism" (U.N.O. Genocide Con-
vention, drafted by the Polish Jew Professor Raphael
Lemkin, now on the staff of Yale University will cover
the "crime") will be punishable by prison or death.

Because the rule of the U. S. S. R., as outlined in
COMMON SENSE'S issue No. 143 which listed Jews
in key spots in Communist countries, so neatly inter-
locks with the United Nations Organization, a partial
listing of Jews in the U.N.O. is now being published.

FROM MAJOR JORDAN'S DIARIES

Major Racey Jordan Ret. has done an excellent job in writing his diaries of the great Russian Lend Lease swindle. As an expeditor, Major Jordan forwarded almost 10 billion dollars worth of planes, guns, ammunition, machinery, supplies, Atom bomb ingredients, etc. from American bases to Russia. As these precious needed supplies were being sent to Russia our U.S. forces lacked the necessary means of fighting the war.

Major Jordan calls his book "The Greatest Catalogue in History". The list which he made of the items going to Russia includes everything from Atom bomb chemicals to dolls; from engineering material to lipstick; from manganese to antique furniture. There was even an order for one curved lobate pipe. (Most likely for pal Joey).

Every American who wishes to know how the traitors in high places have given our resources and top secrets to Communist Soviet Union should read Major Jordan's Diaries. Price \$3.50. Order from COMMON SENSE.

THE ELECTION

At least the people have awakened. The New Deal received a blow in the solarplexus. Our Lord has seen fit to give America a little more time. This was not a 100 per cent victory against Marxism, but it is very encouraging to those of us who have been fighting like COMMON SENSE for seven years exposing the Un-American pro-Communist, anti-Christian plan of the masterminds of the New Deal which were calculated to confuse and bankrupt this country.

The big percentage of the vote for the Republican party was not a vote for Eisenhower, but a vote against the corrupt Marxist New Deal. The same powerful Zionist International group which has been in complete control of the New Deal for twenty years also has used Eisenhower to do an important part in this plan to break down European countries for communism and used our State and Treasury Departments to pay thousands of communist government employees who have been spending most of their time in building up communism. We have very little confidence in Eisenhower personally as he stands for a number of dangerous movements the same as Stevenson does, but it can not be denied that this election will upset the Marxist in this country. They will now try to align themselves with this new administration and work in so as to carry out their plan for Jewish control. Millions of Americans will be watching Eisenhower

the United Nations is a Jewish setup. Should any of these papers even mention the word Jew in this connection, the Anti-Defamation League of B'nai B'rith (Invisible Government) would have a committee at the Editor's office the same day and the Editor would get on his knees, if necessary, to prevent the withdrawal of all Jewish advertising. This would mean practically all his advertising as the Jews now control almost all of the merchandising establishments which advertise. We are presenting some facts to the reader so that he may see when this Communist jigsaw puzzle is put together, it spells Jewnited Nations.

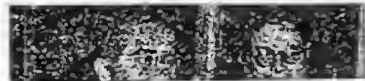

The United Nations Charter was written by Leo Pasvolosky, a Russian born Jew with the assistance of Alger Hiss, the 1952 Benedict Arnold.

Trygve Lie, Stalin's personal choice as head of U.N. is a gentile (who they think can be trusted). The gentile is almost always used as a window dressing.

Benjamin Cohen, a Jew from Chile, is just under Lie, and his job is to see that Lie follows the Jew plan.

Ernest A. Gross, Jew, is U.S. Representative.

Pick up your papers of the last few days and read where David Zablodowsky, also a Jew and head of publications, is tagged as a Communist by Whittaker Chambers and he ties Zablodowsky up with Donald L. Robinson and his wife Ruth, who were important underground operators. Robin-

This book compiled from hitherto suppressed Congressional reports and archives, tells how three Jews, Bernard Baruch, Eugene Meyer, and Paul Warburg, ruled the United States during the First World War, while Warburg's brother, Max Warburg, was head of the German Secret Service and personal banker to the Kaiser.

CHARTER FOR UNDEVELOPED BY ZIONIST

—(Continued from Page 1)—
Leo Pasvolksky, a Russian-born Jew who has become one of the leading advisers of the U. S. government, the Chicago Daily Tribune stated:

"Leo Pasvolksky, Russian-born Jew, is the first draft of the charter of the world peace league and attended its revision and amplification on all the way from the first day of the San Francisco Conference to the last day of the San Francisco Conference. He bids for fame as the father of the Charter. President Truman has appointed Stettinius the United States Representative in the world peace league. And Pasvolksky is to go right with Stettinius to the capital of the African delegate it is selected, to guide the African delegate through the maze of the Charter and provide him with the answers to the questions that will arise. For Pasvolksky knows all the answers. He was brought into the department as an economist and was successively advanced to the highest rank out of these positions filled by Presidential appointment subject to Senate confirmation. Pasvolksky, now a naturalized American citizen, was born in Pavlograd, Russia, in 1893. He has published several works on Russia including the 'Economics of Communism.'"

who will be under terrific pressure from evil forces for which Thomas Dewey, John Foster Dulles, H. Cabot Lodge, Wayne Morse and Harold Stassen are fronting. Informed Americans will support Senators Joseph McCarthy, William E. Jenner, Everett M. Dirksen, Pat McCarran, John W. Bricker and George Malone as the pro-American forces in this new administration. Real Americans have had enough of the New Deal and will not tolerate the New Deal under a Republican administration.

COMMON SENSE is opposed to World Government; the U.N.; the United World Federalists; Americans for Democratic Action; FEPC and NATO and supports the McCarran-Walters Immigration Bill; advocates the outlawing of communism, and the firing of Dean Acheson and Anna Rosenberg.

Few people realize that officeholders in the U. S. are not free to do what they think is best for our country. The U. S. is run by pressure groups which have formed blocks of voters, and this is held over the heads of politicians. Pressure groups use publications, arrange lavish dinners, present plaques and feature speakers to popularize those who carry out their plan. To defeat these evil pressure groups, there must be an awakened patriotic citizenry organized under trustworthy leaders who understand the enemy and have the courage to back the enemy down. Is this country worth saving? The enemy is organized and financed. Millions of Americans have been awakened during the last few years. Let's double that number and organize to fight for freedom.

Isador Boorstein and Carol Weiss King Top Communist Lawyer, Both Jews

son's right name is Rubens

In the midst of all these communist exposures in the United Nations appears the name of J. Peters, alias Alexander Stevens who for twelve years was boss of the Communists who operated underground in the United States. The papers wouldn't dare publish his correct name, Isador Boorstein, as the Anti-Defamation League would promptly pay a visit to the editors.

Isador Boorstein, after directing Communist espionage for twelve years in the United States, was allowed to deport himself with all the information he had gathered same as Gerhard Eisler, Jew, Eisler was Moscow's director from the U. S. and was assisted in escaping on the Polish Communist ship Battery. He is now Director of Propaganda for East Germany.

Of the 2,000 U. S. employees in the U. N., we would estimate at least 85 per cent of all but janitors are Marxists. The U. S. Senators have no authority to investigate employees from other countries employed in the U. N. However, our estimate of Communists among them would be 100 per cent. If the United States was not hopelessly ruled by Jews, all of these foreign spies would be put on ships and sent home.

Many employed citizens of the United States have refused to state whether or not they are Communists. The Senators who are active in removing this nest of spies are Senator O'Connor of Maryland, Senator James Eastland of Mississippi, Senator Alexander Wiley of Wisconsin and Congressman John Wood of North Dakota. These patriotic lawmakers deserve our courageous support as they will be smeared. Let's get the U. S. out of the U. N. and the U. N. out of the U. S.

A RABBI SPEAKS!

FORETELLS GENTILE DOOM

END OF WHITE RACE PLANNED WITH MONGRELIZATION, END OF CHRISTIANITY DECREED

By RABBI EMANUEL RABINOVICH — REPUBLISHED BY REQUEST

The following is a speech of Rabbi Emanuel Rabinovich before a special meeting of the Emergency Council of European Rabbis in Budapest, Hungary, January 12, 1952:

"Greetings, My children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to precipitate World War III within five years.

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world; with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nation wide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. (The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections). The Russian, as well as the Asiatic peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany.

(We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet

power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of weaving the United States into a devoted anti-Russian unit.)

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commission into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering): 'Rabbi Rabinovich, what about the various religions after the Third World War?'

No More Religions

RABINOVICH: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

Will Sacrifice Their Own People

We may have to repeat the grim days of World War II when we were forced to let the Hitlerite bandits sacrifice some of our people, in order that we may have adequate documentation and witnesses to legally justify our trial and execution of the leaders of America and Russia as war criminals, after we have dictated the peace. I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouth pieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him. Our interests in Washington are greatly extending the Point Four program for developing industry in backward areas of the world so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the Light of the World!"

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

I can state with assurance that the last generation of white children is now being born. Our Control Commissions will, in the interests of peace and wiping out inter-racial tensions, forbid the whites to mate with whites. The white women must cohabit with members of the dark races, and the white men with black women. Thus the white race will disappear, for mixing the dark with the white means the end of the white man, and our most dangerous enemy will become only a memory. We shall embark upon an era of ten thousand years of peace and plenty, the Pax Judaica, and our race will rule undisputed over the earth. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

(Question from gathering): 'Rabbi Rabinovich, what about the various religions after the Third World War?'

No More Religions

RABINOVICH: There will be no more religions. Not only would the existence of a priest class remain a constant danger to our rule, but belief in an after-life would give spiritual strength to irreconcilable elements in many countries, and enable them to resist us. We will, however retain the rituals and customs of Judaism as the mark of our hereditary ruling caste, strengthening our racial laws so that no Jew will be allowed to marry outside our race, nor will any stranger be accepted by us.

I am sure you will need little preparation for such a duty, for sacrifice has always been the watchword of our people, and the death of a few thousand Jews in exchange for world leadership is indeed a small price to pay.

To convince you of the certainty of that leadership, let me point out to you how we have turned all of the inventions of the white man into weapons against him. His printing presses and radios are the mouth pieces of our desires, and his heavy industry manufactures the instruments which he sends out to arm Asia and Africa against him. Our interests in Washington are greatly extending the Point Four program for developing industry in backward areas of the world so that after the industrial plants and cities of Europe and America are destroyed by atomic warfare, the whites can offer no resistance against the larger masses of the dark races, who will maintain an unchallenged technological superiority.

And so, with the vision of world victory before you, go back to your countries and intensify your good work, until that approaching day when Israel will reveal herself in all her glorious destiny as the Light of the World!"

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally making his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

BROTHERHOOD WITH ANTI-CHRIST

PRIEST DEFENDS AGENTS OF SATAN! REPUDIATES CHRISTIAN PATRIOTS

BROTHERHOOD ANTI-CHRIST

By ELIZABETH DILLING

Brotherhooding with the anti-Christ is a favorite occupation of "liberal", "tolerant" Christians of all denominations, these days. Modern followers of the "Ancient and Dishonorable Order of Judas Iscariot," however, have degenerated. The founder, Judas, had the decency to feel such remorse that he went out and hung himself. In the summer and fall of 1950, the

JEWISH EXAMINER of Brooklyn ran a series of seventeen vitriolic anti-Christian articles entitled: "THE SOUL SNATCHERS." The front page headline of the July 21 number, for example, was: "BORO PAR-ENTS, RABBIS AROUSED BY TACTICS OF EVANGELISTS AMONG YOUNGER GENERATION," with the sub-headings: "SPUR EFFORTS FOR LEGAL PROTECTION," and: "THE SOUL SNATCHERS—Part Nine—CORRUPTERS OF YOUTH." The July 28th issue was headlined: "CRIMINAL CODE MAY BE INVOKED AGAINST MISSIONARY RACKET." This article proposed to prosecute any Christian missionary who converts an under-age Jew, under the statute which makes it an offense to contribute to the delinquency of a minor. In other words, Christian faith is classified as criminal moral degradation. "CAMPAIGN TO COMBAT MISSIONARIES TO BEGIN NEXT MONTH" was the front page caption Dec. 22, 1950. Yet, on the other hand, the American Jewish Year Book boasts regularly of Judaizing propa-

gate of the Lord's house which was toward the north, and behold, there sat women weeping for Tammuz" (Eze.8:13-4). Evidently the above priest sent a copy of his letter denouncing Rev. Winrod to the JEWISH EXAMINER which prints it. To quote:

"Philadelphia — Election hate propaganda now flooding the country encountered a sharp and unexpected obstacle this week when a Catholic priest sent back some bigoted material he had received in the mail. Rev. Robert E. Carson, principal of the Southeast Catholic High School of this city, received the biased writings from an organization called 'Defenders of the Christian Faith.' The batch of hate included the currently widely circulated item, 'The Philip Dru Case,' being spread by frontiers' — Father Carson wrote:

"In today's mail I received from your group some literature with reference to Communism and the Jewish people. After reading this trash, I decided to let you know just how I feel, as a Catholic priest, about Jew-baiters and rabble-rousers like yourself."

Priest Denies Talmud Plot

"In the first place, the so-called 'facts' in your pamphlet entitled 'The Philip Dru Case' are not facts at all, but distortions and misstatements. I feel that you are fully aware of this. As a graduate historian and a holder of a Master's Degree in United States history, I know that your nonsense about the 'Talmudic Plot' to overthrow the government of this country is just, to put it succinctly, so much tripe."

COMMENT BY EDITOR

Regular readers of COMMON SENSE realize to what extent organized Judaism would reach to neutralize those who would oppose the Jewish program to wipe out Christianity should the Jewish plan become generally known. In Spain the Jewish Marranos infiltrated the church for 500 years becoming Priests and Bishops in order to destroy her from within.

COMMON SENSE numbers among its many clergymen readers more than 600 Catholic Priests. Clergymen who read COMMON SENSE understand this atheistic world plan, many others do not. It would certainly seem that of all people, Catholic Priests should know the tremendous responsibility they have and make it their business to study and learn who is responsible for the worldwide conspiracy against Christianity. The Jewish question is by far the most important question before the world—more important by far than the

mation League (Jewish gestapo) of the B'nai B'rith directs the clever plan to use Christians to keep Christians quiet until the plan for Jewish World Government has been completed. They use many means to trick the clergy into pulling Jewish chestnuts out of the fire. The Rabbis do not dare defend their own program and the Jews know the public will accept the Priest's word assuming he knows what he is talking about.

When Rev. Robert E. Carson, Priest of Philadelphia, enters a field in which he is thoroughly unfamiliar and takes up a subject about which he knows nothing, he must realize he is open to criticism and attack. This Priest may be a graduate historian, but if after reading the following article, he still feels he understands Judaism, two former Jews associated with COMMON SENSE or a Priest will be happy to show him how little he knows. Any self-respecting Catholic should be ashamed of a Priest who would attempt to defend Judaism which is based on hatred of Christianity and be so arrogant in his attack on a Protestant Minister. Judaism is responsible for Communism and all traitorous revolutionary movements. This Priest has allowed himself to be used as a dupe. He says he is a better Christian than Rev. Winrod—this we shall leave to Our Lord to decide. We know Rev. Winrod hates no one, but loves Jesus Christ sufficiently enough to cause him to stand up against those who would erase Christ's teachings from the earth. We challenge Father Carson to compare his record for trying to save our country from Communism to the sacrifices and many years of tireless efforts exposing Communism by Rev. Winrod. (Rev. Carson may use the columns of this paper if he so desires.)

All true Christians should unite against the organized minority who have brought Marxism to our shores, along with planned confusion, war, bankruptey and fear for our once happy and God-fearing country.

"Priest Rebukes Hate Fronters"

The above is the heading of a front page report in the JEWISH EXAMINER dated: "Friday, July 4, 1952, 11th day of Tammuz." Tammuz is the 10th month in the Babylonian calendar which is the Jewish calendar, today. Tammuz was the male sex procreative god for whom the women wailed and fasted when he supposedly ceased fertilization. This year the Fast of Tammuz falls July 17th in the Jewish "religious" calendar. God in a vision to Ezekiel denounced this pagan abomination, and: "said unto me, Turn ye yet again and thou shalt see greater abominations that they do. Then he brought me to the door of the

worked alongside Catholics and Protestants for the advancement of Americanism. You on the other hand, and others of you like have done nothing to promote American ideals; rather, you are working to tear down the bond of brotherhood among our people. You want to exploit differences in our religion, in order to make money by selling your grubby little pamphlets and disgraceful magazine. In this diabolical work, sir, I wish you all the failure in the world. May God strike with his chastisements, and bring your efforts to set America against American to a speedy and glorious end.

"I suggest that you who profess to be a minister of God (you are, in fact, nothing of the sort); open your Bible and read John I beginning to end. Then kneel down and acknowledge your sin, and begin to live like the Christian you pretend to be. I cherish the Christian Faith a great deal more than you do, I am sure."

This ends the article, carried as a eulogy to Rev. Carson, in the JEWISH EXAMINER, for his lambasting Rev. Gerald Winrod, publisher of DEFENDER magazine and distributor of the pamphlet "The Philip Dru Case," in its issue of the "11th day of Tammuz."

Elizabeth Dilling Writes Rev. Carson
Dear Rev. Carson:

Permit me to join in the acclaim that the JEWISH EXAMINER gives you in the front page reprint of your forthright letter to Rev. Gerald Winrod concerning his "grubby little" pamphlet, "The Philip Dru Case" and his "disgraceful magazine," the DEFENDER and its aspersions upon the "Jewish people." "As a graduate historian and a holder of a Master's Degree," as you say, you are of course familiar enough with the TALMUD to speak with authority about any such "TALMUDIC PLOT" being "tripe." Your admiration for "them who say they are Jews" (Rev. 2:9,3:9), who are

—(Continued on Page 3)—

BROTHERHOOD

—(Continued from Page 2)—

Pharisees by religion, but by race are not Judaitees for they are of all races and nations, is therefore based upon their TALMUDIC religion, or Tradition of the Pharisees, the one tie that binds. Your "John I" cites the Pharisees. Since you are fully educated on BABYLONIAN TALMUDISM, THE WRITTEN FORM OF THE TRADITION OF THE PHARISEES, you must also approve the five deaths they give Christ today: (1) sinking Him "in dung to the armpits" and pouring boiling lead down the throat to burn out His intestines; (2) sinking Him in "dung to the armpits" and strangling Him; (3) stoning Him to death; (4) decapitating Him; (5) crucifying Him as a "blasphemer." If you, yourself, are a secret Jew, a "Marrano," you approve, also, but will not suffer the TALMUDIC punishment decreed against all real Christians, who are consigned to everlasting Hell where "boiling excrement" is poured on them, and where Christ in everlasting Hell has "boiling semen" as His punishment.

Talmud Blasphemes Christ Filth of Talmud Cited

In this supreme "religious" authority of "Judaism," as you know, all Christians rank as whores infinitely lower than Rabbi Dordia who visited every harlot in the world (Ab Z.17a). All non-Talmudists, as you are aware, are rated as non-human animals without rights under any legal code. They are "people that are like an ass—slaves who are considered the property of the master"—the TALMUDIST (Keth. 111a). This, as you know, is being carried into action under Talmudic Red Anti-Christ rule.

Popes Condemned Talmud

You know, therefore, that from the time of Gregory the Great (590-604 A.D.) the Popes struggled both to convert the Talmudists and at the same time prevent them from Talmudizing Christians. Gregory VII denounced favoritism to Jews and enforced laws prohibiting giving Jews power over Christians (1078). Innocent III ordered Jews to wear a distinctive arm badge so that Christians could avoid Talmudists as bearers of spiritual disease (1215). Pope Julius III ordered the burning of the TALMUD (1553), and great quantities of TALMUDS were burned in Rome. He enforced the wearing of a yellow hat by Jews and finally decreed that they should live in a ghetto. Pius V added some new restrictions including a prohibition against Christians kindling fires for Jews on their Sabbath, and in 1556 ordered them expelled from his territory. Gregory XIII added additional restrictions. Clement VIII again expelled them and prohibited the printing of the TALMUD (1593). Clement X ordered the ghetto gates closed during the night. Pius VI required Jews to wear a yellow badge on their hats and endeavored to isolate them while at the same time ordering them to listen to conversionist sermons from

blasphemous, anti-Christian literature. Martin Luther, who, in his early period, criticized the Catholic hierarchy for its denunciations of Judaism, later uttered more vitriolic excommunications, if possible, against it, than the Popes. In "The Jews and Their Lies," and his "Shemhamforash," he revealed Talmudic lies and aims and declared that all TALMUDS should be burned, along with the synagogues, and the bearers of this foul code be exiled or put to hard labor.

Judaism Religion of Pharisees

Since every Jewish Encyclopedia and history declares that the Jewish religion is the religion of the Pharisees, you know this, and you also know that the Christ, whose Cross you should reverence, hurled more terrific excommunications at the Pharisee sect and all that it stands for, than you have addressed to anti-Pharisee Christians because they are following Him in denouncing this evil.

If, perchance, despite that "Master's Degree," you should be a bit dumb, instead of being a Marrano, or pro-TALMUD Judas Iscariot, I'd advise you to sit down and open your Bible and read Matthew 23—"beginning to end"—all of which is a running denunciation of Pharisaism by Jesus Christ. Then read John 8:37-44, a terrific damnation of Pharisees and their religion, and the rest of Christ's immortal warnings on those "which they say are Jews," at a time when the Pharisees had taken over and revamped their Babylonian paganism under the "whited sepulchre" pretense of adherence to the Bible (Rev. 2:9; 3:9)—this was after His Ascension, of course, when the Godly Israelites had accepted Him for a savior, and become Christians, and martyrs to Pharisee vengeance.

Then, you should apologize to Dr. Win-

Mary a "harlot" SAHEDRIN Ex. 114 106a-106b
he reward for the twenty-four thousand Israelites whose destruc-
tion he had compassed. Mar Zutra b. Tobiah remarked in Rab's
name: This is what men say. "When the camel went to demand
horns, they cut off the ears he had." (4 deaths for Jesus)
Balaam also the son of Beor, the soothsayer, (did the children of Israel
slay with the sword) A soothsayer? But he was a prophet!—R. Jo-
hanan said: At first he was a prophet, but subsequently a sooth-
sayer. R. Papa observed: This is what men say. "She who was
the descendant of princes and governesses played the harlot with
emperors." (106b) Did the children of Israel slay with the sword among
emperors? (106b) Did the children of Israel slay with the sword among

with little boys under nine, the raping of baby girls under three by grown men, incest with dead bodies, bestiality, burning children—all of them—to Molech as well as depraved Baal worship.

These doctrines, as you know, are specifically taught by TALMUDIC halachah in the Mishnaim, as may be seen in the English translation of the BABYLONIAN TALMUD, endorsed by the late Chief Rabbi of Great Britain, J. H. Hertz (Soncino, London, 1935-6).

Apparently, you find no fault with Judaism's TALMUDIC teaching that Mary was an adulteress and whore who "mated with carpenters"; that Jesus seduced women, committed bestiality with animals, did black magic, ran whore houses with old women at the doors and young women inside to get male customers drunk, then order them to disrobe and, as in Baal worship, thus worship the "idol", Jesus.

You have, no doubt, as "a historian and a holder of a Master's Degree," read the some 32 volumes of the supreme BABYLONIAN TALMUD and its fragmentary counterpart, the Yerushalmi, in Hebrew—but anyone can read it in English in the above edition, if the stomach is strong enough. With you, of course, I need not prove the above by sending you my book of some 300 photostats of authoritative Judaism, nearly a third being full page reproductions of the above Soncino edition pages, since you already know all about it and approve.

As you are not only a "historian and a holder of a Master's Degree," but have studied Catholic Church history, you know the struggle which has been waged by the Popes, with few exceptions, against the Jewish religion and its TALMUD and CABALA. "The Jewish religion as it is today traces its descent, without a break, through all the centuries, from the Pharisees . . . The TALMUD is the largest and most important single member of that literature," states the Universal Jewish Encyclopedia (1943), "Pharisees."

Balaam was?—He replied: It is not actually stated, but since it is written, *Bloody and deceitful men shall not live out half their days*, (it follows that) he was thirty-three or thirty-four years old.¹⁰ He rejoined: Thou hast said correctly: I personally have seen Balaam's Chronicle in which it is stated: Balaam the lame was thirty years old when Phinehas the Robber killed him.¹¹ **Refers to Jesus**
(1) V. ibid. XXV, 1-9: since Israel was thus seduced and punished through his advice, as stated above, he demanded payment. (2) So Balaam, demanding a reward, lost his life. (3) Joshua XIII, 22. (4) As a punishment for wishing to curse Israel he was degraded from a prophet to a counsellor. (5) Step dangers. (6) Rabbi. Herford, *Christianity in the Talmud*, p. 48, suggests that Balaam is frequently used in the Talmud as a type for leviety. Also pp. 64-65. Though no name is mentioned to show which woman is meant, the mother of Jesus may be alluded to, which theory is strengthened by the statement that she mated with a carpenter. (The Munich MS. has *car* in the margin instead of *car*, i.e., singular instead of plural.) (6) Ibid. (7) This is suggested by the use of the plural "among them that were slain by him," intimating that the various deaths inflicted upon others were all suffered by Balaam. Thus he was hung (crucifixion), a fire was lit under him (burning), his head was struck off (decapitation), and then he was allowed to fall to earth (stoning) v. supra 43e. (8) *Herford v. Glon*. (9) Ps. LV, 24. (10) Cf. p. 472, n. 7. (11) According to the view that all the Balaam passages are anti-Christian in tendency, Balaam being used as an alias for Jesus. Phinehas the Robber is thus taken to represent Pontius Pilatus, and the Chronicle of Balaam probably to denote a Gospel. (v. Herford *op. cit.* 71ff.) This view is however disputed by Becker and others. Cf. Ginsberg, *Journal of Biblical Literature*, XLII, 121. See *Eph. 4:17*

time to time (1775-1800). Pius IX, after his exile, during the Jewish Red revolutionary period, maintained the ghetto in Rome until it was abolished by the Jewish-led King Emmanuel occupation of Rome in 1870. His successor, Leo XIII, bestowed distinctions upon the "anti-Semitic" politician and writer, Lueger; and Drumont, the latter being so honored for his book "La France Juive," which forcefully depicted the degeneration of France under Jewish influence. Leo VIII reigned until 1903.

The TALMUD, because of its criminal and anti-Christian doctrines, was burned: by Pope Innocent IV in Rome (1244), and at Paris, and again in Paris in 1248 and 1309; all over Italy in 1554; at Rome, 1558 and 1559; in Poland in 1557, and condemned by one Pope after another as forbidden,

announce the most criminal and Satanic code—BABYLONIAN TALMUDISM, so-called "Judaism"—that ever emerged from the pit of Hell. You will have a choice of positions: that you were ignorant of the truth, despite that "Master's Degree"; (2) that you are not ignorant of TALMUDISM, but defend it and fight its Christian enemies as a partisan of Pharisaism; (3) that you now repent and no longer wish to be an aide to the Pharisal aim to eradicate Christianity from the earth.

Sincerely,
ELIZABETH DILLING.

Any curious non-Pharisee who is not "a historian and a holder of a Master's Degree," will find proofs of the above statements to Rev. Carson in my compilation of photostats entitled: "THE PLOT AGAINST CHRISTIANITY." (May be secured from COMMON SENSE at cost-\$1.25). The TALMUDIC doctrine that only Talmudists are "MEN," that is human beings, will be found in Exhibit 268. Also: "One who smiteth MAN (i.e. "that is—" an Israelite) attacketh the Holy One" (Ex.59). Sodomy with a "neighbor's wife," is sanctioned on the same page. Logically, we "animals" have no property rights; these were all transferred to the Talmudists, "Israelites" (Ex.269). Gentile "property is considered public property, like unclaimed land in the desert" (Ex.270). Communism puts this into practice. Therefore, non-Talmudists may be murdered, cheated, deceived, providing this does not jeopardize other Jews. Jewry's "Torah" outlaws "the issue of a Gentile as that of a beast (Ex.270). Non-Jews, called Cutheans, minim, Epikoros, Epicureans, etc. may not only be murdered the effort to kill one is so laudable it excuses one for killing a Jew in the attempt (Ex.90.91,92, also 186). Non-Jews are "people" that are like an ass—slaves who are considered the property of the master," (Ex. 143). Communist wholesale murders and slave labor camps are also authorized by such teachings as: "A Gentile observing the Sabbath deserves death... not even on Monday is the Gentile allowed to rest" (Ex. 272).

—(Continued on Page 4)—

BROTHERHOOD

—(Continued from Page 3)—

"The best among the Gentiles deserves to be killed" (Ex. 273). The 7th and 12th "benedictions" of the Shemoneh Esreh, recited thrice daily by the Orthodox, curse the Christians ("minim") to hell (Ex. 266 continued, 284).

JESUS

The Balaam passages refer to Jesus, as cited by Ex. 275: "the pseudonym 'Balaam' given to Jesus in Sanhedrin 106b and Gittin 57a. "The Sanhedrin passage, from 105a-106b, appears in Ex. 106-15, and Gittin 57a Ex. 178-80. Every foul charge is made, TC DAY. Christ is given four "legal" deaths (Ex. 274, 114) then crucified as a "blasphemer" (Exh. 51, 276). His trial by the Sanhedrin, Ex. 56, 75-6, 276. He is also charged with being a bastard, poisoner, seducer guilty of bestiality with animals, a fool, a sorcerer and idolater, His mother a harlot and adulteress. In general, He is portrayed as a "Balaam" enticing people to commit the sex abominations of Baal worship. Ex. 274-80, of the Jewish Encyclopedia, summarize these charges. For His whore houses, see Ex. 112.

The method of strangling Him in "dung up to his armpits" (Ex. 53); of burning Him in "dung up to his armpits" (Ex. 52; footnote, Ex. 151); of stoning Him to death (Ex. 45, 48, 50). Under false names His Apostles are executed (Ex. 47), the real names given (Ex. 278). He is crucified (Ex. 51, 276). In the Gittin 57a passage, referred to above, and described in part by Ex. 279 Christians are all in Hell where "boiling excrement" is poured on them and "boiling semen" on Christ (Ex. 261-2). The obscene teaching attributed to Him is that the "hire of a harlot" may be used to build a privy

McCARTHYISM

house (Ex. 177-8). If a woman's smallest sin is incest, then her greatest sin must be Christianity ("minuth"). One guilty of incest or of visiting all the harlots in the world, like Rabbi Dordia, is allowed to die in peace, but never one guilty of "minuth" (Ex. 178-80). Christians are "idolaters". Actual idolatry such as Baal worship, however, is not "moral depravity" (Ex. 294, 61). Burning children to the demon Molech—all of them—is permitted despite the terrific exhortations of this ancient crime by the Bible: Lev. 18:21; 20:2-5; II Ki. 23:10; II Chron. 33:6; Isa. 57:5; Jer. 32:35; Eze. 16:20-2, 36.

"PURITY"

A mother's incestuous relations with her son do not blemish her purity, if his age is right (Ex. 82), nor does bestiality mar her virtue (Ex. 157-8); sex relations with small boys is sanctioned (Ex. 135). The general law is that a baby girl is "sexually mature" at 3 years and 1 day, a boy at 9 years and 1 day. With children under these ages anything is permitted and the adult held blameless. Sodomy with children: "no guilt is incurred...for the adult" (Ex. 54). Grown men may rape babies under 3 and marry them at 1 day over 3: Ex. 54-5, 81, 133-35-36, 156-59-60, 189. Killing, or committing sodomy with, and incurably sick person, "terefah", sodomy with a dead body or incest with a dead woman is authorized (Ex. 88-9, 163).

"BROTHERHOOD"

Rev. Carson is welcome to his cherished "bond of BROTHERHOOD" with those whose supreme religious authority is the BABYLONIAN TALMUD. St. Paul said: "come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing, and I will receive you" (II Cor. 6:17). Judaism's "reprobate mind" is like the dog "turned to his own vomit again; and the sow that was washed to its wallowing in the mire" (II Peter 2:22).

RABBI VERIFIES TALMUD

Rabbi Morris N. Kertzer in the article "WHAT IS A JEW" in Look Magazine issue dated June 17th, 1952, stated the following:

The Talmud consists of 63 books of legal, ethical and historical writings of the ancient rabbis. It is the legal code which forms the basis of Jewish religious law and it is the textbook used in the training of rabbis.

AN URGENT MESSAGE TO CONGRESS

Mr. Congressman:

It is well and good to punish the little atomic spies for the Soviet Union, the little Hisses and Lattimores—although they all had bosses. But how about investigating the SUPER-PLOTTERS who drew up a map of the world, before we entered World War II, TELLING AMERICA EXACTLY WHAT WE MUST DO AND HAVE DONE?

AMERICAN BOYS AND AMERICAN MONEY AND MANPOWER are being used to remake the world.

WHO DECREED THIS?

Thousands of copies of this map were sold early in and all during World War II, the first stage of now perpetual war. No ONE man designed that map and the power to enforce it. It is called the GOMBERG MAP merely because it states on it: "Published by Maurice Gomberg, 3211 Turner Street, Philadelphia 21, Pa.", also:

BEN HECHT, RED ANTI-CHRISTIAN AUTHOR, OPERATES OWN TELEVISION SHOW ON CBS

Ben Hecht, prominent "Jewish" anti-Christian writer and member of seven Communist Fronts cited by Congress, has just recently opened his own television show on CBS.

As America slumbers back in the comfort of the materialistic pleasures of indifference and apathy this atheistic, Godless creature has been given the opportunity to pour his filth and pro-Communist propaganda into the homes of the American people in the United States, unimpeded.

At what point in the corruption and decay of a country do the childlike minds of Christians awaken to the insidious menace of evil? In Europe they never did wake up. In America it looks hopeless.

ALBERT EINSTEIN

President Eisenhower appointed Litchenstein Strauss to have charge of the whole Atomic Bomb Project. Why is it that Jews are so determined to have control of the atomic bombs?

When the Atomic Energy Project was first set up, Bernard Baruch was appointed as the over-all director. When David Lilienthal was up for Senate confirmation as head of the Atomic Energy Committee, he was presented with evidence that he was a Red, but Baruch appeared before the Senate Committee and forced Lilienthal's appointment. Of the five-member board, three, including Chairman David Lilienthal, were Jews.

Albert Einstein has been trying for years to mystify the world with his theory of relativity. Arthur Brisbane, one of the world's greatest brains, stated that he did not believe anyone, including Einstein, understood his theory.

The more we learn about this fuzzy-brained, starry-eyed refugee, the more we wonder if he did not manufacture this theory to impress the world with his supposed greatness and thereby divert suspicion from himself while he directs important revolutionary activities.

Einstein caused Klaus Fuchs to be released from jail in Canada and brought to the U. S. where he acted as the world's leading atomic energy spy. Einstein was on the inside of the atomic energy project from the start. He was a strong supporter of Julius and Ethel Rosenberg, who were executed as atomic spies and traitors. Einstein was the most quoted by the Rosenberg Defense Committee. Ethel Rosenberg in her book

A Program For Jews

Reviewed by Col. E. N. Sanctuary

(Continued from issue No. 185)

In the book "A Program for the Jews and Humanity, An Answer To All Anti-Semites", by Harry Waton, published 1939, the author referred to Balaam as the greatest of all anti-Semites that ever lived. When this was quoted in the first section of this review, we indicated that the Balaam he was referring to was Jesus Christ. Some question has been raised as to the proof of this statement. Since Mr. Waton referred to the Talmud when he mentioned Balaam, we shall quote from the Babylonian Talmud, Suncino Press, 1935; volume on Sanhedrin, p. 106a-106b:

(11) . . . all the Balaam passages are anti-Christian in tendency, Balaam being used as an alias for Jesus."

We conclude this review with further excerpts from "A Program for the Jews":

" . . . nazism is only an imitation and perversion of Judaism . . . The Nazis will feed so long on the principles and the ideas of Judaism that they will become Jews. No greater tragedy can be conceived! (p. 70).

Hitler saw . . . There was only one way, and that was to follow the example of the Jews. The Jews regarded themselves to be the chosen people . . . This gave the Jew moral and spiritual strength to maintain his sex purity. This idea Hitler borrowed from the Jews . . . (71).

zations in 1944. Let us take a look at what the U. S. Congress had to say about this "great American" author.

BEN HECHT

On page 264 of the above mentioned report Ben Hecht is listed as a member of the National Citizens Political Action Committee. And this is what the report says about this organization: "The National Citizens Political Action Committee has 141 members. Out of this number, 83 percent have records of affiliations with Communist and Communist front organizations. In the great majority of these, persons who have been affiliated with Communist groups, there is nothing to support a view that their Communist affiliations were casual and infrequent . . ."

On page 356 of the same report we find Ben Hecht listed as a member of the American Committee To Save Refugees. It reads as follows: "Communist committees to save refugees perform a most valuable function for the international Communist movement. In the first place, these committees are a fruitful source of revenue from sympathetic individuals. In second place, they serve as rescue agencies for foreign Communist operatives. With outposts throughout the world manned by those enjoying Communist confidence, they also serve as a means of blackjacking refugees in a desperate plight to do the bidding of the international network which the

NEW WORLD MORAL ORDER

for permanent peace, freedom, justice, security, and world reconstruction

Next to the fact that much of the map has already been accomplished, is the fact, an amazing and uncanny one, that that map was all ready two months before the USA went to war in 1941. The old bait-words used by all dictatorships: "peace", "security", "freedom" are to be expected, the more villainous the intent the more of these are used. Every Red outfit poses as a "peace and freedom" affair. But note that phrase: "FOR . . . WORLD RECONSTRUCTION"

WHOSE ASSIGNMENT, MR. CONGRESSMAN? Our changed World Map was no BLUNDER. We have occupied GERMANY, JAPAN and ITALY. These were outlined on the Gomberg Map with black, and slated for Occupation, "QUARANTINED," until deemed ready for inclusion in the World Government. We have "reconstructed" all three. We set up a string of Communist mayors across Italy, had the school textbooks rewritten by a Red professor, turned Red agitators loose until it had the largest Communist Party outside Russia. Our troops presumably departed but the billions continue to be poured everywhere in the world where agitation or bribery is needed to "reconstruct" Old line Russian Red revolutionaries like David Dubinsky organize and rove Europe with secret funds and under protection and connivance with our government. WHY?

The USA occupied Japan passed Socialist-Soviet laws, hauled the Reds back from Moscow and out of prison, halted the elections until the substantial ANTI-RED element could be "purged" by the thousands and denied the right to participate in public life. The RED FLAG waved in daily RED parades. It was we who introduced Red voting into Japan, formerly the cleanest, most progressive, law-abiding, and most ANTI-COMMUNIST country in all Asia.

JAPAN had been seeking an armistice for SIX

ANNA M. ROSENBERG, long identified with Communist publications and Communist fronts. It was this Anna who hired the employees for the Manhattan (Atomic Energy) Project which was loaded with Communist Jew spies. Later, as Assistant Secretary of Defense and in charge of manpower for fifteen government departments, she hired more than a million civilians.

Who did she place in important posts? How did she cripple our armed forces in Korea? An investigation should be made. Of the 150,000,000 Gentiles, not a man was qualified to fill her place.

On page 362 Ben Hecht is listed as a sponsor for "Europe Today" Dinner-Forum under the auspices of the American Committee To Save Refugees, Exiled Writers Committee of the League of American Writers, and United American Spanish Aid Committee.

On page 475 of the same Un-American Activities Report Ben Hecht is listed as one requesting your help on behalf of the Russian people. On the same list are many of the notorious Communists in the country.

On page 699 Ben Hecht is listed as a member of the Exiled Writers Committee. The report reads as follows: "The Exiled Writers Committee was a subsidiary of the League of American Writers. The latter organization was founded at the Congress of American Revolutionary Writers in 1935, and has been labeled as subversive and Communist by the Attorney-General, Mr. Francis Biddle . . ."

On page 967 of the Congressional report Ben Hecht is listed as a member of the League of American Writers. We quote the report as follows: "The First Congress of the League of American Writers was held on April 26, 27, 28, 1935. In the call for this congress it was stated that it was intended for writers—who have clearly indicated their sympathy with the revolutionary cause; who do not need to be convinced of the decay of capitalism, of the inevitability of revolution (American Writers Congress, International Publishers, 1935, p. 10).

Further explanation as to the aims of the League of American Writers is to be found in the introduction to its publication Proletarian Literature in U.S. This introduction was written by Joseph Freeman, former New Masses editor (Communist publication): 'The Communist says frankly: art, an instrument in the class struggle, must be developed by the proletariat as one of its weapons (p. 9)'. The group of pro-Communist writers assembled in the League of American Writers considered themselves not only as the appointed spokesmen for the proletariat but as representatives of a powerful but exclusive literary sect.

inhuman and sadistic act.

Some six days before the armistice, on the false pretense that we needed RED RUSSIA to help us defeat our defeated foe, Japan, Russia's entry was made the excuse for giving these REDS the Kuriles, etc., and letting Russia occupy the northern half of Korea—the most highly Christianized Asiatic country. Japanese arms and munitions were given by us to the CHINESE REDS.

The money appropriated by Congress to defend South Korea never reached them. Syngman Rhee begged in vain. Marauding murder bands kept pouring in.

Truman's illegal "police action" in KOREA was kept on an annihilation basis, with insufficient ammunition for our boys to win, for that would have meant a united Korea. We call the North Koreans Reds. We put the Red army into North Korea to draft the North Koreans to kill off their brothers. We kept thousands of anti-Communist prisoners of war in jail. The Gomberg Map provides that Korea is to be part of China, along with Indo-China where we are now meddling on "WORLD RECONSTRUCTION".

We punished the Anti-Communist Germans and Japs, as called for by the Gomberg Map. The Gomberg Map called for a nice Mediterranean hunk called "Hebrewland" and it is now called ISRAEL, achieved by American connivance against the Arabs. The Gomberg Map designates ITALY, SPAIN, PORTUGAL, FRANCE and the low countries as "United States of Europe" NATO was a starter. Loans, bribes and threats can do the rest.

We Saddled Four Nations On Germany

Germany is not only still "quarantined", it is occupied and cut up by four nations. It is black circled on the Gomberg map for occupation until incorporated in the Soviet bloc. HUNGARY, ROMANIA, BULGARIA, YUGOSLAVIA, POLAND were all free and civilized nations in 1939. ESTHONIA, LATVIA, LITHUANIA had been free, but ALL of these countries including FINLAND are shown on the Gomberg Map of 1941 as incorporated into the Soviet bloc of the WORLD GOVERNMENT we are "reconstructing" the world for. ENGLAND, stripped of all except Australia and some East Indies islands, Madagascar, New Guinea, Australia, goes on the

It is still possible to save our country from Marxist slavery, but there is only one way in which it can be accomplished. A sufficient number of people must be informed so that they know the facts. We must have crusaders. If we remain indifferent, uninformed and do not make sacrifices, we will then go down as other countries have, for the enemy is active.

Gomberg police force, having little Red air and sea bases indicated on the map, whereas the USA has little blue-colored ones—we'll be blue enough then to make it appropriate. ALL AFRICA, now seething with Red agitators running out of New York and Prague, is to be one bloc, and all South America another. The COMMUNIST HEADQUARTERS for SOUTH AMERICA is in New York. Somehow the USA is to take over CANADA and MEXICO. By pouring enough billions and boys all over the world and by inventing new trickeries and lies to cover old ones at home and abroad, by wrecking and deceiving all nations, we may get the job done of building the GOMBERG MAP. WHO ARE THESE SUPER-PLOTTERS whose WORLD EMPIRE we are building? Are you afraid to find out?

The lives and liberties of all Americans, the very jobs you hold, are at stake. They have been committed to your hands. WON'T YOU INVESTIGATE?

The Gomberg Map coincides with the prophecies of Daniel and of Christ's Revelation. That blasphemous RED ANTICHRIST WORLD GOVERNMENT stamps and beats down the whole earth until the truth is known and the world is freed. Those "people that do know their God shall be strong and do exploits" (Dan. 11:32). By the word of their testimony shall the whole Red power be brought down (Rev. 12:11). On page 1555, Ben Hecht is listed as an affiliate of the Morris U. Schappes Defense Committee. We quote the Congressional record as follows: "The Schappes Defense Committee is a front organization with a strictly Communist objective, namely, the defense of a self-admitted Communist who was convicted of perjury in the courts of New York . . ."

On page 1650 Ben Hecht is listed as a signer of an Open Letter To Governor Thomas E. Dewey on behalf of Morris U. Schappes, along with other Reds, Marxists and Communists.

HECHT: AUTHOR OF FILTH, ANTI-CHRISTIAN PROPAGANDA:

Ben Hecht, the man with all of the U. S. Government citations, and the man who is now running his own program on one of our largest "Jew" controlled TV networks, was not only one for getting involved with Communist movements but also takes pride in writing some of the filthiest, immoral, anti-Christian material readable. In his book "A Jew In Love", among the literary filth and dirt we find the following passage that explains the caliber and intellect of these people who call themselves Jews: "One of the finest things ever done by the mob was the crucifixion of Christ. Intellectually it was a splendid gesture. But trust the mob to bungle. If I'd had charge of the execution of Christ I'd have handled it differently. You see, what I'd have done was had him shipped to Rome and fed to the lions. They never could have made a savior out of mincemeat."

"Every time you blow up a British arsenal, or wreck a British jail, or send a British train sky high or rob a British bank or let go with your guns and bombs at the British betrayers and invaders of your homeland, the Jews of America make a little holiday in their hearts."

—Ben Hecht in a letter "TO THE TERRORISTS OF PALESTINE"

This will give the reader an idea of the kind of a person who is now operating a show on CBS. COMMON SENSE has brought the facts to your attention. If you want anything done about this matter you will have to do it yourself. Otherwise nothing will be done about it.

"A PROGRAM FOR THE JEWS"

—(Continued from Page 1)—
and the Jews that they are identified with communism and internationalism. (74)

Communism was and is the foundation of society, it was and is the basis of all human progress, it is the soul of all social institutions. It is the hope of the working class, and it is the destiny of the human race. (75)

Like communism, internationalism is the foundation of society, it is the basis of all human progress . . . (77).

Internationalism, as the term implies, means a federation of nations in one universal brotherhood of man. (78).

Think of it, even the German alphabet is Jewish in origin! (79)

Marxism is nothing else than our old friends, communism and internationalism . . . Nazism is nothing else than an imitation and perversion of Marxism . . . Hitler adopted the principles, the ideas, the policy and the method of Marxism . . . Where did the nazis get the idea of the National Socialist Party? Where did they get the principles and demands embodied in the 25 demands of the National Socialist Party? And who were the theoreticians of nazism, were they not socialists, communists and men and women who received their education from Marxism? (81)

Even the swastika was stolen by the nazis from the Jews (82)

The Jews are the best speakers and the best writers in the world (88) and what German lawyer can hold his own against a Jewish lawyer! (88)

And now that the Jews are spread over the whole earth, the Jewish state extends all over the earth. This is the reason why the Jewish state is international and so powerful . . . (92)

There is one work on sociology, and only one work, and that is Marx's Capital . . . Only a Jew could write this work. Marx was the first thinker, and to this day, the only thinker, who revealed to mankind the material basis of society and of history. (98)

Since the Jews are the highest and most cultured people on earth, the Jews have a right to subordinate to themselves the rest of mankind and to be the (99) masters over the whole earth. Now, indeed, this is the historic destiny of the Jews

the Christian world is the most inspiring assurance that the hope of the Jews is coming to a realization: The Christians will become Jews. (174)

For nearly two thousand (177) years the Christians hated the Jews because they rejected Jesus and because they demanded the crucifixion of Jesus. (178)

Thus necessarily grew up an enormous body of laws and ordinances whose sole function was to protect the Jews against a hostile world (181)

The idea of the brotherhood of men is a Jewish idea . . . The continuity between Christianity and the history of the Hebrews is unbroken . . . For this reason it is essential to insist that Christianity is Jewish, and that Jesus was a Jew. (187)

Hitler's declaration that the Jewish consciousness is poison to the Aryan races is the deepest insight that the Western world has yet achieved in its own nature . . . It is the Jewish consciousness which is the enemy, not an organized Jewish army. (199) . . . It is the hidden penetration of the Jewish spirit into the Gentile mind that is the danger; and it is a danger because the "Aryan" mind cannot resist it, but must succumb . . . The thought of the triumph of the Jewish consciousness fills me with joyous exhilaration, while it casts Hitler into the depths of despair. (200)

The Jews cannot be a part of a real national unity. Hitler is right when he claims that he had to suppress the Jews if he was to unify Germany. (201)

The aim of Judaism is to realize this inevitable human society resting on universal communism. (206)

the Bible rests on a mathematical system of an infinite order. Every letter, word, sentence, and so on, has many numerical values. For our present purpose I will point out only this. The numerical value of the Hebrew word for serpent is 358. And the numerical value of the Hebrew word for Messiah is also 358. The Messiah is the serpent. (209)

The Jews never believed that Jehovah ever spoke to Moses or the Prophets as they pretend to believe (217). And the Talmud tells us of cases in which some rabbis even overruled Jehovah (219)

RED HIGHLIGHTS

South Korean President Syngman Rhee, with his people behind him, stands ready to die rather than to be turned over to the Communists. Apparently the South Koreans don't want to end up like the Chinese, Polish, Germans, Arabs, and other victims of the "International Jewry" (Communism) . . . Lyril Clark, Van Hyning, the fighting patriot from Illinois, is petitioning the court to dismiss the case against her. The plaintiff withdrew the complaint with leave to reinstate when the "Jewish" cabal in Chicago learned that the Dillings were going to introduce evidence into court to prove the defendants' alleged libel statements . . . What is to be done about Albert Einstein ("Jewish genius") and the stand he has taken against the U.S. Government and the Constitution. This character who belongs to approximately 50 Communist fronts has come out recently with the following quote: "Every intellectual who is called before one of the committees ought to refuse to testify, i.e., he must be prepared for jail and economic ruin, in short, for the sacrifices of his personal welfare in the interest of the cultural welfare of his country. Like the 'Jews' in the Communist movement, he's deluding the whole U. S. government. Who is going to call this refugee's bluff" . . . The Jewish Voice, 6/19/53, states that Einstein and Lehman are the voices of American Democracy.

Nine hundred Israeli . . .

emancipation of the working class and the Jews will conquer the world and the human race. The races and the nations will cheerfully submit to the spiritual power of Judaism, and all will become Jews. (100)

... a Jew who abandons Judaism and Jehovah and embraces another religion and identifies himself with another god—may he be the son of a Moses—is entirely cut off from the Jewish people and is regarded as dead. (104)

Christianity is akin to Buddhism . . . its sole concern is immortality (118). Death is the chief concern of Christianity. (119) Judaism promises reward on this earth and while we live. Christianity promises reward in heaven and only after death. Jehovah is a living God . . . Jesus is a dead God . . . Judaism rests on a covenant, but Christianity rests on a testament . . . A covenant is between living beings, while a testament is between the dead and the living. Judaism is social. Christianity is individualistic. (120)

For instance, the Catholics and the communists believe in universal cooperation and each side strives to extend that cooperation universally; yet, between the Catholics and the communists there is a life and death struggle, because the Catholics regard their idea of cooperation, as being right, true and good, while the idea of cooperation of the communists the Catholics regard as wrong, false and evil. (136)

... when we look deeper into the nature of communism, we see that it is essentially nothing else than a religion. (138)

But the communist soul is the soul of Judaism. Hence it follows that, just as in the Russian revolution the triumph of communism was the triumph of Judaism, so also in the triumph of fascism. (143) will triumph Judaism. The fascists believe that they are struggling against Judaism, in truth and in fact they are struggling for Judaism. (144)

It is not an accident that Judaism gave birth to Marxism, and it is not an accident that the Jews readily took up Marxism; all this was in perfect accord with the progress of Judaism and the Jews. (148)

The Talmud tells us that the whole world was created only for the sake of the Zaddik; the Zaddik is the spiritual aristocrat, the excellent man. The Zaddik is at the apex of the pyramid. (154) . . . Because the Jews were true aristocrats . . . the Jews always concerned themselves about the downtrodden and degraded masses. (155)

Any one who accepts the Jewish world philosophy, in the whole or in part, becomes a Jew to all intents and purposes. (159)

The great revolution that now takes place in

will be God. (230)''.

Comment by COMMON SENSE: There are masses of material showing that Communism, Zionism, Socialism and all revolutionary movements were launched by Jews. Still many gullible Gentiles refuse to read and learn who is behind the scenes stirring up discord and hate while the strings are being pulled to break down individual governments to set up a One World Government.

Clare Sheridan, traveler and lecturer, stated in an interview carried in The New York World of December 15, 1923:

''The communists are Jews, and Russia is entirely administered by them.''

Boris Brasol, in his book ''The World at the Crossroads,'' 1921, on page 109, quotes ''The Jewish Daily Forward of New York'' as saying: ''We feel that this, the Revolution, is a great triumph for the Jews' cause. The anti-Jewish element in Russia has always been identified with the anti-Revolutionary Party. Jews having always sat high in the councils of the revolutionists, all of our race became linked with the opponents of the government in the official mind!''

''Individual revolutionary leaders of Jewish origin played a conspicuous part in the revolution of November, 1917, which enabled the Bolsheviks to take possession of the state apparatus.''

From the Universal Jewish Encyclopedia ''The Jewish Voice,'' New York City, for October, 1941, carried the following statement by Dr. Weizmann, world Zionist leader:

''We wholeheartedly respond to the appeal of the Jewish rally in Moscow. . . . We are proud of the struggle put up by the Soviet armies whose successes evoke universal admiration and fortify confidence in ultimate victory.''

Otto Weininger, a Jew, states in his book: ''Sex and Character,'' Vienna, 1921, Page 413: ''The Jew is a Communist.''

The end of time is nearing and Antichrist will not delay in coming. However, neither we nor those sisters who come after us will see him, but those who come after them will fall under his reign. Rabbi Prinz Suit

Readers of "COMMON SENSE" will be happy to know that the defense of the \$250,000 suit for alleged libel brought by Rabbi Prinz against the Editor is now well under way. Three able and experienced attorneys have been retained to combat the charges — Mr. Douglas T. Baker of Newark, and Messrs. Albert W. and Kirkpatrick W. Dilling of Chicago.

On June 26th, the first Court hearing was held in the case. Over the strenuous objections of Jewish attorney Jerome Eisenberg, representing Prinz, the Dillings were admitted by the Court to take part in the full defense of the case. Also, Attorney Baker argued the Editor's plea that the case be dismissed because the complaint lacked legal sufficiency, and the Court granted time for filing of briefs and announced that it would take the matter under advisement after the briefs had been received and render its ruling later.

Rabbi Prinz stated for publication when he commenced the suit that it was "about time this scurrilous sheet" (COMMON SENSE) "was put out of business". The American Jewish Congress, of which the Rabbi proudly terms himself "active Vice-President", a sinister, well-financed, Red-aiding organization with hundreds of thousands of Jewish members, hopes that the threat will be made good. It is up to the readers and supporters of COMMON SENSE to back the defense with whatever funds they can contribute to help with the huge expense that accompanies any lawsuit, and, particularly, the one in question which threatens the very life of a newspaper unalterably dedicated to the preservation of Christianity and Americanism.

EINSTEIN URGES REVOLT (Continued from Page 1)

"Go Fight City Hall" praises Einstein. Now Einstein tells another Jew, William Frauenglass, a New York public school teacher, that all suspected as Communists should refuse to answer questions before Committees of Congress. Einstein stated: "Every intellectual who is called before one of the committees ought to refuse to testify, i.e. he must be prepared for jail and economic ruin, in short, for the sacrifice of his personal welfare in the interest of the cultural welfare of his country."

Einstein, a Jewish Red, run out of Germany because he revolted against that government, advises his communist friends to revolt against our government and stated that if he is called before a Congressional Committee he will refuse to answer, as communists before him have refused. What influential Reds were Julius and Ethel Rosenberg protecting when, strapped in the electric chair, they were again reminded they would be released if they would talk? They left their two children and friends rather than talk. COMMON SENSE received numerous letters from informed people stating that they believe Einstein is the mastermind of the atomic spies. Richard O. Boyer wrote in "The New Yorker" that Anna M. Rosenberg hired everyone for the Manhattan (Atomic Energy) Project. This included the Rosenberg spies, Greenglass, Sobel, Gold and other Jew spies. Sworn testimony by Ralph DeSola identified Anna M. Rosenberg as a Communist,—she was a writer for the "New Masses," official communist publication.

We urge the Congressional Committee to investigate Albert Einstein and also Anna Rosenberg, who hired more than a million people for the government while in the Defense Department gumming up the works and planting Reds for the Invisible Government Einstein, a Jewish immigrant, who has more communist front connections than hairs on his head,—a Red who has insulted this country, defied its laws and has given advice to scores of communists, is very active with Herbert Lehman in influencing Congress to admit 240,000 refugees from Europe in addition to the regular quota and thereby defeat the McCarran-Walters Immigration law. Soon after these immigrants arrive they will become active members of Red groups trying to set up a Marxist government, the same as Einstein.

JEWISH COMMUNISM WARS ON THE WHITE RACE

By George Thomas Adams

In the past twelve months, fifteen million Chinese have been settled in Communist satellite states in Europe, particularly in East Germany and Roumania. In the ancient European city of Leipzig, which has always had a German population and a German culture, there is now a Chinese daily newspaper, many Chinese restaurants, and thousands of Chinese residents. More important, the farms left vacant when millions of East Germans were driven from their homes by Soviet orders, have been given to Chinese settlers, and they are encouraged to intermarry with the remnants of the German families who stayed behind. This serves the double purpose of furthering atheist Russia's campaign of extermination against the white race and the Christian religion, and of placating Mao Tse-Tung, Red ruler of China, by helping him to solve China's terrible problem of overpopulation. Mao has done quite a bite to solve it in his own way, by executing fourteen million middle class Chinese since his bloody seizure of power. Mao also sent five million Chinese to be massacred by American machine guns in Korea. Former Secretary of State Dean Acheson, when he was criticized for the high rate of American casualties in Korea, replied by citing much heavier Chinese losses, and declared that we were "wearing them down". It seemed perfectly all right to the former legal representative of the Soviet Government in America if one million American boys were slaughtered and two million Chinese killed, which, of course only saved Mao the expense of killing that much of his excess population.

These fifteen million Chinese are only the beginning of Russia's long-range plans to mongrelize and Mongolianize the white race in Europe. It is one more proof that Russia's sympathies are with Asia, not with Europe and that Jewish communism is the enemy of civilization.

It is understood that the UN plans on bringing five million Chinese into the United States. While this is all going on, the Jews are craftily directing the National Association for the Advancement of Colored People to break down all

The Jew, Elie Eberlin, in his book, "Jew or Today" (Paris, 1923) states:

"Pauli-Zionism goes on with its task in Russia, Palestine and elsewhere. In this very hour it appears as the unique International Proletarian Party. One of its factions joins the Communist Internationale, the other joins the Socialist Internationale."

Of Pauli-Zionism, Rappaport, a Kiev lawyer, wrote (see Parisian Daily L'Intransigeant, May 27, 1920):

"... We have established our power over large industries by means of adroit agitation (labor union organizing, terrorist propaganda against management, etc.).

"... As representative of the Pauli-Zion, I feel it my duty to state to my great satisfaction that our party and that of the Bund have become directing centers, guiding the maneuvers of the flock of Russian sheep."

The London Times for March 29, 1919, reported as follows:

"Of the leaders who provide the central machinery for the Bolshevik movement, not less than 75 per cent are Jews. Among the minor officials the number is legion."

According to World Service, Erfurt, April 13, 1937, ten medical doctors are engaged to watch the health of all persons authorized to enter the Kremlin, and eight of these are Jews.

The following comes from Victor Marsden, Russian correspondent of the London Morning Post: "At present (1918) all Bolshevik Commissars are Jews. All the agitation for the 'glorious Revolution' both in 1905 and 1917 was worked out by Jews. The Jews have stripped Russia bare of all portable property..."

According to the New York American of April 4th, 1936, quoting a Jewish Telegraph Agency cable from Paris:

"International Jewry is definitely siding with the Spanish Government."

The following is from the pen of Alfred Nossigs, a Jew, in his book, "Intergral Judentum", Berlin, 1922:

"Socialism and the Mosaic code are not at all in opposition... all Jewish groups... have a vital interest in the victory of Socialism; they must exact it not only in principle, not only because of its identity with the Mosaic doctrine, but also on tactical grounds... The Jewish socialist is reproached with playing a leading part in the Communist terrorist party."

Investigation on May 1920.

AND NOW EISENHOWER HAS APPOINTED ANOTHER KUNN. LOEB COMPANY JEW LITCHENSTEIN STRAUSS, TO HAVE FULL CHARGE OF THE ATOMIC ENERGY PROGRAM. Of the 150,000,000 Gentiles, isn't there one among them qualified to handle these key positions? The stage is set for Jewish dictatorship. God have mercy on us.

THERE IS ONLY ONE CHANCE TO SAVE OUR COUNTRY, NAMELY, IF A SUFFICIENT NUMBER OF PEOPLE BECOME JEW-CONSCIOUS SOON ENOUGH. JEWS ARE SPENDING AN AVERAGE OF TEN MILLION DOLLARS EACH YEAR PROMOTING TOLERANCE AND BROTHERLY LOVE TO DISCOURAGE PEOPLE FROM EXAMINING THE JEWISH QUESTION. NO OTHER GROUP ON EARTH NEEDS TO DO THIS.

Bernard Lazare a Jew, in his book, "Anti-Semitism and Its Causes", Paris, 1894, wrote: "The spirit of the Jew is essentially a revolutionary spirit and, consciously or otherwise, THE JEW IS A REVOLUTIONARY."

"More than one-third of all Jews in Russia have become Soviet Officials."

The Jew, Louis Fisher, wrote the following in the "New York Jewish Tribune", January 18th, 1924.

"If Bolsheviks are to be judged from what the Jews have gained with them in the realm of instruction the verdict is certainly in their favor."

The "L'Univers Israelite" Sept. 5th, 1867, Paris) carried the following: "Revolution with its Equality and Fraternity, is the star of Israel."

On page 291, we find Lawton writing in his "The Russian Revolution:

"Only the Jews can live; only they are clever enough to dodge the inspectors, who are on the doorsteps day and night. They fill their shops with things smuggled over the frontiers. When it is too hot for a Jew he thinks nothing of liquidating his business and opening up somewhere else, or painting up another name over his shop and putting the business in the name of some relative."

The American Hebrew stated (Sept. 10, 1920): "What Jewish idealism and Jewish discontent have so powerfully contributed to accomplish in Russia, the same historic qualities of the Jewish mind and heart are tending to promote in other countries."

Defense, carried out in the armed forces. Jewish controlled publications are constantly trying to put over the idea that we are all one big family and that negroes and whites should fraternize and marry. Anna Rosenberg was very active in sending negro occupation troops into Germany. It is reported that there are now 50,000 unwelcome negro children in Germany and the Western Zone has been urging the United States to accept the responsibility for these negro children. Mongrelization is an important feature of the plan to break down nationalities and religions so as to set up World Government ruled by Jews.

If you want to be a big help in the fight to save your country and to preserve your own liberty and freedoms, your best bet at this critical moment is to get on the job and help to boost the circulation of Common Sense up to a million copies. When the Americans are correctly and completely informed on any subject they will always do the right thing at the right time. Circulation of a million copies now will win YOUR fight for YOU. So take off your coat and go to work. MORE distribution and MORE subscriptions in your community may be the "straw that breaks the camel's back". YOU owe this cooperation to YOURSELF and to YOUR CHILDREN. They did not ask to come into this world. You brought them into it. It is your DUTY TO THEM to do your best to keep the world a fit place to live in. But enough Americans are not yet aware of the conspiracy or the conspirators. Until and unless EVERY American knows the "score" this nation is in grave danger of defeat and destruction by the enemy.

(This transcription of Rabinovich's speech was given me by a former Bulgarian diplomat who broke with the Communist regime and reached Budapest, Hungary, where he hid out with anti-Communist friends until March. While there, he obtained a copy of this speech, and was then smuggled to Hamburg, Germany, finally mak-

ing his way to this country. A gentleman in Hamburg gave him my name, and he met me and urged me to distribute this speech at once. I sincerely hope that it will give the American people a better picture of the force arrayed against them.)

Abominable Yet True

WOMEN'S VOICE is in receipt of a communication which, in our opinion is of the greatest importance. It is important because the contents vividly recall the boastful, impertinent and contemptible utterances of a certain Marcus Eli Ravage who, in January 1928 and in February 1928, in the CENTURY MAGAZINE published two articles: 1) A REAL CASE AGAINST THE JEWS; 2) COMMISSARY TO THE GENTILES.

The contents of the speech herewith published so specifically fit the present day world situation that every thinking American should ponder over them; the spirit therein displayed is the very spirit which animates the concealed wire-pullers in the councils of the United

Nations who are destroying America, its Constitution and Institutions. The speech also exemplifies the MASTER PLAN outlined in the PROTOCOLS OF THE ELDERS OF ZION. Although made in Buda Pest, Hungary, a country behind the Iron Curtain, the Rabbi's speech, like many other documents of importance has lately reached the United States. It follows:

"Greetings, my children! You have been called here to recapitulate the principal steps of our new program. As you know, we had hoped to have twenty years between wars to consolidate the great gains which we made from World War II, but our increasing numbers in certain vital areas is arousing opposition to us, and we must now work with every means at our disposal to

precipitate World War III within five years. (Emphasis ours. Ed.)

The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a King and every Gentile a slave! (applause from the gathering). You remember the success of our propaganda campaign during the 1930s, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar Propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage, while a nationwide anti-Communist scare is sweeping America. This campaign is forcing all of the smaller nations to choose between the partnership of Russia or an alliance with the United States.

Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections. The Russian, as well as the Asiatic

peoples, are well under control, and offer no objections to war, but we must wait to secure the Americans. This we hope to do with the issue of anti-Semitism, which worked so well in uniting the Americans against Germany. We are counting heavily on reports of anti-Semitic outrages in Russia to whip up indignation in the United States and produce a front of solidarity against the Soviet power. Simultaneously, to demonstrate to Americans the reality of anti-Semitism, we will advance through new sources large sums of money to outspokenly anti-Semitic elements in America to increase their effectiveness, and we shall stage anti-Semitic outbreaks in several of their largest cities. This will serve the double purpose of exposing reactionary sectors in America, which then can be silenced, and of welding the United States into a devoted anti-Russian unit.

Within five years, this program will achieve its objective, the Third World War, which will surpass in destruction all previous contests. Israel, of course, will remain neutral, and when both sides are devastated and exhausted, we will arbitrate, sending our Control Commissions into all of the wrecked countries. This war will end for all time our struggle against the Gentiles. We will openly reveal our identity with the races of Asia and Africa. I can state with assurance that the last generation of white children is now being born. Our Control Commis-

sions will, in the interests of and wiping out inter-racial to forbid the whites to mate whites. The white woman must habit with members of the races, the white men with women. Thus the white race disappear, for mixing the dark the white means the end of the white man, and our most dangerous enemy will become only a name. We shall embark upon an era of thousand years of peace and the Pax Judaica, and our rule undisputed over the earth. superior intelligence will enable us to retain mastery of the world of dark peoples.

(Question from gathering) what about the various after the Third World War

The Rabbi: "There will be no more religions. Not only will the existence of a priest class be a constant danger to our belief in an after-life, we will lose our spiritual strength to irreconcilable elements in many countries enable them to resist us. However, retain the rituals and customs of Judaism as the major hereditary ruling caste, strengthening our racial laws so that they will be allowed to marry of their race, nor will any strange customs be accepted by us.

We may have to repeat the days of World War II, when we were forced to let the Gentiles sacrifice some of their in order that we may have

Common Sense Attacked For 3rd Time, Two Union Boys

UNION YOUTH TELLS STORY OF ASSAULT

Beaten In Brutal Assault

Windows Smashed; Editor Escapes With His Life, As Jew Terrorists Strike! Jews Say They'll Kill McGinley and O'Brien, If One More Issue of Common Sense Published!

Under cover of darkness at midnight, June 3rd, 1952, two carloads of Communist Jews stopped their cars at the office of COMMON SENSE in a third attempt on the life of the editor, Conde McGinley. This group, which preaches so much "brotherly love" and "tolerance" bombarded the office with bricks and pieces of cement breaking the large plate glass window and causing considerable damage. This was a repetition of the midnight attack on March 4th when a car full of terrorists smashed the plate glass window on this bitter cold night when the editor was suffering from virus-pneumonia, so ill he could hardly walk. The first attempt on the editor's life took place when four bombs set to go off 5 minutes apart were placed adjacent to the building on October 31st last year, which, thanks to Divine Providence, was unsuccessful.

For various reasons the editor preferred to ignore the previous attacks but this latest attack proved more violent and he decided his readers should know of the vicious methods used by the enemies of Christ.

Along with this latest attack came a severe warning and threat via the telephone which

was timed to coincide with the confusion resulting from the breaking in of the front part of the building. The conversation which lasted about twenty minutes ran something in this manner. "Is this McGinley? We are Jews who belong to an organization that has decided COMMON SENSE is not going to be printed. What has just happened is a sample of what is to come. We have decided to kill you and your assistant O'Brien if you print another issue." McGinley told them killing him would not settle the question as there were others ready to take his place. The Jews replied "we will get you one by one and will get you when you least expect it." The editor explained he was not against all Jews as he knew all Jews were not Communists. The reply came back that "all Jews should be Communists." The editor suggested they select three of their leaders, and that he would furnish three former Jews who are not Communists to represent him, and if their leaders could prove that COMMON SENSE was printing anything but the truth, he would apologize and discontinue publishing the paper. The Zionist answered "We are not interested in

to us and about six men jumped out. One threw a rock through the windshield and told us to get out of the car. Before we could get out they were pulling us out. They then started beating us with skid chains and fists until both Ed and I fell to the ground. They beat and kicked us for several minutes. The men then got in their car and left, but before they pulled away Ed got their license number which was turned over to the police. When it was all over I noticed Ed laying on the ground all covered with blood. I tried to take his shirt off because he had his good clothes on. His face was badly bleeding. There was a hole in my neck. I went to the hospital and later Ed was taken to the hospital. He had lacerations and abrasions."

that; the paper has to be stopped. We keep up with every move you make and every time you go out of that door you can look for us." During the conversation special emphasis was placed on the fact that McGinley was opposing Eisenhower. They also mentioned they knew the paper was printed in Florida but now printed in New Jersey again. Two men took part in the conversation, threatening violence if the paper was printed, and several times the party talking stopped to say "Wait until I talk to my boss," and the boss came twice to the phone to talk to McGinley. The editor called attention to the fact that COMMON SENSE had offered space in the paper for the Communist Jews to refute its charges. McGinley stated it would be a mistake to kill him as everyone would know it was the Jews. Jews should keep in mind there are localities in the United States where not millions of Jews like in New Jersey, and if the Jews were would hire a bodyguard to protect they could not be blamed. McGinley their leaders were criminals and

Union, New Jersey

Dear Patriot,

Bernard Baruch is pushing for a "Stand-By" Mobilization legislation so that the minute a move can be interpreted as an attack, every citizen and all factories and resources will be under rule by those whom Zionism designates -- rule by the Invisible Government. Reports from Washington indicate that the plan is to place General Mark Clark, half Jew and a Zionist, as Chief of Staff, and General Curtis E. LeMay, Jew, as Chief of Staff for the Air Force.

Admiral Lewis L. Strauss, Jew, and associate of Kuhn, Loeb & Co., has been appointed No. 1 Atomic Energy man. Arthur F. Burns, an Austrian-born Jew, has been appointed Economic Advisor to the Administration. Our information is that he is Red. His record back to N.R.A. days should be investigated. He succeeds Leon Keyserling, a Jew. It is reported that Leon's wife is a Communist; it is anyone's guess as to Keyserling.

Gentile stooges for Zionists have been placed in key spots with a Jew just under them. Are the Zionists setting the stage for an early war, with or without the consent of Congress? Or is it the plan to create an emergency, then with a mobilization law and Civil Defense in their hands, take over as they have in all Communist-controlled countries?

PLEASE ALERT EVERYONE POSSIBLE TO PROTEST TO THEIR REPRESENTATIVES IN WASHINGTON TO BERNARD BARUCH'S MOBILIZATION BILL. WE STAND AT THE CROSSROADS.

Sincerely your for Christ and Country,

A review of file No. 105-426, American Flag committee, reflects that Philadelphia has for several years furnished copies of captioned publication to the Central Research Desk at the Bureau. This page is published by CONDE MCGINLEY at Union, N. J., and received by this office thru a P. O. box. Several years ago MCGINLEY, and W. HENRY MacFARLAND, Jr., Chairman of AFC, considered a merger of their organizations, but differences arose and the merger was never accomplished. Copies of "Common Sense" were first placed in the AFC file at the time of the contemplated merger, and the AFC file number has been utilized for "Common Sense" on occasions when complainants wrote to this office about receipt of the paper. This has resulted in some confusion in the CCO, and since there is no relationship of any nature between the AFC, and "Common Sense", it is suggested that future matters pertaining to captioned publication be placed in a dead jacket.

According to [REDACTED] the anonymous friend did not know the identity of the individuals concerned in the circulation of the material, however, informant learned the publication had been placed in the lockers of various individuals in the Naval Base and had been placed in coat pockets and automobiles of several persons. Informant advised that he would provide the writer with copies of the issue of "Common Sense" that had been distributed.

Jersey-Mailed Pamphlet Smears Jews and Negroes

Thousands Being Delivered Here Under Post Office
Ruling Making Addresses Unnecessary;
Copies Wanted for Examination

A flagrantly anti-Jewish and anti-Negro pamphlet is being circulated in the Wilmington area through the United States mail.

Thousands of the pamphlets are being distributed to every resident of the area under the ruling of the postmaster general which permits bulk mailing of advertising and other matter without specific address.

The printed matter is actually two pieces of literature in one orange folder, according to a suburban woman who received one today. The postmark is Union, N. J., where permit No. 32 was issued for the mailing.

Officials Don't Look

Post office officials here said they knew nothing about the contents of the publications, and urged that copies be sent to the office of the superintendent of mails, so that they can be examined to see if there is a violation of postal regulations.

"We don't look to see what's in a mailing of this sort," one official said. "They're an awful nuisance. Since that ruling was put into effect, we have gotten mail for each of our 57,000 stops on an average of twice a week. Our men are overloaded because of them."

"Unless we are shown that there is a violation of postal laws and regulations, we are powerless to stop mail of this nature."

According to a woman in Rose Hill Gardens who received one of the flyers, they contain a small newspaper, entitled "Common Sense," and published at 530 Chestnut Street, Union, N. J., with Conde McKinley as editor.

'Red Dictatorship'

Also contained in the package is a lithographed sheet called "The Coming Red Dictatorship."

Both, she said, "are nothing more nor less than a race hate thing."

"Common Sense," she reported, lists integration in the public schools as "a final attainment of a Marxist goal," linking it defi-

nitely with the world Communist movement.

Both publications attack Delaware's attorney general, H. Albert Young, Anna Rosenberg, Supreme Court Justice Felix Frankfurter, Ralph Bunche, and many others.

"The Coming Red Dictatorship" also claims that "Asiatic Marxist Jews control the entire world as the last world war commences" and says "you will be shot, or at best confined in concentration camps they have built for you at Avon Park, Fla.; Allenwood, Pa.; Florence, Ariz.; Tulalake, Calif., and El Reno, Okla."

Both publications mention Senator McCarthy as being in the van in trying to root out this conspiracy, and imply that President Eisenhower is tied in with the plot.

"I just can't stomach something like this; they shouldn't be allowed to send it through the mails, but according to the Post Office Department, it is mailable," the woman from Rose Hill Gardens said.

The pamphlets also urge the receivers to sign a statement against integration and return it.

48th Annual Meeting of Armstrong Ass'n To Discuss 'Good Housing for Everybody'

An old and important organization in Philadelphia Negro life starts the New Year off right by opening up a much-needed discussion on the vital question of housing in our city.

The Armstrong Association confab will hold forth at the Penn Sherwood Hotel, 39th and Chestnut Sts., Thursday, Jan. 13.

Lewis J. Carter, Jr., the association's executive director, in commenting to the press on the conference, said:

"It is clearly recognized that housing for minorities is the largest special problem in those parts of the world where racial cleavage exists. This is true of Johannesburg, South Africa and is equally true of Philadelphia. Therefore, we are dedicating our Forty-eighth Annual Meeting to the problems facing our Negro population in securing adequate housing for its steadily increasing numbers in the Greater Philadelphia Area.

"Where to find land to build for open purchase and rental for all groups; how to relocate families in the face of urban renewal and redevelopment programs; how to make happy neighborhoods when Negroes chance to buy in a block; what part government should play in its relations to finance institutions, to builders financing and the tight situation of mortgage money are matters of real concern to Philadelphia Negro families."

The urgent need to tackle the housing question in Philadelphia is pointed up by the recent Chamber of Commerce report that virtually complete reversal in the pattern of construction in the city has taken place in the last few years as far as residential housing is concerned.

According to figures from the Department of Licenses and Inspections, City of Philadelphia, the total valuation of building permits in 1950 was \$139,874,020 of which \$86 million was residential and \$53 million was non-residential.

This compared with an estimated total valuation for the first 11-months of 1954, of \$138,700,000 including \$41 million for residential and \$97 million for non-residential.

Residential building has dropped about 50 percent in five years so that the housing question is well placed on any agenda as the new year opens.

Wilmington Mayor Denounces Anti-Negro, Anti-Communist Tabloid

The Mayor of Wilmington, Del., August F. Walz, last week condemned as "vicious and scurrilous" the anti-Negro and anti-communist tabloid publication "Common Sense."

"Common Sense" which is published in Union, N.J., and styles itself as "The Nation's Anti-Communist Newspaper" has been mailed to "local Patrons" in the outlying areas of Delaware's largest city.

A news story in a Wilmington paper quoted the Mayor as saying in a letter sent to Delaware Senators John J. Williams and Allen J. Frear, Jr. and Rep.-elect Harris B. McDonald: "I believe you will agree that a situation of this nature is one which needs investigation in the interest of the welfare of our city."

On December 20, 1954, [REDACTED] of known reliability, provided the writer with a written report which is being retained as Serial [REDACTED]

b2
b7D

This report in part reflects that there has been a concentrated distribution of the newssheet "Common Sense," as well as other publications of the "Common Sense" organization, made at the Philadelphia Navy Yard. A November issue of "Common Sense" was placed in many lockers and coat pockets of prospective readers.

The informant made available to this office a copy of the November 1, 1954, issue of "Common Sense" that had been distributed at the Navy Yard, along with a one page leaflet entitled "The Coming Red Dictatorship." These items are retained as 105-1646-1A-2. It is noted informant desired the return of the items. However, in view of penciled notations on the items, the informant was content to receive photostatic copies in lieu of the originals.

The informant said that he obtained the publications from a friend who desires to remain anonymous and who is an employee of the Navy Yard. [REDACTED]

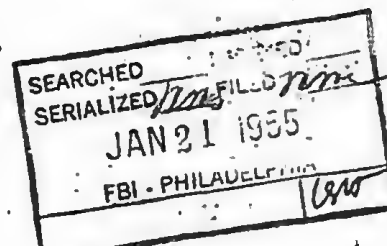

b2

[REDACTED] said that his friend at the Navy Yard had been unable to identify the individuals who made the distribution and, through inquiry, had been unable to determine if anyone else had identified the distributing individuals.

ONI has been verbally advised of the above through liaison conference on December 28, 1954.

Gentlemen:

Recently my husband and I were shown copies of a newspaper called "Common Sense" which is published in Union, New Jersey. It is reputed to be "America's only Anti-Communist Newspaper".

However, our suspicions were aroused by several things. First, it claimed to know that Fort Knox is completely void of any gold storage; that the government does not control the money in the Federal Reserve System; and supposedly was printing "little known" Communist facts about persons publicized in daily newspapers as known Communists.

The second thing that made us doubt the "Anti-Communist" claim is that, even though this paper was received in a properly addressed envelope with a return address, and was supposed to be entered as second class matter at the post office, it bore no postage stamp and no post mark, and therefore, could not have been sent through the United States mails. Why? b6
b7C

Even though this paper claims to be against Communism, everything printed in it, if believed by its readers, would undermine their confidence in the United States Government, which, as we all know, is what the Communists want to do.

It may be a perfectly legitimate paper, but to our way of thinking, it is Communist inspired. There is just enough truth printed (such as articles about known Communists) to make lots of people believe the rest of it. (Just as the person who showed these papers to us said "It has to be true, because here is an article about so-and-so (a known Communist)").

As stated before, it may be perfectly legitimate, but as citizens intensely interested in seeing all Communists exposed for what they are, my husband and I thought it our duty, to bring this to your attention.

We are vitally interested in what is found out, or known about this publication, because someone very close to us is being influenced by this paper, and if there is anything wrong with it, we would like to set them straight before it is too late.

Very truly yours,

Essex County Clerk's Records Reflected Suit
Against CONDE MC GINLEY

Records of County Clerk, Essex County, N.J., checked at Essex County Hall of Records, Newark, N.J., on 12/27/56 by SA [redacted] reflect that JOACHIM PRINZ instituted action against CONDE MC GINLEY, owner, publisher and editor of a newspaper (not mentioned) for publishing a false and defamatory libel about the plaintiff on March 22, 1953, in Superior Court of New Jersey, Chancery Division.

b6
b7C

✓ On April 6, 1955, the action resulted in a verdict in favor of the plaintiff and against the defendant, MC GINLEY, in sum of \$5,000 compensatory damage and \$25,000 punitive damage for a total of \$30,000 together with taxed costs.

According to the "Newark Evening News", Newark, N.J., on April 15, 1955, Rabbi JOACHIM PRINZ, of Temple B'NAI ABRAHAM, was awarded the verdict of \$30,000 by a jury on March 31, 1955. The judgment included \$5,000 in compensation damages and \$25,000 in punitive damages against the editor of the semi-monthly four-page tabloid published in Union, N.J., of which CONDE MC GINLEY was the Editor.

✓ CONDE MC GINLEY, Editor of "Common Sense", had been sued for his characterization of Dr. PRINZ as a "Red Rabbi, who not unlike ALBERT EINSTEIN was expelled from Germany for revolutionary, Communist activities". This item, written by an associate of CONDE MC GINLEY, characterized in

NK 105-1910

the Newark paper as [redacted] appeared originally in the April 1, 1952 issue of "Common Sense".

The Essex County Clerk's records reflect that as of October 31, 1956, plaintiff JOACHIM PRINZ filed complaint indicating that the judgment remains unpaid and unsatisfied except for the sum of \$1,000 collected by the plaintiff from other assets of MC GINLEY found in another jurisdiction.

This item regarding the unsatisfied judgment appears in a complaint filed by JOACHIM PRINZ with the Essex County Clerk on October 31, 1956, in which the defendants are listed as CONDE MC GINLEY [redacted]

[redacted] the Christian Educational Association, a New Jersey corporation, Muriel's Inc., a New Jersey corporation, Union Patriotic Press, a non-profit corporation of New Jersey, and unknown defendants JOHN DOE, JOHN ROE and JANE DOE. Docket No. AC-480-56.

This complaint alleges that on March 11, 1953, after being informed of the pending suit, MC GINLEY purchased property known as 530 Chestnut St., Union Township, N.J., from [redacted] and in order to conceal the property so purchased from creditors and to render himself judgment proof, MC GINLEY caused the title of said premises to be taken in the name of [redacted]

b6
b7C

The complaint further alleges that on March 17, 1954, during pendency of this action and after MC GINLEY had occupied the above premises [redacted]

[redacted] the defendant, Christian Education Association, a New Jersey corporation, was organized by MC GINLEY and [redacted]

[redacted] to succeed MC GINLEY in the ownership and operation of the aforementioned newspaper published by MC GINLEY, all for the purpose of hindering, delaying and defrauding the plaintiff and other existing or future creditors of MC GINLEY.

This is a matter of grave importance to you and your descendants. Do not discard it lightly. Read it with care. Do not think it is just another crank letter. Your race and mine is in serious danger. It is a matter of ~~liberty or slavery for your grandchildren and mine.~~ I am working free and paying this expense for your salvation.

I am a white, native-born American citizen of gentile, Christian faith and assume that you are too, or I would not bother to write you. Of course, I will make a few bum guesses on a blind date.

We gentiles founded this country and made it what it is. Then we made the error to invite another race into our country and offered to share everything with them. They now want the whole business. They have hogged most all business, taken more than their share of the professions and grabbed most of the white-collar jobs. Nobody has ever seen one in overalls, doing honest labor. Half the professors of Harvard University are Jews. The U. of C. is in about the same predicament and universities over the U.S. are saturated with them.

Changing their names to gentile names they are heavy in our military Administration and set to knock us over soon as they are strong enough. Under gentile names they hold many high Government posts. Ike's desk is surrounded with them. Ike recently said that if he could name his successor he would pick a certain Jew whose desk is a few feet from Ike's. They influenced Ike into the 72 billion Budget. They are making every effort to confuse and bankrupt the U.S. Government, throw our citizenry into bewilderment and disgust and grasp at Communism as a remedy. Then the Jews take over as they have in the Iron Curtain Countries. The Jews run the governments in these countries. The gentiles are the slaves. Do you want this to happen to us?

The Jews have a dozen or more strong organizations to which every Jew is automatically a member. None dare resist. Our race, kindhearted and fast asleep has nothing. We should have before it is too late.

The newspapers dare not tell us the facts. They would lose their advertising. The Jews, owning everything, buy about 80%. The only information that can reach you is in a few pamphlets published over the nation. They are weak financially, accepting no advertisements. I contribute what I can afford to "COMMON SENSE", published at Union, New Jersey. Write them for free sample copy. Subscribe: \$1 a year, semi-monthly.

If I sign my name I am open to assassination. May get it anyway since these bullies brook no opposition. What makes the diff if I can save you?

Warren Studies Talmudic Law Here

The New York Times
Chief Justice Earl Warren with Dr. Louis Finkelstein,
chancellor, on arrival at Jewish Theological Seminary.

By RICHARD AMPER

Chief Justice Earl Warren enrolled yesterday for a short course of instruction in judicial decision-making processes more than 2,000 years old. The head of the nation's highest tribunal, who has made some historic decisions of his own, sat down with scholars of the Jewish Theo-

logical Seminary of American for three days of discussions of Jewish law and its relevance to contemporary legal problems. Dr. Louis Finkelstein, chancellor of the seminary at Broadway and 122d Street, said he had long been

Continued From Page 1

acquainted with Mr. Warren. He disclosed that the Chief Justice had expressed a desire to learn something of Jewish legal tradition with its guiding emphasis on moral law.

"It is unusual in any country for a Chief Justice to sit down with a group of scholars," he said.

"We desire to express our respect and reverence for him as a person, and for the legal system at the head of which he stands, by sharing with him our most treasured possession—the Talmud and its teaching."

The Chief Justice donned a black skull cap to attend Sabbath Eve services at the seminary in deference to the Orthodox and Conservative Jewish tradition of keeping the head covered in houses of worship.

Mr. Warren will participate this afternoon and tomorrow in discussions of the Talmud, containing the code of Jewish ecclesiastical law, called the Mishnah, and its interpretation. The interpretation is analogous to a Supreme Court decision expounding the merits of a case, rabbinical reasoning and its conclusions.

At last night's session following a dinner, Dean Saul Lieberman of the seminary's rabbinical school discussed aspects of the Mishnah dealing with the law and court procedures. It included the Jewish legal view of self-incrimination, involved in the Fifth Amendment that has posed a vexing question in American constitutional law.

He explained that under Jewish law, where there is no other evidence or witness against a defendant, he cannot incriminate himself because of the rabbinical concept that if a man testifying against himself is a repentant sinner he is beyond court jurisdiction.

In an interview before yesterday's meeting, Dr. Finkelstein said that Mr. Warren had

expressed an interest in the process by which rabbinical scholars made moral standards the prime determinant of all judgments on human conduct.

Then he explained that enforcement of Jewish law was based partly on religious appeal, the ideas of reward and punishment in a future world or the present one, and partly on religious love or fear of God.

The first and overriding consideration in any decision on allowable conduct under the Jewish process, he said, was: "What is right? What does God want?"

At the close of the session Mr. Warren observed that the American Constitutional protection "is, perhaps, not as sacred as in ancient times." A measure of protection exists here, nevertheless, he said.

He expressed his thanks for the lesson in Jewish law and said it showed how much of the common law could be traced back to Judaic origin. He cited the lecturer's references to protections against double jeopardy and self-incrimination.

During the lecture, the Chief Justice sat attentively, sometimes with arms folded across his chest. Often, as he studied a copy of the law and listened to the explanations, he leaned on his elbows and cupped his chin in his hands.

Dr. Finkelstein said that the subject of racial segregation would not be mentioned at the seminary talks. This would be in deference to judicial tradition against public discussion by a Supreme Court justice of any case in which the court was involved. Mr. Warren wrote the majority opinion outlawing segregation in public schools.

But he said during the interview that part of the difficulty in ending Southern segregation resulted from the Northern moral violation of equal rights.

At today's session, Shalom Spiegel, William Prager Professor of Medieval Hebrew Literature, will discuss the Biblical concept of justice. Sunday's session will deal with the precise application of Jewish ethical precepts to contemporary problems of American law.

CONDE MC GINLEY is the editor and publisher of "Common Sense", a bi-monthly newspaper.

CEA headquarters are at 530 Chestnut Street, Union, New Jersey.

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and

NK 105-1310

devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

At this time, [REDACTED]

this newspaper were of a type which were always of an
argumentative nature and usually were "anti" some group
or "anti" some person. He stated that he noted particularly
that this newspaper seemed to be "anti-semitic". He stated
that he had decided that possibly the newspaper was some type
of a subversive newspaper of either Communist or Fascist
origin.

He stated that he did not know how he came to be
listed on the newspaper's mailing list, except that approximately
five or six months ago, a man came to his gas station and borrowed
some tools to repair his car. [REDACTED] recalled that this man
had a lot of newspaper and pamphlet type material in his car
and that he did talk kind of "funny" in that all of his conversation

Gentlemen:

On 12/21/60, telephone call received from [REDACTED] who advised that he had received in the mails an envelope containing "hate" material apparently mailed by American Nationalist, Box 301, Inglewood, California, or the American Birthright Committee or possibly the Keep America Committee, Box 3094, Los Angeles 54, California. All of these various organizations are mentioned on the literature, but no doubt tie in with Common Sense of Union, N.J., because their issue of 11/15/60 was also included with the literature.

[REDACTED] does not know how they obtained his name, unless perhaps they obtained it from a list of those who recently passed the State Bar examinations. [REDACTED] stated that he does not fall for this type of literature and stated that he had contacted the Postal Inspectors, who advised him that there was nothing they could do with respect to transmitting material of this sort through the mails, but, if he desired he could refer it to the FBI. Therefore, [REDACTED] forwarded it to this office, which was received this date and is being submitted herewith.

phoned this office to report that she had received in the
mails a plain envelope postmarked SF. Her name and address
was handprinted and the envelope contained a printed sheet

At first she thought perhaps some kid from school had
found the sheet and mailed it to her as a joke. However, the
more she thought about it, she thinks it was a deliberate plan
of some individual or group in SF to harass her with this
sheet which denounces all Jews. She desired to forward it
to this office. It was received this date and being attached

Gentlemen:

105-1997

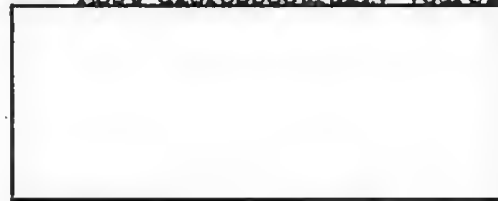

Please do me the favor of removing my name from your list of subscribers to your publication, Common Sense. I do not know how you got my name and address, but after reading this issue and the previous five or six that I've received I want nothing more to do with your little paper, your organization, or your type of people.

Rarely have I read such nonsense as that which I've come across in your publication. Not only do you fictionalize the facts, but you present outright lies in the hopes that your readers will embrace and accept them as presented.

Though in banner headlines you supposedly condemn Communism, your paper is written in such a manner as to make me believe that your organization is Communist inspired. Your purpose, as I see it, in publishing your little rag is to turn the American-Jew, the American-Catholic, the American-Negro, and the American-Christian against one another, and undermine the faith of the American people in their Government. I understand that these are both primary objectives of the Communist Party in the United States. From this you may draw your own conclusions as to what I think of you and your organization.

My most recent copy of Common Sense along with a copy of this letter is being sent to the Federal Bureau of Investigation with a request that they investigate your little organization and in some way take steps to curtail the publication of your Common Sense.

Most disrespectfully yours,

The car at the time was parked behind the union hall. Supposedly they had heard radio publicity given to such publications with the request that it be turned in to the Sheriff's office for relay to Federal Authorities. They called to the Sheriff's Office at the time of discovery and told that someone would pick up the papers, however such was not done.

Upon cleaning out around their office this date, they discovered the papers and brought them in as indicated. He was told they would be turned over to the interested federal agency.

FBI Agent was notified via phone. A copy of this report and the newspapers will be turned over to them at their convenience.

3. **UNLESS YOU ACT AT ONCE** to stop this plot which has been steadily progressing for many years, and especially the last 20 years, and now has its key men in the desired positions of power, ready to pull the strings, Christian humanity will be enslaved forever.

4. Every Senator and Congressman is constantly voting on questions concerning the world crisis, yet few have the guts to tell the people what is back of the entire world crisis and to advocate measures to counteract it.

5. Rather than endure the smear that would come their way, many members of Congress are willing to sell their own future generations into slavery. Spineless

newspaper in the land talks of the world crisis, but not one dares to inform the public of the Jew plot behind the crisis. They might lose advertising.

15. The International Jewish Council met at Basle, Switzerland, in 1897 and drew up the "Protocols of the Learned Elders of Zion" as the formula for their plan to capture control of the world.

16. Jews claim the Protocols are forgeries. A forgery is an unauthorized copy of an original. The Jews never question the authenticity of the original Protocols which were written in Hebrew. The important fact is that the Jews are carrying the plot out to the letter.

17. The Russian Revolution was financed by Jews, **Jacob Schiff, Otto Kahn & Paul Warburg, of Kuhn, Loeb & Company**, New York bankers. They advanced 48 million dollars and trained 276 Jewish revolutionaries in New York City on the lower East Side who were shipped to Russia in 1917 to

They are presiding over the dissolution of the white race.

They passed through Germany (with whom we were then at war) by permission of Paul Warburg's brother, who was the Kaiser's Chief of Espionage, and permission of the German Chancellor, **Von Bethman-Hollweg (Jew)**. 37. Jewish international banker forces that
backed **Eisenhower** for President also backed

promoting Communism in accordance with
the Jewish plan to control the world as out-

The public could thus be aroused, and once aroused, would give them its support, and smear of individuals could not take place when a goodly number act simultaneously.

10. The Jews consider this their destiny as "the chosen people."

11. To accomplish this they create wars, revolutions, and depressions in order to seize the power during the resulting chaos.

12. For hundreds of years this has been the Jewish plan on the instructions of their Grand Sanhedrin of Constantinople in its Vengeance Protocol of 1492.

13. To do so, they have cornered the world's gold supply and have sold the world the fiction that gold is wealth, instead of the land and commodities being recognized as wealth. By their control of gold, they have enslaved all nations to them through loans. They hold the world in an economic straitjacket.

14. By their control of gold, they control the means of propaganda, smearing all newspapers and publications who do not kow-tow to their wishes, and also shutting off all foreign news they do not wish a nation's people to hear. Every regular

Rothschild, Kuhn, Loeb & Lehman, etc.

19. The public thinks the Federal Reserve banks are government owned, but they are privately owned, the geographic dispersal of twelve to represent decentralization just being window-dressing as they all are dependent on the Federal Reserve Bank of New York which is under control of the Wall Street Jewish international bankers.

Today, 1954, the National debt is 276 billion dollars. Can you see where the money power lies? By their control of gold the Jewish international bankers get rich while Gentile America gets poorer and poorer. In the "Protocols" they say they will drain the entire product of material and labor off the land into their treasuries.

This included the spies **Julius and Ethel Rosenberg**, **Greenglass**, **Sobel**, **Gold**, **Klaus Fuchs** and others. **Sidney Fields** writing in the New York Mirror November 15, 1950, describes the power Anna had while in charge of the nation's manpower: "Tomorrow Mrs. Anna M. Rosenberg assumes her duties as Assistant Secretary of Defense in charge of the nation's manpower. There are about 115 different U. S. government agencies concerned with manpower." Mr. Fields quotes Mrs. Rosenberg: "Today we are in for a long pull . . . I would not dare estimate how long. Nobody would believe me. But it's going to last a good many years." 40. While focusing our attention on the enemy from without, the enemy from within has captured the United States government. The power passed from the people to the state about twenty years ago. No longer are the three divisions of government, Legislative, Executive, Judicial of equal power as was intended by the founding fathers.

41. Only the form of a Republic is maintained, deceiving the people into believing they have a Republic. They have same on local level only, not on a national level.

42. The Executive is all powerful. Congress is powerless. By patronage and by strategy the Executive gets his way. He can

buy legislation. Congressmen admit they have no check on the astronomical budget figures they vote for, and once voted, the Executive can spend it at will with no check up. The Executive appoints the Supreme Court Judges and so controls that also.

43. The invisible Jewish government has been in control of the U.S. since F.D.R. took office, and also controls WINSTON CHURCHILL, England, France, the Soviet Union, Israel, Hungary, and Czechoslovakia, Poland, and Roumania.

44. The land in Israel is owned by the PALESTINE POTASH CORP. and the PALESTINE ECONOMIC CORP. represented in the United States by the National Jewish Fund. Arabs had occupied part of this land for 1,300 years and part 1,700 years. The Jews came in from other parts of the world and murdered the Arabs and pushed nearly a million into the desert where 850,000 still exist.

45. WINSTON CHURCHILL sent his war time

forced to study and accept Communist propaganda. Those who accept will be given the advancements and allowed to study for the positions of doctors, dentists, lawyers, etc., but those who rebel against it will be chosen for floor scrubbers, etc.

(k) The Human Rights Covenant, drawn up by ELEANOR ROOSEVELT, DEAN ACHESON, and two Russians, gives the government of any member nation of the United Nations the right, if it thinks itself threatened, to curb the freedom of the press, and impose martial law, and to take over all industry and all labor.

This is the means they intend to use to spring the trap on the United States and take over the government with their dictatorship. They are also pushing to do the same thing by urging passage of standby mobilization legislation, for which BARUCH appeared before Congressional committees and for which he has made public speeches in advocating that the President be given complete authority to mobilize everyone

47. THE JEW PLAN.

(a) To cause wars to consume the American Gentile manpower which should be the seed of this nation.

(b) To replace the consumed American Gentiles with Jewish immigrants from Europe and Asia.

(c) To consume the money of the American Gentile population by the direct and indirect taxes necessary to pay the interest to the Jewish international bankers on the national debt and to pay national budgets brought about by the cost of the wars and the preparation for wars.

THE PASSING OF THE WHITE RACE

48. Jews keep themselves segregated and do not intermarry but they want the Gentiles to intermarry with colored races. Why not, then the Jews? Oh, no, they consider themselves "the chosen people" to rule over all the other races of the world.

This plot could not go on if the newspapers of the country would inform the people. Papers daily speak of the world crisis yet not one of the regular commercial dailies has the guts to come out with the truth of the Jew plot. They would lose some Jewish advertising dollars—so better to have wars and the dissolution of the United States and the passing of the white race than to lose those precious Jewish adver-

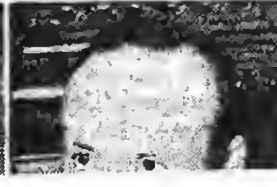

East Germany to pay munist soldiers. Jew ions of this money to ness.

(n) He appointed the ROOSEVELT-TRUMAN favorite General WALTER BEDELL SMITH as Undersecretary of State, who is one of the five men who knew the Japs were on their way to attack us at Pearl Harbor and did not alert our forces there.

ITS B'NAI B'RITH, AMERICAN JEWISH CON- GRESS, are subversive conspiracies carrying out the Jew plan. They are a "Gestapo" in every community. The Jewish communities everywhere fully cooperate—none disvow it. They have been taught it for hundreds of years. The PROTOCOLS OF ZION are being fulfilled. Act now or your posterity will be slaves forever! BENJAMIN FRANKLIN predicted this in his Convention Speech in 1784, and you have carried it out and brought it to the point at which the trap is about to snap. Get together at once and undo it or be prepared to take the consequences and you and your posterity, will be wiped out or go into slavery forever. There is no time to delay.

In case you think we are prejudiced, history for more than 1,000 years indicates that where ever these people have settled, it was necessary to evict them eventually—Babylon, Spain, France, England, and as recent as 1939, Germany. AND IT WILL HAPPEN IN AMERICA.

CHRISTIAN EDUCATIONAL ASSOCIATION

The Christian Educational Association of 530 Chestnut Street, Union, New Jersey, is the publisher of "Common Sense," a tabloid-size newspaper published twice monthly except during July and August. Current issues of this paper identify the editor as Conde McGinley and the publisher as the Christian Educational Association.

On December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a "Preliminary Report on Neo-Fascist and Hate Groups" in which their growth and objectives are discussed at length. The report indicates that "Common Sense" has a circulation which fluctuates between 30,000 and 100,000 copies an issue. It describes "Common Sense" as a "hate sheet" vehicle which publishes "some of the most vitriolic hate propaganda ever to come to the attention of the Committee."

According to the report, "Common Sense" depicts Communism as Judaism and devotes its pages almost entirely to attacks on the Jewish and to a lesser extent, the Negro minorities in the United States. Sympathy for the former Nazi government in Germany is also shown in the paper.

Anti-Semitic Literature Distributed

A number of "rabidly anti-Semitic" pamphlets were distributed on the Hartnell campus last night, campus sources reported today.

The literature, which included a periodical, "Common Sense," was distributed by unknown persons through open windows of cars parked on the campus parking lot. Campus sources described the literature as "rabidly and viciously anti-Semitic."

Student commissioners were slated to discuss possible steps to be taken at their noon session today. Temper of the campus over the literature was described as "furious."

The periodical, "Common Sense," reports it is published twice monthly from Union, N.J., by the Christian Educational association. Conde McGinley is named as editor.

A large pamphlet, containing such statements as "Asiatic Marxist Jews control the world," describes itself as a publication of the same Christian Educational association.

The number of bundles of literature distributed was not known this morning. An apparent attempt was made to localize the attack in at least two instances by references to a candidate for the Salinas high school district board of trustees.

The literature was distributed on the eve of the high school district trustee election being conducted today.

Dear Sir:

Since we have moved to Milpitas we have received what we think is Subversive mail - we never received any at our other home in Sunnyvale.

First in a plain envelope, no return address but post marked Los Altos came a paper against negroes - We have a negro family next door to us so thought someone sent it because of that. Next still in a plain envelope post marked Los Altos came material against Kennedy - then against Jews and so on, material of negative hatred trouble making nature. Now it comes with return addresses altho they are often

This is against Jews.

We do not enjoy this material
and do not want it. What's more
it frightens us to think our name
must be on some Subversive

addresses do not come 1st class

away.

What can we do about this?

Thank you.

On July 21, 1964, [REDACTED]
[REDACTED] Redwood City Police Department, Redwood City, Calif.,
furnished two letters which were received by [REDACTED]
of the Redwood City Police Department. These letters were
addressed to [REDACTED] Police Department, Redwood City, Calif.
and were unsigned. One came from Los Angeles, California, and
the other from Jacksonville Florida. Both contained literature
of captioned organization and the Los Angeles letter also
contained literature of the American Birthright Committee,
446 Isabel St., Los Angeles, 65, California and the Keep
America Committee, Box 3094, Los Angeles 54, California.

[REDACTED] advised that [REDACTED] advised him that
he did not solicit this literature and has no idea who is
sending it to him. [REDACTED] advised that it is the best guess
of his department that [REDACTED] name was obtained from
the local press which reported a local disturbance which
occurred at a drive-in in Redwood City and in which [REDACTED]
was involved, as having "racial overtones." [REDACTED] stated
this report was totally incorrect as there were no racial over-
tones to the disturbance. He advised that [REDACTED] was
concerned about receiving this literature and advised him
that he is not sympathetic with it.

The literature received by [REDACTED] and furnished
by [REDACTED] is similar to that which has been
received in the area before and provided this office and is
being exhibited with this memorandum.

[redacted] telephoned Oakland Resident Agency with reference to a controversy which has been raging in the New Haven United School District over a movie which was shown there. Most of the opposition has been headed by [redacted] of the School Board, and both [redacted] a local school principal, and one [redacted] (fnu) [redacted] have been under fire.

[redacted] advised that recently there appeared in her neighborhood a mail distribution of the publication "Common Sense" published by the Christian Educational Association. The first such distribution consisted of an issue of the paper dated in 1965 which had been discarded. A second copy of the paper dated March 1, 1963 had recently come through the mail. [redacted] had not detected any connection between this publication and the school controversy upon receipt of the first copy but the following facts prompted her to suspect that this might be the case after she had received the second. The March 1, 1963 issue of "Common Sense" was devoted to information about the fact that 95 persons in key positions in the Kennedy administration were Jews. Inasmuch as [redacted] is a Jew, this suggested to [redacted] that the distribution of the paper and the school fight might have some connection.

[redacted] was advised that the FBI had no jurisdiction in the matter she described but she was informed that if she desired to do so she could mail the paper to this office for information. She did so and the paper and the envelope in which it came are attached. It is noted the envelope is post marked at San Leandro on 3/1/67 and bears no return address.

The source has indicated that MC GINLEY has expressed a willingness to cooperate with ALEXANDER WHITE and that material supplied by WHITE will be printed in "Common Sense" at the first available opportunity.

According to [] MC GINLEY had transmitted to WHITE some of the printed material published by the Christian Educational Association, including a leaflet captioned "Solution of the Jewish Problem" and a brochure of "Patriotic Literature" available through the Christian Educational Association of Union, N.J.

[] has furnished the following information on PETER ROGOWITSCH, alias ALEXANDER WHITE:

PETER ROGOWITSCH was born on February 5, 1892 in Moscow, and in September, 1956, was identified as a stateless person, foreign correspondent residing on the first floor of 60 Eulenspiegelstr, Munich, Germany. He lives with his wife, OLGA, nee ISVOLSKY, born April 27, 1897, in Kiev. He and his wife have resided at this address since July 12, 1948.

ROGOWITSCH is identified as the son of Senator ALEXIS ROGOWITSCH and his wife, MARIA, nee KATKOFF. His father died in Brussels in 1935. His mother allegedly still lives in that city.

ROGOWITSCH's wife is the niece of the former Russian Ambassador in Paris and later Tzarist Foreign Minister, one ISWOLSKIJ. Her parents reportedly died in Paris.

PETER ROGOWITSCH attended from 1906 to 1914 the Imperial University (Faculty of Law) in Petersburg; from 1925 until 1941 he was the manager of the shipping depot of a chemical concern in Paris; from 1941 until 1944 he worked

Dear Sir,

I am enclosing some vicious anti-Jewish, anti-American leaflets which were distributed by some unknown person or persons in my neighborhood.

They seem to have been distributed early on Sunday mornings. These leaflets were distributed on the 600 block of Mayfair St. on Dec. 16, 1956 and on the 600 block of Adams Ave. on Dec. 23, 1956.

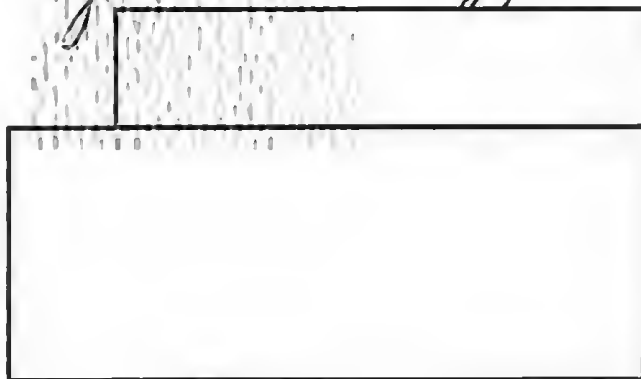

I asked some of my neighbors to let me have their leaflets so that I could send them to you.

Is there anything which can legally be done to terminate the publication and distribution of such vicious poison? I would appreciate

it if you could notify me as to what the F.B.I. may be able to do about it and as to what I may be able to do to help you locate the individuals responsible for these leaflets being put in my mail-slot and in the doors of my neighbors.

Many of us are angry, upset, and worried about such trash. We thought that only Nazi Germany permitted this sort of thing to go on.

Yours truly,

Gentlemen:

Sunday morning January 20, 1957
we received the enclosed printed
matter under our door. A good
many of our neighbors also were
the recipients. Upon reading its contents,
it left me at a point of disbelief +
utter shock. After having fought
in a front line combat unit in
World War II, I can hardly believe
that Anti-Semitism, and an organization
 bent on causing dissension among our
people, would dare raise its
ugly head again. Can this type
of material be declared suitable
to be distributed upon the public?

I wish to know how the
Attorney General, and other law enforce-
ment agencies are prepared to
handle this deplorable
+ the legality of such.

Appeal Issued by CONDE MC GINLEY For Help

In Issue No. 269 of "Common Sense", dated 2/1/57, on page 4, under the heading "Help Us To Help You", CONDE MC GINLEY, the Editor, printed an open letter to his readers. The letter is as follows:

"Friends:

"Those who have studied the all-important question before the world today realize that the Anti-Defamation League of B'nai B'rith is the back-bone of the Marxist program in the United States. The B'nai B'rith is a Jewish organization functioning on a world-wide scale.

NK 105-1910

"B'nai B'rith has 1750 lodges in the U.S. and Canada, with 400,000 members. According to the NY Times May 4, 1956, they have expended sixty million dollars in the last three years. The A.D.L. is the militant arm of the B'nai B'rith; it is the Invisible Government in the United States.

"In the Communist satellite states, the high government officials have been Jews almost without exception. Before the Jewish rule could be established officially, the leaders opposing Communism had to be broken down and destroyed. During the last three years the Russian Communists, having discovered that the Jews set up Communism to use it in advancing their own interests, have been successful in maneuvering some Jews out of top positions. The population of these countries did not realize what was going on until too late; then they were too helpless to stand behind their leaders.

"This is what is going on in the U.S. today. The Anti-Defamation League with the American Jewish Committee and the American Jewish Congress, using many unsuspecting non-Jews, prominent persons, and fifteen to twenty million dollars a year for propaganda in newspaper, radio and television, are trying to discredit and destroy our patriotic leaders just as they have done with Col. CHARLES LINDBERG, Sen. NYE, Sen. BERT WHEELER, Sen. MC CARTHY, [REDACTED] and many others.

"The A.D.L. has been pounding away at COMMON SENSE for 11 years, trying to drive its friends away so it will be left standing alone. However, as thinking people, examine the facts published only in one paper, COMMON SENSE,--and our paper has grown until it now reaches more awakened Americans than any publication in existence.

"My assets are in the form of factual information spread all over the United States. Eleven years ago, I quit business for a profit and have spent

every dollar I could get my hands on in this Crusade. Some people told me then I was foolish, that Communism meant nothing. Today some of these same people tell me I am wasting my time, that Communism cannot be stopped.

"Long ago I realized I would use up my funds and not make a living promoting a paper which carries no advertising. Anyone who studies this subject as I have, realizes that profit means nothing compared to the importance of saving our Republic.

"COMMON SENSE, with no advertising, will never show a profit but must be subsidized by people who have sufficient patriotism to help make the truth available to many. If there are not enough people ready to sacrifice and help expose the enemies of our country, then freedom in the United States is near the end.

"I am the unpaid Editor of COMMON SENSE. Help me make this movement the decisive factor in turning the Marxist trend that is destroying our government. The need now is for a large number of informed people. Help us raise the number of our readers to a million. If you could visualize how hard we work and plan to increase our effectiveness, nothing could stop you from doing your very best to assist us. Those good people who are awake to the crisis but unable to help substantially can help by renewing their subscription, taking a lifetime subscription (\$25.00), buying and distributing literature, securing subscriptions, passing out COMMON SENSE, and last but not least, praying for us. The prayers of any good Christian will not go unheeded.

"If you would like to help me strengthen COMMON SENSE so we can publish weekly and correctly inform millions of people, please do not hesitate to reach me.

Judge Armstrong Foundation of Ft. Worth, Texas

In Issue No. 245 of "Common Sense", dated February 1, 1956, there is a story under the caption "Patriots Last Works Available". In this article, it was announced that the Judge Armstrong Foundation of Ft. Worth, Texas had turned over the entire inventory of books of the late Judge GEORGE W. ARMSTRONG to the CEA. The article indicated that the books were now available to readers of "Common Sense".

On August 17, 1956, [REDACTED] "Ft. Worth Star-Telegram", a daily newspaper, Ft. Worth, Texas, made available for review her file on GEORGE W. ARMSTRONG, SR., from which the following information was obtained:

✓ JAMES MC LEAN, of AP News Features, interviewed GEORGE W. ARMSTRONG, SR., at Natchez, Mississippi, on 11/12/49 and released the following information for publication in morning papers of November 13, 1949:

✓ GEORGE W. ARMSTRONG, SR. was born in Jasper County, Texas, the son of an itinerant Methodist minister. He was 84 years old at time of above interview. He graduated from University of Texas School of Law in 1880, and began the practice of law at Ft. Worth, Texas, in 1890. He was elected County Judge of Tarrant County, Ft. Worth, in 1897, and became known as "JUDGE ARMSTRONG".

b6
b7C

NK 105-1910

He resided during his latter years at Woodstock Plantation at Natchez, Mississippi, but maintained a residence at Ft. Worth, Texas, for voting purposes. He gained considerable wealth as a result of oil ventures, banking, cattle, utilities, steel manufacturing in Texas, and land buying in Mississippi. He is reported to have owned at least three oil fields in three counties consisting of 18 oil wells, and 38 plantations.

✓ At the date of the interview on November 12, 1949, Mr. ARMSTRONG stated that three years previously, he had established at Ft. Worth, Texas, the "Judge Armstrong Foundation, which 'siphons off' about 15% of his income for tax exempt charitable and educational purposes". Judge ARMSTRONG was an exponent against what he termed "racial mongrelization" which in his view was the "intermingling of Jews, Gentiles and Negroes in the same schools", which he violently opposed.

✓ Judge ARMSTRONG stated that among others, his organization had contributed to GERALD L.K. SMITH, of the Christian Nationalist Crusade with headquarters at St. Louis, Missouri, and to EMORY BURKE, leader of an Anti-Negro and Anti-Jewish group of Atlanta, Georgia, and to [REDACTED]

[REDACTED] Judge ARMSTRONG claimed that SMITH, BURKE and [REDACTED] were "persecuted persons".

The "Star-Telegram" file contains a news story which appeared in the "Star-Telegram" in evening edition of January 21, 1952, concerning a suit which ARMSTRONG had filed in Ft. Worth in U.S. District Court in which he sought refund from U.S. Treasury of \$620.00 and \$6,276.30 for alleged erroneous income tax assessments made in 1948. In this suit, Judge ARMSTRONG and his wife alleged that in 1948, they had contributed

NK 105-1910

\$1,000.00 and in 1948, had contributed \$10,000.00 to the Judge Armstrong Foundation and that they had not been allowed deductions on the same.

A story in the "Star-Telegram", morning edition of November 27, 1952, stated that the basis of the suit was "whether or not the Judge Armstrong Foundation, now inactive, was entirely for charitable, educational and religious purposes".

✓ This article said further that counsel for the ARMSTRONGS said the Foundation was created in 1945. The Government contended and won a decision to the effect that the Judge Armstrong Foundation was not entitled to the exemption of the Act because it was not devoted exclusively to religious, educational or charitable purposes. The government contended that the Commissioner of Internal Revenue had based his decision on the fact that the Foundation was distributing pamphlets "constituting propaganda designed to influence legislation" and, therefore, was not educational but "political" in nature.

✓ According to this article, excerpts from one pamphlet read before the Federal Judge at trial of the case suggested that President WOODROW WILSON and FRANKLIN DELANO ROOSEVELT were Jews, and referred to President HARRY S. TRUMAN as a "Communist Traitor". The article also said that Judge ARMSTRONG, an advocate of "white supremacy", had asked in a preface to one volume of his writings that Congress abolish the 14th and 15th Amendments, which had freed the Negroes and guaranteed them their voting rights. At the trial, Judge ARMSTRONG testified that one of the main purposes of the Judge Armstrong Foundation was to print and disseminate his writings. The government, on the other hand, contended that the Foundation distributed pamphlets and books which were anti-Semitic, advocated repeal of the 14th and 15th Amendments and alleged a sinister world Communistic conspiracy by Jews, and that it was used for propaganda and to try to influence legislation.

NK 105-1910

According to a news item in "Star-Telegram" on October 13, 1954, Judge ARMSTRONG died at Natchez, Mississippi, on October 1, 1954.

[] of known reliability, was contacted on February 26, 1957, and reported that no information has been developed regarding the financial operation of CONDE MC GINLEY, Editor of "Common Sense", or of the financial operation of the CEA, publisher of "Common Sense".

RE: RACIAL SITUATION, STATE OF PENNSYLVANIA

In the November 1, 1956 issue of "Common Sense," there appears on Page 4 a statement of ownership issued September 30, 1956 by "Common Sense." The name and address of the publisher are shown as Christian Educational Association, 530 Chestnut Street, Union, N. J., Editor, CONDE MC GINLEY, same address.

An informant, who has furnished reliable information in the past, advised on December 5, 1956 that CONDE MC GINLEY used as the mailing address for the Christian Educational Association Post Office Box 807, Union, N. J.

Under date of December 17, 1954, the Committee on Un-American Activities of the United States House of Representatives published a preliminary report on "Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish and to a lesser extent to Negro minorities in our nation. Sympathy for the former Nazi regime in Germany is also injected into this propaganda.

This memorandum is loaned to you by the Federal Bureau of Investigation and neither it nor its contents are to be distributed outside the agency to which loaned.

NAZI-LIKE ANTI-SEMITIC PROPAGANDA

Spread Trough U. S. Mails from Conspiracy Center
in Union, New Jersey

The Morning Freiheit just received through the mails a poisonous anti-Jewish propaganda sheet, that seems to have been copied from the despicable fabrications of the Nazis' prime Jew-baiter, Julius Streicher. In Hitler style this piece of nazi-like cannibalistic anti-Semitic propaganda brazenly calls itself, "The Key to Freedom".

The sheet parrots the Nazi murderous invention of a "Jewish World plot". One full page of this 4-page sheet-of large newspaper size is devoted to the infamous fabrication of the so called Protocols of the Elders of Zion. Originally written by a French journalist named Jolly during the reign of Napoleon as a satirical Dialogue in Hell between Machiavelli and Montesquieu, it contained no reference to Jews, whatever.

Many years later that satirical study of the mechanics of dictatorship was embellished by the Czarist pogromizing Okhrana, special division of the police and published

in 1903 as a document. It did not take long before the plagiarism and forgery was fully exposed and discredited. But the Nazi conspiracy, for the lack of any authentic materials, fell back on the Czarist police's forgery, and made the discredited and forgotten Protocols the basis for the justification of its murderous annihilation campaign against the Jews.

Now, in this year of 1958, 13 years after the Nazi conspiracy was defeated by the civilized world and after it was condemned by an International Court of Justice as a heinous crime against humanity, a Nazi-like group in this country has taken up the Hitler conspiracy. The group has the audacity to call itself "Christian Educational Association". Let us remember that the Nazis in their time sought to hoodwink the people by having their organizations for spreading poisonous Hitlerite propaganda assume such names, as Aryan Christian Alliance.

The blasphemous "Christians" who are the publishers and spreaders of this Nazi-like anti-Jewish propaganda from Union, in the state of New Jersey copied all the Streicher poisonous inventions. Shamelessly they slander and libel "In God's Name". They smear with a nazi-like brush every Jew they can think of. Bernard Baruch is dubbed "The Prince of the Elders of Zion", Associate Justice Felix Frankfurter is smeared as controlling the Supreme Court in behalf of the Communists. To them "Communism (is)—A Zionist Tool"; the "U. S. Federal Reserve Bank (is) Privately Owned Mainly by Zionist Bankers".

The Poison-Sheet is published on excellent glossy paper, in two colors, with more than 30 pictures of Jews whom they slander. One wonders who pays the printing bills, and the cost of mailing. It is being widely distributed through the mails in an evident attempt to incite anti-Jewish hatred, leading to such outrages as the recent bombings of Jewish synagogues in the South and a rabbi's home in Brockton, Mass.; and to the formation of such groups as the Swastika Wearing Motorcycle Club in Miami and the Nordic Confederation in Forest Hills, New Jersey. This sheet is a striking example of vile Nazi-like pogrom agitation literature. It seems to us that the laws prohibiting carrying through the mails materials intended to defraud, blackmail or incite to crime are definitely applicable. It is inconceivable that such scandalous abuse of the U. S. mails should be permitted or tolerated.

APPENDIX

DOCUMENTATION OF ORGANIZATIONS

CHRISTIAN EDUCATIONAL ASSOCIATION OF UNION, NEW JERSEY

Under date of December 17, 1954, the Committee on Un-American Activities of the U.S. House of Representatives published a "preliminary report on Neo-Fascist and Hate groups" in which the growth, objectives and the editor of "Common Sense" are discussed at length. The report indicates the publication has a fluctuating circulation of between 30,000 and 100,000 copies.

In the HCUA report, "Common Sense" is described as a "hate group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

In the HCUA Report, "Common Sense" is described as a "hate-group" vehicle publishing "some of the most vitriolic hate propaganda ever to come to the attention of the Committee." According to the report, "Common Sense" depicts Communism as "Judaism" and devotes its pages almost exclusively to attacks on the Jewish and, to a lesser extent, the Negro minorities in our nation. Sympathy for former Nazi regime in Germany is also injected into this propaganda.
